WEATHER CONDITIONS.

Pressure is high over the northern Rocky Mountains and the northwest, and a second high appears over the Mississippi Valley. In the west, little City reports rain in the west, while City and Elko report the only stations in operation in which rain has fallen. Temperatures are the same as yesterday in the Pacific States, but warmer in the Rocky Mountains and the Plateau region, and cooler in almost every other place.

L. H. MOULTON,
Section Director.

NOW FOR

15,000

By January 1, 1900, the DESERET NEWS hopes to be able to record that the Semi-Weekly Edition has reached 15,000 mark. That figure was undoubtedly established if any agents will work with the paper for all the next two months that they have done in the past two. In order to speedily reach it, our representatives for their previous hearty endeavors, and trust they will do all in their power to help us reach the 15,000 goal by the NEW YEAR.

LOCAL BRIEFS.

A man had several dog fits in a 25 cent night lunch at the Eureka Restaurant and Harrison administrator Bennett being called away to the victim.

The Salt Historical society have placed on the work end of the rail mill in Ogden a tablet with the name and date of the first rail rolled in the west.

The Brigham Young Monument association have changed to the Henry Dwight Sheldon company of New York, the very builders of the Peirpont and Boston shaft, which cost in bronze, with base, $50,000.

The Pabst Beer, that has adorned the west exhibits in the Exposition Palace, has been demoralized. They left the Salt of Zion out of the grand exhibition. The Pabst people will be in a sweet fix for our new exhibits, as we have left out every where of the great exhibition.

The local branch of the Salvation Army is making arrangements to give a Thanksgiving dinner to the poor.

Ogden people are to make a monster gathering of people the same day. Adjt. C. W. and Mrs Cree have been ordered to receive members of cadets as well as members of the Salvation Army.

Tooele News: Word was received at noon yesterday from Commissioner Hall, Wright, commanding the trial of Lorenzo Lewis, charged with the killing of Hawkins, saying that owing to a mistake in the jury list, the case will be tried over again. Judge Zane will preside.

R. S. Horner, who fired at U. S. Marshal Jo Rowe and Deputy Lewis Grant, near Provo, last Friday night, was brought to Salt Lake City Saturday afternoon and placed in the county jail. Marshal Rowe and Deputy Grant were in the vicinity of Provo on a search for moonshiners when the shots were fired.

Sanford Dole, who fired at U. S. Marshal Jo Rowe and Deputy Lewis Grant, near Provo, last Friday night, was brought to Salt Lake City Saturday afternoon and placed in the county jail. Marshal Rowe and Deputy Grant were in the vicinity of Provo on a search for moonshiners when the shots were fired.

Ogden Standard: Mr. Chamberlain, president of the Union Pacific, yesterday notified Mr. G. Sharpe, of Ogden, that his services would not be required in the future. Mr. Sharpe has been with the Union Pacific for many years, and is a very popular man in Ogden. Mr. Sharpe will remain with the company in some other capacity.

Logan Herald: Mr. Chamberlain, president of the Union Pacific, yesterday notified Mr. G. Sharpe, of Ogden, that his services would not be required in the future. Mr. Sharpe has been with the Union Pacific for many years, and is a very popular man in Ogden. Mr. Sharpe will remain with the company in some other capacity.

AT FORT DUCHESNE.

New Buildings to be Erected and New Troops Expected.

J. Fenn, Uinta, special to the Deseret News under date of the 4th inst. says: The station of troop C and troop of quartermaster of the 20th cavalry, which were located a few months ago by the secretary from which a week ago, have been ordered to Fort Duchesne, commanding officer at Fort Duchesne received a telegram to the effect that troop C would be on the ground.

About 20,000 feet lumber sawed from the sawmill near Dry Gulch, will be put on a wagon, the remainder come from Oregon and Idaho, and will be used for barracks for the troops. Work on stables is advancing, and when completed, the troops will be ready to move from Vernal. Some 200 Indians were seen at work there and are expected to be on hand when the troops arrive, so they are to be on a good large scale when winter.

Captain Kennedy, Fifth Infantry, will be sent to Fort Duchesne from Fort Grant, A. T. At present there is but one troop of cavalry at Fort Duchesne and to Salt Lake City after the war in the Philippines broke out the troops at Fort Duchesne were not sufficient there to protect the settlers of either party from the Indians, and troops were ordered from the Dakotas to take care of the Utes here in that section.

TO DISCUSS FORMALDEHYDE

Salt Lake Medical Society to Consider the Question Tonight.

The use of formaldehyde is now will be discussed at a special meeting of the Salt Lake Medical society, which will be held tonight. The subject occupies one of the drug by local dealers in the source of the special consideration. It is understood that several of the doctors have been using formaldehyde in their practice, and will be able to make interesting reports thereon.

WANTS THE PROPERTY BACK.

The following communication from James C. Hamilton was received by the board of county commissioners this morning:

"Gentlemen: I understand the general tax situation at corner of 'my' land in district 4a, section 3, Township 1 south, 1 west, for tax sale, and I do not do so. Further now for general purposes. I hereby petition you honorable board to release to me that part of the tract the said property of land and be vested to me that I may level and improve the same.

The matter was referred to the commission on roads and bridges to confer with the county attorney. The county attorney is of the opinion that the land in question was taken long ago for the purpose of getting gravel therefrom.

Little Hattie Nyman, the two-year-old daughter of H. Nyman, was crushed to death by a wagon, which, it is said, ran over her head. The child was playing in front of her mother's home, when the wagon came along. The child was crushed with a terrible force, and when the little girl was picked up, the wagon had passed over her head, and her brains were scattered in the street. The child was taken to the home of her parents, and was soon dead. The child was about seven years of age.

HOW CHRISTIANS DIE FOR TRUTH.

People in the Dark Continent Who Will Not Recant Their Faith.

SERMON BY REV. SERGUND.

Occupied the Stand at the Scandinavian Meeting in the Assembly Hall Yesterday Forenoon.

The people of Salt Lake had the privilege yesterday of listening to a very unusual character from the Dark Continent. It was the Rev. Kristo Sergund, who came from Africa, to exhibit the power as understood by the Copts, the people who he represents, and to secure aid for an orphan's home and school in that country. He is dressed in the Scandinavian, and thirty-seven years ago was ordained a priest for the Christian church of Pekel. Mr. Sergund has been in this country for five months, and has met with success wherever he has been.

Yesterday morning he addressed an audience in the Assembly Hall. Bishop Cutler, who is now using only property authorized, which is to be presented, the work of spreading being first accomplished by the Scandinavian people, who taken it from Judaism, who took it from the Buddhists. He was spoke of the persecution of the Christians in the Dark Continent. He said some years ago some 3 boys selling Bibles to be sold for 25 cents, they were stoned to death. He said some years ago
