Fatal Runaway—Sale of County Roads—C. P. and Temperance.

Special Correspondence.

Ogden, May 26.—Mr. Cowley, the wife of Mr. Cowley, a well known railroad man of this city, died yesterday, of pericholitis. Funeral services will be held on Saturday at 1 o'clock p. m., from the residence, No. 146 Twenty-fourth street.

RUNAWAY AND SMASHUP.

While Frank Pingree was driving a team on Grant avenue yesterday morning, upon coming to Twenty-fifth street he attempted to cross the street railway tracks in front of an approaching car. The car struck the rear end of the wagon and overturned it, and Pingree was thrown to the ground, the wheels of the wagon passed over his legs, injuring them severely. The young man was immediately taken home and to his home to be cared for. The team ran away and before being stopped collided with two other teams, breaking up much of the wagons and to the collision leaving the wheels of the Pingree wagon, and to the other two badly damaging the harness of the horse attached to a delivery wagon. The matter will probably be taken into court for adjustment.

The sale of property for which Weber county holds tax deeds was commenced yesterday at 10 o'clock sharp, and was resumed at 4 p.m. Commissioner Smith of the county board officiated as auctioneer and Auditor Cunningsworth was present to make a record of the property sold. Between twenty-five and thirty parcels were sold, in all. The amount covered was about $1,000. Since the list of property to be sold was first published, a great many of the owners have called at the clerk's office and settled their delinquencies, so that the total amount received is about $1,000.

A marriage license was issued yesterday to Charles Nelson, 28, and Miss Mary Hagenson, 21, both of Moab, Utah. After having secured the license the happy bride-groom went to Judge Bender's office, where they were united in marriage. It was the judge's first job in that line, but he went through the trying ordeal all right.

Yesterday evening one hundred and thirty-five sailors and firemen from the United States transport Sherman came in from San Francisco and went east, where they will be mustered out of the service.

He exhorted the students to live up to the dignity of their alma mater in all their work and to use their knowledge to the best advantage in every way.

DISTRICT COURT NOTES.

There has been very little business in the district court the last three days, as judgment was entered in the Rio Grande Western railway, which were set for this week, have for some reason been continued.

The case of Violet Urie vs R. G. W. Railway company is all wet for today. And on motion of the defendants the case was dismissed at plaintiff's cost, as she, for one, was representing Mrs. Eva Dennis in the first place. In this case the plaintiff sued for $10,000 damages for the death of her son John Urie, who was killed by the defendant's train in 1896. Margaret Urie, the deceased's wife, was also made one of the defendants for the reason that the company refused with the railroad people for $750. Ten days additional time was given Arbuckle in the case of Springville City vs George Curtis, illegal house selling, in which to file papers for a new trial.

All of the jurors were discharged for the term.

NOTES AND PERSONALS.

License to wed was today granted to Isaac A. Healey, 28, and Elizabeth Hutchison, 24, both of Alpine. Judge Booth performed the ceremony.

The business men of the city intend to build a first-class drive way from the theater northward to the lake and return in a round-about way on which to spend their fast horses, of which Provo boasts not a few, and the work will be soon promoted and note is coming. The promoters wish to build a boulevard, which will be a credit to the city.

The reception and dance given at the Brigham Young Academy last night by President Karl G. Maeser was a social success, there being over three hundred present.

The examinations began yesterday and will continue up to and including Saturday.

BIG WOOL SHIPMENTS.

This week has seen a clean-up of the wool clip in this county, and there now remains here to be sent only the wool from Uintah county, which is on storage at the warehouse of the Rio Grande Western. The owners are expected to send Monday when this will be dispatched to the Eastern bidder. A big record of wool barges and railroad men are expected here Monday and for about several days, because the last bales of the fleece is already engaged. The amount of wool shipped out from Price station, which will fall up something near a million pounds, for which an average of eleven to twelve cents was realized.

SCARCITY OF FARM PRODUCTS.

There is a scarcity of all products of the farm and ranch in the markets of southern Utah, and it is said that everything consumed here in Fort Duchesne, the Indian agencies and nearby towns, has to be brought in from Price, and that the Indians are not so hard at any price, and the same may be said of hay, mutton, potatoes, poultry, and in fact everything for all of which there is a steady and reliable market.

Three hundred and fifty thousand brick are being burned for new buildings to be erected in Price this year.

Dr. W. C. Richards, thinks of locating at Moab, Grand County, and if he does Dr. W. P. Winters of Castle Dale, who has lately sold out those, will come here and open a drug store in connection with his practice.

The Rio Grande Western railway has begun work on its new dwelling houses for employes at Helper. Work on the new shops will cost about $1,000 will begin in the near future. Plans have been submitted to the officials by the company's architect.

Infrequent and Improper Shampooing

are responsible for dry, scrawny and various colored hair. Many people have a good supply of hair, and it would be beautiful were it not that dandruff had destroyed its life and made it lifeless. Everyone's hair should be shampooed once a week with some non-injurious and lathergiving wash.

7 Sutherland Sisters' Scalp Cleaner

does not rot and bleach the hair, like soda, ammonia, etc. Ask the scalp cleaner with the "Hair Growers." They contain nothing but what is good for the hair and scalp.

MADE BY SISTERS.

Weakened or diseased kidneys, sluggish and incompetent, instead of hurrying the impurities out of the body, act as a dam and with every beat of the heart the poison is forced through the system.

There is only one known specific for diseased and disordered kidneys and that one is WARNER'S SAFE CURE.
