PROVO.

Death of Mrs. Ethel Lowry Reed—Probate Business—Free County Library—Discussed by the Press—Damage Suits.

Special Correspondence.

Provo, Oct. 25.—A most sad death occurred this afternoon at the residence of Dr. R. H. Allen, when Mrs. Ethel Lowry Reed passed from this mortal sphere.

The disease, one from age, left but a wonderful beauty, with the sweetness of a child. Mrs. Reed is the daughter of Mr. and Mrs. Held for the Ethel Islands in Sydney, Australia, and is the only child of a most amiable and worthy couple. The mother was a sister of Mrs. Dr. Allen, and the deceased was her guest at the time of her death. The mother was prostrated by the news, and the sympathy of the community goes out to her in her bereavement. The deceased was married to Mr. Reed in Sydney, Australia, and came to this country with her husband, who is a prominent young man of San Francisco, where the young couple have been residing for some time. The remains will be taken to San Francisco for interment, and the sympathy of the community goes with the husband and relatives in their bereavement.

Mrs. Dr. Allen and daughter, Miss Ethel, left for Los Angeles, California, on the train last night, where they will remain for some time. The trip was undertaken for the benefit of the latter, who is in very delicate health.

Probate business is very dull, the only business being the probating of the estate of Andrew Lowry, deceased, and the appointment of his widow, Mrs. Lowry, as executrix, without bond.

The Free Library and Reading Room is being discussed by the press and people, and it is hoped that some action will be taken looking to its establishment.

Two suits for damages have been filed against the Denver & Rio Grande railroad company, one by Mrs. Ellen Jones, for $5,000, and the other by Mrs. Ellen Jones, for $5,000, for the death of her husband, who was killed in the Provo canyon.
