COACH WEEK AT THE UNIVERSITY.

Four of Them on the Hill Pounding Football Into the Line.

GETTING READY FOR "ACCIES."

Logan Team is Coming Here Saturday With a Determinaiion to Hold the Championship.

This is coach week at the University. There are four of them up there on the hill, and they are pounding football into the line, like football was never pounded in before. To win's the thing, and Saturday's the day. If there is anyway to do it Utah is out to find the way. Defense is the problem. At Denver either side that had the ball could go plowing along at will. Two nights ago Maddock lined up with the second team, and plowed his way through the 'varsity for two touchdowns in less than ten minutes. As Logan's main asset is weight he fears that their line can out buck his own, and that once they get the ball they will plow along a yard or two at a time till they score.

Strange as it may seem to Utah rooters Logan is coming down to win. A special to the "News" today states that the college students there have gone into secret yell and song practise and are coming down 500 strong to back their team. They claim that most of their good players were out of the game in the coast series, and that the showing they will be prepared to make Saturday will be a surprise to Utah aggregation. In addition they have a new coach who was brought over from California with them, and who is assisting in driving the team into shape.

At the University the whole coaching board is on the field. Channing, Maddock, Callahan and Plummer are all at work, principally with the guards and center of the line, where the greatest danger lies. The management is saving 600 seats for Logan, and as many more for Utah rooters, who will attend in two sections, one of them composed entirely of college women. Tomorrow at 11 o'clock a final yell and song assembly will be held to perfect the work for Saturday.

The game will be called at 2:30 instead of 3:30 as usual in order to accommodate visitors from Logan, who desire to return on the evening train.

CLASS CHAMPIONSHIP GAMES.

Freshmen Walloped the Juniors Again Yesterday Afternoon.

The Freshmen walloped the Juniors again yesterday afternoon on Cummings field in a class championship football game. The Junior team claimed to be in poor condition. It was certainly no match for the Freshmen eleven. The latter executed fake plays and exhibited remarkable speed and accuracy in all their plays. The defeated team has not won a game during the series, but the boys are not discouraged, and propose to keep up the fight. The teams lined up as follows:

Juniors.		Freshmen.

BRILLIANTS TAKE THREE.

Defeated the Railroads in Last Night's Bowling Contest.

The Brilliants and Railroads were the contesting teams in last night's bowling contests for the league championship, and the former administered a crushing defeat to the latter by taking three straight games. The Brilliants are leaders in the race, and they played with a vim and dash last night that could not be overcome. Each game they won by a generous margin, and left no room for doubt as to their superior work. The score:

Your Heart.

When Your Heart Fails to Pump Your Blood, Trouble Results.

Have you heart trouble?

You have, if you find it hard to breathe after walking up stairs, exercising, etc. If you have pain in your left side, in chest, back or shoulder. If you suffer from cold extremities, pale face, blue lips, dry cough, swollen ankles.

If you have fainting spells, breast pang, palpitation, redness of the face, discomfort in sleeping on one side.

The only scientific treatment for this whole train of troubles is Dr. Miles' New Heart Cure.

Dr. Miles' New Heart Cure is the prescription of a famous specialist, whose great success in treating obstinate nervous heart disease has made his name pre-eminent in the medical and scientific world.

The medicine will cure you. We know it. We want you to prove it. If first bottle does not benefit, your druggist will give you back your money.

"I have for several years suffered at times with heart trouble. I got so bad I could not sleep half the night, and had to sit up on the side of the bed lots of times to get breath. Three of my brothers have died of heart trouble, and I thought I was going the same way, but about two and a half years ago I got a pamphlet about Dr. Miles' New Heart Cure and thought I would try a few bottles. After using them I recovered, and have had better health since then than before for several years. I can heartily recommend them for heart trouble."—REV. ON THE RACE TRACK.

Cloche d'Or, 100 to 1 Shot, Won in Sensational Manner.

San Francisco, Nov. 14.—The feature at Oakland today was the victory of Cloche d'Or, a 100 to 1 shot, in the first race. Whoa Bill went to the post a 7 to 10 favorite and appeared to be winning when he bled and fell back. Cloche d'Or, overlooked in the betting, won by a neck from Inspector Munro, another outsider. Whoa Bill was third. Favorites took three races and the other events went to well played horses. The weather was fine and the track fast. Results:

First race, Futurity course, selling—Cloche d'Or won, Inspector Munro second, Whoa Bill third. Time—1:10¾.

Second race, five furlongs, purse—Princess Zula won, Glendene second, Entre Nous third. Time—1:02¾.

Lou Dillon to Try Again.

Memphis, Tenn., Nov. 14.—Because of the controversy over the time made by Lou Dillon last week, when it was announced that she trotted a mile in 2:01, Millard Sanders, trainer of the mare, intends to start her on Wednesday next against the former mark of 2:01¼, weather conditions being favorable.

CHANCE FOR M'CARTHY.

Jury is Matched to Fight for World's Championship at Baltimore.

Spokane, Nov. 14.—Papers were signed here today for a battle between Jerry McCarthy and The Dixie Kid for the welterweight championship of the world. The fight is to take place at Baltimore, Md., Dec. 7. The men are to weigh in at 142 pounds at 4 p. m. on the day of the fight.

RYAN BEATS MELLODY.

Buddy Landed a Couple of Rights to Jaw—And Championship Became His.

Chicago, Nov. 14.—Billy Mellody of Boston, the white welterweight champion of America, lost his title tonight to Buddy Ryan of Chicago. The men met at the Harlem Athletic club for a bout of ten rounds, but Mellody was knocked out after two minutes of fighting. When they came together in the first round Ryan landed a right hook on Mellody's jaw and the latter took the count of nine before he rose to his feet. The blow took all the fight out of him, and in a few seconds he was knocked down again. When he rose for the second time he was weak and bewildered and Ryan had no trouble in sending a straight right to the jaw that put Mellody out for good. After being carried to his corner he was unconscious for several minutes.

"PENNY" GOSSIP.

Chaffeur Cummings, who for some time has been with the Utah Auto company, has accepted a position to drive Bransford's 35-horsepower Peerless on a tour of California this winter.

Bert Fuller is still working on his 999 in the hopes of getting the thing in shape to give the free exhibition he promised. Bert did not take our advice to use a big sledge hammer on the mankiller and then throw the remains at some junk man. Fuller is determined to show the public what he can do.

Benny Yanger and Eddie Hanlon are likely to fight again next month. The little Chicago Italian has been pretty active of late and was not satisfied until he secured a match with his old time rival.

The boys are to box six rounds before the National Sporting club of Philadelphia on the night of Dec. 2 for 50 per cent of the gross receipts. The weight agreed upon was 130 pounds, weigh in at 3 o'clock.

On Thanksgiving day, the All Hallows College football team will be in Provo for a game with the Provo aggregation. Arrangements for this game have now been completed, and nothing stands in the way of the contest. A special train will take the locals to the Garden City, and they will be accompanied by a brass band and a big bunch of ardent rooters. The collegians firmly believe they will be able to defeat the Provo eleven.

"Dutch" Ferbert, formerly a famous halfback at Michigan and coach at Ann Arbor in 1898, when Michigan won the championship, has been heard from. It was believed that Ferbert had perished in the Klondike, but a letter has been received by a Michigan alumnus, George M. Stephen, who was a college friend of Ferbert's. In the letter to Stephen, Ferbert begs pathetically that a bunch of newspapers be sent to him, so that he may see what progress the Michigan team is making. He is now at Deering City, Alaska, and walked fifty miles to mail the letter. He expects the packet of newspapers sent by Stephen about Jan. 1 and is anxiously awaiting them. Ferbert had no luck in his search for gold.

The Butte Evening News: Jerry McCarthy, the local welterweight who has been training industriously for the last two weeks, lefgt last night for Spokane, where he is scheduled to meet Fred Green on Nov. 30.

Green is said to be a hustling scrapper and a hard puncher, and well able to give the local idol a hard battle. If Jerry is returned a winner he expects to go over east to look for some of the bigger game. He bars no one in the weight and is particularly anxious to meet The Dixie Kid, for whom Al Herford now claim sthe welterweight championship.

"Pedlar" Palmer, on his recent return to London from South Africa, announced that he held eight championships—from 100 to 120 pounds of the world, and from 120 to 130 pounds of South Africa. Palmer began fighting in 1890, and is now 28 years of age. He says his best fight was with "Billy" Plimmer, when he won in 14 rounds. His best match, financially, was with Terry McGovern, he says, and while he was defeated he got $8,500. "And the experience I got in fighting too close," asserts Palmer, "will never be forgotten." Palmer claims to have made $75,000 in the ring.

New York, Nov. 15.—Thomas J. Thorpe, right tackle of the Columbian University football team, has been elected captain for the season of 1905.
