BUTTE RACER IS WILLING TO RUN

Offer of Side Bet Made by O'Mara Is Accepted by Montana Speedster.

A BAD MIXUP LAST NIGHT.

Bradford Throws Schatz and Hardy Throws Bradford During a Misunderstanding in Six Day Grind.

Butte, Mont., March 24.—The six-day roller skating race ended tonight in a small riot in which two arrests were made by the police, whose presence was necessary before order could be restored. Through a misunderstanding the racers failed to note the signal of the end of the race and speed on. While endeavoring to make a sharp turn, Schatz of Salt Lake swerved too acutely and bravely saved himself from a fall, grabbing Bradford. Bradford in turn shook Schatz from him, sending him sprawling on the floor. At this Schatz's partner, Hardy jumped into the mixup and sent Bradford tumbling over the floor. On the other hand, the crowd, noting that the racers were still going despite the signal to stop, apparently thought some one was being jobbed, and the mob surged onto the course and the fight began. The race ended tonight with the Salt Lake and Butte teams on even footing.

OFER IS ACCEPTED.

The challenge issued by Manager O'Mara on behalf of Willie Schatz, Utah's champion roller skater, to race Wally Bradford of Butte any distance from one mile to 10 for a side bet of $500, has been accepted by the Butte racer and arrangements are being made to pull off the race here at the close of the Butte six-day grind. An effort is being made to have the race run at the Butte rink but O'Mara will insist that it be run here. Manager Bryne of the Butte rink, it is understood, has posted the money for Bradford and is willing to take a chance against the speedy Salt Lake boy.

Schatz and Hardy have made a big hit so far in the Montana city and the Butte papers give the boys a great send off for their splendid work in the race there. They also "roast" the Butte officials for the fouls committed on the local racers and demand that they be given a square deal. Schatz is referred to as a phenom and it is admitted that the youngster is the fastest skater in the western country. The team has certainly shown up the Butte contingent and given them an idea of what real speed is.

Last night Manager O'Mara sent out contracts to teams in all the principal western cities for the 20-minute-each-night-six-day-race, and the fastest skaters in the country will be on hand for the event, which will start on the evening of April 5 at the local rink.

FIGHT IS POSTPONED.

The bout between Jack Tippets and Andy Malloy, scheduled for March 30, at Rock Springs, Wyo., has been postponed until April 3. This announcement was made by Tippets, who received word from the promoters that the fight would draw better on April 3 than on the date first set. Malloy is already on the battle ground and Tippets is working here for the contest.

UTAH STATE LEAGUE.

President Tobin Sends Out Letters to Prospective Managers.

President Tobin of the Utah State Baseball league is anxious to confer with managers of various teams and discuss with them the prospects for the league this year. He has sent letters to the prospective managers of teams in Murray, Park City, Ogden, Eureka, Spanish Fork, Wandamere, Bountiful, Garfield, Provo, Brigham City, Draper, Lehi, Bingham and Lagoon, asking them for their opinions as to the outlook.

It is not expected the organization this year will be the same as that of last year owing to the entrance into the field of the Intermountain league, but that a state organization will prove a success is generally believed. The Occidentals will be on hand and assurances have been received that Ogden will have a team in the field.

CORBETT VS KEYES.

Ten Round Fight for Former Champion at New York.

New York, March 25.—Young Corbett will go 10 rounds with Bert Keyes of this city at the Whirlwind Athletic club tonight. It is said that Corbett has never trained so hard for any contest since his fight with Terry McGovern. If he defeats Keyes it is probable he will be matched with Battling Nelson in the near future.

TONY CAPONI WINS

Gets Decision Over Bobby Burns in Ten Rounds.

Chicago, March 25.—Tony Caponi won the decision over Bobby Burns of San Francisco in a fast 10-round bout at West Hammond last night. Burns was substituted for Carl Anderson, who broke his hand in a workout with Frank Childs.

The San Franciscan made matters interesting for Tony, although he was unable to break through the Chicagona's guard.

WRESTLING MATCH.

Waterloo, Ia., March 24.—Chris Pierson of Seattle, champion of the Pacific coast, and Dan McLeod, once champion of the world, wrestled one hour and fifty-five minutes tonight without a fall. The match was declared a draw.

SLOW FIGHT.

Terre Haute, Ind., March 24.—Tommy Lee of Indianapolis and Jimmy Dunn of Cleveland fought 10 slow rounds to a draw tonight.

GEO. SLOSSON WINS.

Outplays Cutler in Interesting 18.2 Billiard Contest.

New York, March 24.—George Slosson of this city outplayed A. G. Cutler of Boston in tonight's game of the International 18.2 billiard championship at Madison Square Garden.

Slosson had an opportunity of equaling Sutton's average of 166 in his fifth inning, but after scoring 150 with 48 to go for the game, he failed on a difficult two-cushion shot.

On his thirteenth shot in the eighth inning, the local man had the liveries frozen and decided to have the balls spotted. He played the break a bit wide, but a lucky kiss gave him the count and after a general laugh in which Cutler joined, the "student" ran out the game with an unfinished run of 29.

The score follows:

Slosson—500; average, 62 4-8; high runs, 225, 150 and 38.

Cutler—30; average, 7 1-7.

Calvin Demarest of Chicago showed plenty of class in the fourth game of the international championship series this afternoon. In 23 innings he defeated Harry P. Cline of Philadelphia, 500 to 267.

The score:

Demarest—500; average, 23 17-21; high runs, 118, 83 and 71.

Cline—267; average, 11 7-20; high runs, 35, 33, 29.

AMATEUR BILLIARDS.

Philadelphia, March 24.—Charles Morin of Chicago tonight defeated Thos. Bickett of Philadelphia in the second of a series of three-cushion amateur billiard contests being held between the east and the west, by the score of 50 to 22. Morin's average was .77 and high run 8; while Bickett's average was .32 and high run 5.

HOT AFTER JONES.

President Comiskey in Portland to Land Fielder Again.

Portland, Or., March 24.—President Charles Comiskey of the Chicago American league baseball team, will arrive here tomorrow for a conference with Fielder Jones, former manager of the team, the object of which is to induce Jones to resume the managership. Jones came to Portland a few months ago and is engaged in the real estate and timber business. He has repeatedly given it out that he has abandoned baseball "for good."

It is understood here that Comiskey intends to appeal to Jones on the grounds of personal friendship, but even this pressure, Jones' friends believe, will not be sufficient to win over the ex-manager.

There is a rumor that Jones will make a proposition to purchase an interest in the club, but Jones himself will not admit that there is any truth in it.

MORE RECORDS BROKEN AT DAYTONA BEACH

Daytona, Fla., March 24.—A fast course, large attendance, a stiff southern breeze blowing up the course and the shattering of world's records in automobile, motorcycle and bicycle events characterized the second day's Daytona Beach tournament. The first event, a half-mile dash, bicycle race, flying start, was won by Fogler in 47⅕ seconds, with Mitten and Root second and third, respectively. In a five-mile motorcycle record trial Walter Goerke made the distance in 3:30 1-5, establishing a new world's record.

The first heat in the invitation race for five miles in which Robertson, De Palma and Fitzpatrick were entered, was won by the huge Benz, driven by Robertson, in 2:45 1-5, breaking the world's record for gasoline cars held by Lancia in a 100-horsepower Fiat of 2:54 2-5.

The five-mile southern prize and horsepower handicap, with five cars entered, was won by Augustus Grojean, in a Pope Hartford; James McLaughlin, the third, in a Cleveland, was second; and George Robertson, Locomobile, third. No time was taken. Bruce Brown, the amateur, at the wheel of the Benz car, and Ralph De Palma driving the Fiat Cyclone, had a thrilling race at 10 miles, Benz winning in the wonderful time of 5:14 2-5. The previous world's straight away 10-mile record was 6:15, made by Arthur McDonald in a 80-horsepower Daimler. In a two-mile bicycle race open, Fogler won in the fast time of 2:46 1-5, lowering the two-mile straight record.

The next event was a piston displacement class race for a distance of 60 miles, but it was a mixed up affair, some cars running for 100 miles and the Flat Cyclone for 120 miles, the time for the latter being 52:44 2-5.

GEORGE W. WICKERSHAM, ATTORNEY GENERAL.

George W. Wickersham of New York, is a noted corporation lawyer, who holds down the post of attorney-general in the coming administration of President Taft. He was born in Pittsburg on Sept. 28, 1858, and has never followed any other calling than the law. He is the personal counsel for August Belmont and is the office member of the important law firm of Strong and Cadwalder, with which Henry W. Taft, a brother of the new president, is connected. Mr. Wickersham is said to be one of the shrewdest preparers of legal campaigns in New York, and seldom goes into the courts, as he is expected to merely map out the work for other less brilliant lawyers to follow up. He is a graduate of the law school of the University of Pennsylvania, where he received his degree in 1880. He practised for two years in Philadelphia and then went with his present firm as their law clerk. He was given a partnership in 1887.

TWELVE PEOPLE KILLED BY TEXAS TORNADO

Dallas, Tex., March 24.—Twelve known dead; property loss reaching many thousands of dollars and possibly a score injured, is the result of a tornado which swept over the northeastern part of Wise county last night. Several small towns suffered serious damage.

The greatest loss of life occurred in the country districts. The destruction of one farmhouse alone caused the death of eight persons. This single tragedy of the storm occurred near Slidell. The farmhouse of Ira Rice was crushed in by the furious wind and the family of eight members pinned beneath the wreckage. A light in the house at the time of the disaster caused the ruins to become ignited, and, fanned by the strong wind, the flames snuffed out the lives of the helpless victims.

The towns of Sanger and Greenwood were hit and a number of houses were moved from their foundations. The Goodview schoolhouse near Sanger was wrecked. In this vicinity two farmers and two children of a negro tenant were killed.

At Grafton, every business house save one was blown down. The Methodist and Baptist churches were completely wrecked.

At Ban, also in Wise county, near Slidell, two houses were destroyed. The Christian church at Greenwood was destroyed.
