CITY SCHOOL BOARD.

Prof. Cyrus C. Young is Appointed Music Instructor.

SITES AND BUILDINGS.

Opinion of Attorney P. L. Williams on a Contract.—In the Interest of Economy.

The city school board met in regular session last night. Vice-president Salem presided, and there were present all at roll call Messrs. Dailey, Pike, Alt, Baldwin, Duke, Pratt and Newmann.

The minutes of the previous meeting were read and, after correction, adopted.

WANT TO BE JANITORS.

The following persons made applications for positions as janitors: John Alexander, William Wooley, Mathew Riley, William Hurd, William Shoemaker and James F. Morris. Referred to committee on school supplies.

SPECIMEN OF VOCAL MUSIC.

The following communications were then read:

Salt Lake City, August 25, 1892.

To the Board of Education:

Gentlemen—I hereby apply for the position as teacher of vocal music in the public schools of Salt Lake City.

Respectfully,

CYRUS C. YOUNG.

Salt Lake City, August 25, 1892.

To the Honorable Board of Education, City:

I have pleasure in stating that Professor Cyrus Pedersen is one of the ablest and thoroughly competent teachers of music in our city. My personal acquaintance with him, as well as his reputation as a musician, and his popularity amongst students and other musical associations, which is some ability too, has led me to feel, when we are in need of one of the children of our public schools would be more favorable if their general education were directed from such a competent teacher.

Very respectfully,

THOS. MARRIOTT,
ELIAS WILLIAMS.

They were referred to the committee on textbooks.

ALSO ON THE TABLE.

The following was read and laid on the table:

Salt Lake City, August 25, 1892.

To the Board of Education:

Gentlemen—I hand my list of the Seventh ward school on the Bonneville Cricket & Pedersen and the Cricket & Pedersen schools in Mt. Pleasant, and the ten remaining thereof the Twentieth and building. Mr. Parsons gives good reasons as to present high rents paid for school in St. Paul and Kansas City and says he will do a good job on the Cricket & Pedersen school. I feel that we work a great financial loss to me now if I can get in the merry of other work except schools, as I am the lowest responsible Bidder on Cricket & Pedersen and Lincoln Schools in Mt. Pleasant, I therefore am in hopes of getting Mines, Cambell & Pedersen's job. Fifteen weeks is not first class and I can do it satisfactorily, I will use that time if possible.

With due respect to Mr. Pinney as superintendent, I remain,

F. M. WOODS.

ELEVENTH CLASS.

To the Board of Education:

Gentlemen—Three weeks ago I submitted to you my bids for erection of some school houses, viz: Eleventh, Twelfth, Seventh and Nineteenth.

As I understand these bills have been referred to the committee on sites and buildings, and have been reported back to your honorable body with recommendations to only pay part of the amount of the same.

The amount charged in the above bills being correct, I have to beg the liberty of submitting them again, hoping that the explanations attached to each will make it possible for you to favorably act upon them, or if there are any objections, to give me an opportunity to verbally explain.

Very respectfully yours,

H. KETTING.

It was explained to the board that the bills had been sent back to Mr. Ketting for explanation, and they were referred back to the committee on sites and buildings.

SITES AND BUILDINGS.

The report of the committee on sites and buildings was then read.

To the President and Board of Education:

Your committee on sites and buildings recommend the authority be granted the clerks of the board to make a lease with Mr. Sorenson for the rental of a building for school purposes situated southwest of Liberty Park, for the ensuing year, at a rent of $25 a month for building and of $12 per month for janitor's services.

Pike moved to strike out the clause relating to a janitor, which was lost. The report was then adopted as read.

IN THE INTEREST OF ECONOMY.

The following report was also adopted:

Your committee on sites and buildings ask to report that bids were received on the opening of the foundation of an eight-room building in the Third ward, as follows:
