

DESERET NEWS.

PUBLISHED EVERY SATURDAY.

GOOD HAY, to cut on the shares, near the city.—[We.]

Southern Route.—California Emigrants, will do well to read Mr. WARD's advertisement in this paper, and observe the directions. From this days mail we learn from our friends in California, who went the South Route, that they found a good road, and went through safe and are satisfied that it is far pleasanter than the Northern Route. We have no doubt of Mr. Ward's ability, to do what he promises. It will be the best chance Emigrants will have for a long time, and the best diggings are reported in the South.

California Mail.—A small package of letters was received on Tuesday by Mr. John Barnard; a few other brethren arrived at the same time. Eld. Amasa Lyman was expected to start for the Salt Lake about the middle of August. Mining in the North is not reported as flattering as last year; the diggers are moving South.

TEMPLE SHOP.—Three forges are in successful operation at the blacksmith shop on Temple Block, and two more are nearly ready; one for heavy work, a very large bellows, we understand, will be ready to act on Monday, prepared expressly for manufacturing mill cranks and gearings, and such like heavy work, with the most experienced hands to manage the whole—which, we expect, will be able to satisfy the wants of the public till the trip hammer can be completed.

Capt. Johnson's 2d 50 arrived on Thursday. If the brethren generally have registered their names we have not seen them.

We shall strike extra Nos. of the papers containing the minutes of Conference, and the General Epistle.

AT LAST ARRIVED, WILLIAMS' & BLAIR'S MERCHANT TRAIN;

And they have a full Assortment and Stock of every description of both Dry Goods, Hardware, Stationery, Queensware, and a fair supply of Groceries, which we purpose to, sell low, VERY LOW; to wit:—Coffee Rio, 37 1-2 cents, Sugar Clarified, 33 1-3 cents and every thing else in proportion. Call & see; buy our Goods and Groceries, and we will soon return for more, and sell them low too. Try us, at the New Store, opposite the Temple Block, west of the State House.

We have already built a Store, which has cost us about \$4000; are ready to build our dwelling houses just as soon as time will permit; make this our permanent residence; help build up the City; pay our tithing; and follow the counsel of those authorized to counsel, in all things. We do not advertise some articles, lower than some have been selling, for the sake of running our brother merchants in the trade; or for a speculation to draw customers, and charge double prices on other articles, but for the purpose of doing as we would be done unto, LIVING AND LET LIVE, and as we progress in business, should we increase in capital, we design to invest the whole in such machinery as shall be most useful to the citizens of Deseret. We ask our friends to try us once, and see for themselves.
