J. G. MIDGLEY NOW A MEMBER.

The Proposed New Plan of Street Lighting—The City Pays for Its Furniture—Other Items.

The City Council met last night and transacted business as follows:

The New American National Gas and Fuel company gave notice of its compliance of the franchise granted to it by the Council on the 27th inst. Filed.

E. H. Needham asked for a deed for a burial lot in the city cemetery, paid for by him in 1891. Committee on cemetery.

John Connelly and James Andrews & Sons protested against an excessive assessment of water rates against them. Waterworks committee.

Isaac Hedemann asked for a rebate of the water tax paid by him in 1892 and 1893. Ways and means.

The request of Councilman Clawson to be excused from his official duties during his absence in the east for about thirty days was granted.

R. F. Whitemore protested against the assessment of a lot taken on his premises, maintaining that it was a dangerous fire trap.

Health Commissioner Daly recommended that the gutters and catch basins in the paved streets be flushed every night. Committee on streets, with power to act.

The report of the health department for a few days in their department was laid on the table pending the determination of the building committee as to the number and location of telephones in the various departments.

The Mayor announced were, on recommendation of the city attorney, directed to issue quit claim deeds to Julia Alexander, Wilson Stimson, W. T. Fewins, G. R. Bothwell and R. H. Pulsifer to reach the land on the tax lists in their properties caused by tax sale deeds.

Renewal of retail liquor dealers' licenses were granted to Jos. H. Porter, John Sims, Tuckfield & Riley and S. H. Newman.

The committee on prisons recommended that the requisition of the chief of police for supplies for the ensuing quarter be approved, and granting authority to the chief to purchase the supplies as needed.

The cemetery committee recommended that the sexton's old horse be killed and cremated.

The committee on public works, reporting on the mayor's appointment of John G. Midgley to fill the vacancy in the board of public works, caused by the resignation of Heber M. Wells, recommended the confirmation of the appointment. Unanimously confirmed.

The committee on improvements, reporting on the petition of D. H. Hoover et al for the establishment of the electric light at the intersection of First West and Second South streets, recommended adversely, for the reason that similar requests had been denied on account of the city's financial condition and for the further reason that some new arrangements will have to be made in the near future for lighting the streets of the city.

In the same case neither the committee nor its the following:

We beg leave to call your attention to the fact that the time is fast approaching when the contract for lighting the city will expire. Considering it a matter of absolute necessity that some steps be taken to continue the lighting of the city, after mature deliberation and consultation with the city attorney, we have reached the conclusion that the only feasible and just plan is to pay for such lighting by special local assessment. Upon a careful canvass, we are satisfied that the charter gives us the city full authority to raise funds for the purpose in such a manner. Your committee, therefore, respectfully recommend that proper steps be taken to carry this plan into execution, and to the end suggest that the committee on improvements, with the city attorney associated, be instructed to draft an ordinance altering the city lighting district, and providing for the assessment of the tax and the lighting of the streets in accordance with the plan. Adopted.

The committee on fire and police reported in the matter of providing for prisoners for the city jail, where the chief of police and the board of police and the commissioner of streets are located, in the office and that the desired intended was in the joint building and would be transferred to the proper quarters.

The same committee recommended that the board of public and fire commissioners be authorized to erect a brick stable for the use of the police department, the cost not to exceed $700, to take the place of the old lumber stable now in use. Reported.

The finance committee recommended that the sum of $[illegible] be appropriated to the city treasurer for payment by him, as per his bill, of the amounts due to attorneys, witnesses, who paid the Gough trial, noted in Dist. Adopted.

The city members of the joint city and county building committee recommended, in view of the fact that certain planes in the city portion of the building in the contractors, A. H. Andrews & Co., had been changed up and found exceedingly by Architect Ware, that the sum of $[illegible] be appropriated to the contractors, leaving some $[illegible] still due them. Adopted.

Bill No. 1[illegible] for an ordinance levying the tax to defray the cost of extending the water mains on the south side of South Temple street from Ninth to Seventh East street, at the rate of $2.[illegible] per front foot on the abutting property considered, was passed.

Councilman Clawson offered a resolution for the appointment of Deputy City Recorder Hall as secretary of the Council committee now meet in the committee rooms every Thursday evening, and to be allowed the same of $[illegible] per month for his services to the committee. Adopted.

Cohen offered a resolution for the filing of the office of Deputy City Recorder Hall as secretary of the Council committee, and that the same be filled by the committee. Adopted.
