OGDEN.

OGDEN, UTAH. DEC. 18, 1895.

A BIG LEGAL CASE.

Charges and Suit Against the Brigham City M. and M. Association.

A complaint in intervention was filed yesterday in the Fourth district court by the Simmons Hardware Co. et al, of Missouri, in the case of F. J. Kiesel & Co et al vs Brigham City M. & M. association, wherein they ask that the deed of assignment of A. D. Show be set aside and that Receiver Peery be ordered to sell the property of the Brigham City M. & M. association and apply the proceeds to the payment of the claims of the intervenors, amounting to $4,146.26. The complaint charges that the officers of the defendant corporation entered into a conspiracy to defraud the intervenors and other creditors of the defendant corporation and that on or about the 30th day of January, 1895, they made false representations to the commercial agencies to the effect that the defendant corporation was worth over and above its just debts and liabilities the sum of seventy or eighty thousand dollars; that the defendant corporation was without debt; that its net gain for the year 1894 was $1,182.35; that although its existence would expire under its charter on the 1st of January, 1895, they had made arrangements to reincorporate and continue in business; that its indebtedness, $28,821, was borrowed from the stockholders of the corporation, and the said stockholders would not demand this sum from the corporation; all of which the complaint says was false and was well known to these officers to be false. The complaint alleges that the truth was that throughout the year 1894 its liabilities exceeded the sum of $60,000, and that its assets did not exceed $40,000; that the defendant was insolvent all during 1894 and that there was no gain during 1894; and that the dividend declared in January, 1894, was illegally declared in furtherance of a scheme to cheat and defraud creditors; that no arrangement had been made for reincorporation and that a fraudulent assignment was made and A. D. Show appointed to carry out the fraudulent scheme.

PROVO.

PROVO, UTAH, - DEC. 18, 1895.

First District Court.

Yesterday afternoon, after the arguments in the case of A. O. Smoot Jr. et al, executors, vs Geo. H. Taylor et al, the case of the Victor Gold and Silver Mining Co. vs the National Bank of the Republic, came up for hearing. The action is brought to quiet title to mining property situated in Tintic mining district which was bought in by the National Bank of the Republic on a judgment in favor of Geo. W. Parks, E. R. D. Thomson and J. M. Wheeler, and against the Victor Gold and Silver Mining Co. Plaintiffs claim that John A. Groesbeck, one of the directors of the mining company, transferred President Knox of the bank $1,000.00 in payment of the judgment, for the purpose of redeeming the mining property. Mr. Knox refused to receive it for the reason that the bank had other judgments against Wm. Groesbeck, president of the mining company. Brown and Henderson appeared for plaintiff and Booth, Lee & Gray and Day & Street and S. A. King for defendant.

OTHER BUSINESS.

In the case of Thomas T. Topham, demurrer sustained; plaintiff allowed to amend complaint and defendant given fifteen days to answer.

LOGAN.

LOGAN, UTAH, - - DEC. 18, 1895.

After the "Hog Combine."

A special session of the Cache County Agricultural society has been called by its president, Prof. A. A. Mills, to meet on Saturday next. Delegates to the meeting of the state society will then be named, but the main object of the meeting is to stamp the "hog combine," which is at present controlling the price of pork, and has reduced it to a point never before reached. The Utah Slaughtering company is said to be the chief offender, and has agents at this and other points. The remedy proposed is to call the attention of the grand jury to the matter, with a view to having the chief offenders indicted.

Extra Mail Service.

The postmaster at Logan has secured an extra daily mail to Salt Lake and eastern points. The evening mail train will carry it, and it will be taken as far as Pocatello on the through train on the main line, and from there transferred to the morning train, reaching Salt Lake at 9 o'clock in the morning.

Accidents.

William Schwartz is the victim of a painful canyon accident. He was dragging mahogany down a steep hill in Logan canyon with two single-tree tags, when the rear tree became frightened, knocked him down and rolled the tree over his prostrate body. Schwartz's left shoulder was dislocated and his nose and forehead badly scratched and filled with splinters. Dr. Parkinson attended him.

Dr. Shaw was called to attend Thos. Mult Jr., of Meadow, who had a badly broken left leg, the fracture embracing the ankle joint. While riding at a rapid rate Mult's horse fell with, and rolled over him.

Cache County Notes.

The salaries to be paid our city officials after January 1st will not be large enough to tempt the aspiring of the chronic office seeker. The mayor will receive $400, attorney $200, the auditor and chief of police $360 each, water master $600, city justice $250, and other officials in proportion. Not much room for a campaign lark here.

The A. C. of U. students, with the assistance of local talent, gave a very creditable rendition of the fairy story last evening, to a well filled house. Their success will encourage them to further efforts in the same direction.

Mr. H. A. Quigley, assistant U. S. prosecuting attorney of Washington, D. C., who is making a tour and collecting evidence in Indian depredations in the West, reached Logan this morning.

Business Manager Steve Johnson, of Rimrock, was in Logan early in the week. The Christmas edition of that paper will contain a department devoted to Logan's business and general interests.

On Saturday evening the Second ward Sunday school will give a Christmas entertainment which will embrace the cantata, "For Watt's Christmas." and other excellent numbers.

Company C, U. N. G., of Logan, issued a challenge for a trial of marksmanship to company D, also of Logan, which has been promptly accepted. The date set is the 31st.

The older and adobe portion of the Firemen's hall has been adjudged unsafe and condemned. It will be replaced by brick, to match the recent addition.

Romeo P. Rasmussen, 18 years of age, for many years a respected resident of Hyrum, has been called away. The funeral services were held Monday.

George and Sam's minstrels, a youthful local company, gave a very fair performance in the Sixth ward the other evening.

Mrs. W. R. Street and family left today for a visit to balmy California. They will remain until the return of warm weather.

A party of U. P. officials passed over and inspected the Cache Valley branch today, traveling in their special car.

The wife of Oscar Bjorkman, of the "U. O." store, gave birth to a fine son on Monday night.

BINGHAM STAKE CONFERENCE.

Interesting Meetings Held—Strong Testimonies Borne.

The quarterly conference of the Bingham Stake of Zion was held at Lewisville, Fremont Co., Idaho, Dec. 13th, 14th and 15th, 1895, President James E. Steele, presiding.

There was present from Salt Lake City Elders Heber J. Grant, of the Quorum of the Apostles, and Richard Lambert. Of the Stake officers there were present the Stake presidency, nearly all of the High Council, Sunday school officers and representatives of the other organizations. All of the wards of the Stake, except one, were represented.

Saturday, 10 a. m.—After the usual opening exercises, President Steele reported the Stake to be in a good condition, both temporally and spiritually. The people as a rule were desirous of doing right. The crops this season had not been quite as good as last season. Prosperity at times was the cause of spiritual distress. The spirit of unity exists among the people, and the general organization of the Stake is in keeping with the requirements of the same.

Elder Charles W. R. Bywater endorsed the remarks and report of Elder Steele. They had found in visiting some of the wards that the Teachers were slack in the performance of their duties.

Second Counselor Jos. S. Mulliner felt that we had the material in this Stake to make a success. He had doubts in regard to this when the Stake was first organized.

Elder Richard Lambert then addressed the conference. The Gospel was a thing that brought us more joy and satisfaction than anything else in the world. We should be prepared to give an intelligent reason for the hope we have, and for the knowledge of the Gospel received. He dwelt upon the question of infidelity and upon the fallacy of evolutionism; bore a convincing testimony that there is a God. There was a growing tendency to disregard Him. Denounce the theories of men and heaven the place of his teachings with many people.

Elder Heber J. Grant occupied the remainder of the time. He said upon reflecting upon the conditions in this Stake he could see no reason why it should not become one of the most prosperous Stakes of Zion. He also spoke upon the question of infidelity. Man is an intelligent being, and a man he cannot honestly say that there is a God.

2 p. m.—Elder Brockman who recently returned from a mission, was the first speaker. He was followed by Elder H. H. Wessis, also returned missionary. They had enjoyed their missionary labors very much.

Elder H. J. Grant said he was pleased with the testimonies of the returned missionaries. It is not the amount of education, the intellectual attainments, but a pure heart and a contrite spirit that are the essentials to success in the missionary field. He read the testimonies of the three witnesses and of the eight witnesses to the Book of Mormon, and showed the power of faith, and preached a powerful discourse upon the gifts promised to those who obey the Gospel. He bore a strong testimony of the power of faith, and that there is a God in heaven, and that if we keep His commandments, we will have happiness here and eternal life in the world to come.

7 p. m.—Elder Thos. E. Ricks, president of the Bannock Stake, was the first speaker. He had been called thirteen years ago to come and look after the settlement of this part of the country; thought that now every thing was here to make a happy, thrifty and prosperous people.

Elder Thomas E. Jarrett spoke upon the duties of the priesthood.

Elder H. J. Grant followed, confining his remarks principally to the young people. Dwelt at some length upon the blessing of the Patriarch and upon the prophecies of Joseph Smith.

Sunday, 10 a. m.—Elder John Stephens and Elder Christensen, returned missionaries, bore their testimony, remarking that if the Bishops would get their young men to go on missions they would save no difficulty in conducting their wards.

Bishop George A. Cardon reported the Rigby ward fully organized and in good condition.

Bishop A. M. Rverson reported the Annis ward fully organized and in good condition.

Elder Richard Lambert had been strengthened by the testimonies borne at the conference. He encouraged the young to live pure and virtuous lives.

Elder H. J. Grant continued upon the subject of infidelity; said parents, as a rule, are too careless with their children. They should teach them that it is a thousand times better to lose their lives than their virtue.

2 p. m.—Sacrament administered. The general and Stake authorities were presented by Elder H. J. Grant, and were unanimously sustained.

Patriarch Oliver N. Harmon bore his testimony to the truth of the work in which he was engaged. Had been reared and grew up in the community with the Prophet Joseph Smith.

The names of the home missionaries were presented by First Counselor H. S. Byber, and they were unanimously sustained.

Elder Heber J. Grant then occupied the remainder of the time of the conference in speaking upon the results of failure to keep the commandments of God; also upon the practical affairs of life.

Elder Steele, President of the Stake, made a few closing remarks and the conference adjourned for three months.

This has been the first conference held since the organization of the Stake. A good spirit prevailed, and all unite in declaring it one of the best conferences they had ever attended. The Primary and Relief Society conferences were held on Friday the 13th, and from the program carried out and the remarks made, these societies must be in a prosperous condition.

CURED BY USING
AYER'S Cherry Pectoral

A PREACHER'S EXPERIENCE.

"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry

Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all troublesome symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral." — E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.
