FRAGMENTS.

The slippery condition of the sidewalks the last two or three days has caused a good many persons "to take a tumble" who otherwise would not have lost their balance.

The regular weekly meeting of the City Council will be held tomorrow night with President Young in the chair. Mr. Young will act in the capacity of presiding officer while Mr. McCormick serves as Mayor of the city which will be until Judge Baskin returns from Washington.

Two young boys were arrested this morning by officer Harry Ford, for throwing snowballs at a Chinaman on State street. [illegible]

Tabernacle Services.

At the Tabernacle services yesterday, Sunday, Feb. 18th, afternoon, Elder Angus M. Cannon, president of the Stake, presided. The choir and congregation sang the hymn, "Redeemer of Israel." Prayer was then offered by Elder Arthur Stayner, after which the choir sang, "He Died, the Great Redeemer Died." The sacrament was administered by the Priesthood of the Tenth ward. President George Q. Cannon was the speaker. His discourse was based upon a portion of section 88, Doctrine and Covenants, which he first read. At the close of the address the choir sang "The Song of the Redeemed" and the benediction was pronounced by Elder J. M. Tanner.

Church University Theology Class.

The class held its regular session at the Assembly Hall yesterday, commencing at 12:30 p. m. The students were all provided with leaflets containing an outline of the work in hand. After prayer by Elder Crawford, Dr. J. E. Talmage, instructor of the class, first answered several written questions, bearing upon subjects discussed at the previous session. The seventh article of faith of the Church of Jesus Christ of Latter-day Saints was then taken up for study. It reads: "We believe in the gift of tongues, revelation, visions, healing, interpretation of tongues, etc."

The lecturer stated that spiritual gifts, which are characteristics of the work of God, were possessed by the Church to show forth the power of God among His children [illegible]
