PER WESTERN UNION TELEGRAPH LINE.

The Philadelphia Press on the Nominations.

PHILADELPHIA, 17.—In regard to the Cincinnati nomination, McClure in the *Times* says the worst elements of republicanism will rely upon Hayes to be obedient to party interests to shield future Babcocks and protect future Kelloggs and espouse the cause of future Pinchbacks of the party, and who will say that confidence is not warranted? The better men of the organization, who have faith in all its simplicity and little knowledge of Simon's "ways of power," will scan his blameless record, and seeing that he has been faithful in a few things will consent to make him ruler over many. St. Louis may make him a weak candidate by meeting the elevated demands which Cincinnati disregarded, but people will not defeat Hayes merely to give the democrats in victory. His defeat is possible and it should be made certain, but looking forward by the light of the past I can only guess and fear.

Forney's *Press* says General Hayes is a strong candidate. He lacks Blaine's positiveness. He will not be a pillar of fire by night or a cloud by day to lead us, but we believe he will be a trustworthy guide. He was a gallant soldier, an excellent Congressman, and has made a good Governor. His administration will be a respectable if not a brilliant one, and in its quietude and negative qualities recall the days of Polk, Fillmore, and Pierce. He is eminently a safe man.

Crops Submerged.

AUGUSTA, Ga., 17.—The rains have been general throughout this section for seven days past, and the crops on both sides of the Savannah have been submerged. There is a total destruction of the crops on the bottom lands. The river rose thirty feet.

WESTERN.

The Nomination—Bunker Hill—Fatal Accident.

SAN FRANCISCO, 17.—The Cincinnati nominations meet with increased favor and enthusiasm as the political situation and merits of the candidates are more fully discussed. Straight republicans and independents alike express cordial approval of the work of the convention, and the independent press of the city heartily endorse the ticket and will be a unit in its support. The responses of representative men of the party are of the most favorable character, and the democratic leaders admit that the ticket will be hard to beat. Dispatches from the interior report hearty and general satisfaction on the part of press and people.

The anniversary of the battle of Bunker Hill was celebrated by a salute from the fortifications at midday and a general display of bunting in the city and on the shipping in the harbor, and excursions and reunions by a number of civic societies.

A heavy wind to-day blew down a partly completed three-story frame building, killing one woman and injuring several men, one probably fatally.

FOREIGN.

TURKEY.

New Ministers.

CONSTANTINNPLE, 17.—Safret Pasha has been appointed minister of foreign affairs, Abdul Kerim Nadir Pasha, minister of war, and Halil, chief minister of justice.

BELGIUM.

Renewed Demonstrations.

ANTWERP, 17.—The anti-clericals renewed their demonstrations in this city to-night. Shouts were raised of "long live the King! Down with minister Malone!" The civic guard, however, was not called out, as there was no violent disturbance of the peace.

CORRESPONDENCE.

Settlement of West Weber—Improvements — Schools — Societies — Crops, Etc.

WEST WEBER, Weber Co., June 13, 1876.

Editor Deseret News:

About the year 1858, there were about twelve families moved from other settlements to what was then known as the Big Bend of Weber, where Woodmansee and Brothers had a herd of stock. We commenced to make farms and to build houses and make corrals. We labored under adverse circumstances for several years, on account of the want of strength, as our canal was very expensive. We were poor indeed in temporal things, but we enjoyed much of the good spirit and our settlement kept growing, and after a hard struggle we began to get better off. We have expended, I feel safe to say, some $25,000 or $30,000 on our canal since our first settling this place. Notwithstanding our loss of crops for want of water, and grasshoppers, we feel that the blessing of God has attended our labors, temporally and spiritually. Our settlement is somewhat scattered over a vast tract of country. We number somewhere about 400, and our settlement is still growing and prospering, for which we feel thankful to God for all his mercies and blessings to us. As a settlement we enjoy good health and our crops look prosperous and well.

We have a meeting house built of adobies, some 56 feet in length and 33 feet in width. This house has been built by donation by the brethren. We have a good schoolhouse built by taxation. We have two good day schools in good running order. We have a good Sunday school superintended by Elder Nathan Hawkes. We have a good Elders' Quorum, some thirty-nine members, presided over by James F. Hunter. We have a mutual improvement society of young men, about forty in number, presided over by William Elsworth. We have a Seventies' meeting, presided over by H. McFarland. We have a good relief society, about sixty or seventy in number, presided over by Sister Mary Douglass. All these societies are prospering and doing well. We are beginning to give our attention to raising sheep also.

I wish to state that last fall Sister Zina Young, of Salt Lake City, gave me some silk worm eggs. We took care of them, and now my family has about 1,200 worms hatched out and doing well.

I think that West Weber can compare with any settlement in the country according to age and current circumstances in all things. I may say we have done a good share to help out the poor from old Babylon from year to year, and we feel to go ahead with the good work of God. The people and teachers feel well and as a general thing are united.

Rocky Mountain Pills

A VALUABLE MEDICINE,

From New and Rare Medicinal Plants recently discovered in the Rocky Mountains!

PURELY VEGETABLE.

FIFTEEN years of earnest botanical research among these mountains and valleys have resulted in the discovery not only of many new varieties of plants, but of new species, some of which have wonderful medicinal curative properties. By continued experiments their virtues have become known—and thus from extracts of these newly discovered plants are these pills compounded.

If properly used, they will cure very many diseases, pains and aches, and are more especially valuable in DYSPEPSIA, LIVER COMPLAINTS, INDIGESTION, JAUNDICE, and all cases of FEVERS, COLDS, URINARY AND KIDNEY DISEASES, RHEUMATISM, COSTIVENESS, HEARTBURN, DIARRHŒA, MUMPS, MEASLES, for PURIFYING THE BLOOD, and for many other diseases, and all cases of BILIOUSNESS and DISORDERED STOMACH.

On orders accompanied by the cash or postal orders I will send safely by mail, postpaid, 1 box Pills for 25 cents; 1 dozen boxes, $2.50; 1 gross boxes, $24.00.

J. E. JOHNSON,
St. George, Utah.
