MISSIONARY REUNION.

Elders Who Have Labored on the Pacific Islands to Jubilate at Lagoon.

Steps are being taken to have a grand reunion of all the Elders who have filled missions to any of the islands of the Pacific, during Jubilee week. The Lagoon has been chosen as the place, and Monday, July 19th, as the date.

A general committee to take charge of the affair, consisting of Elders John T. Caine, James L. Rowe, William Paxman and Joseph H. Dean has been appointed, and they in turn have chosen a sub-committee of five for each separate island mission. The committees are all busily at work devising ways and means to make the affair a grand success. The above date was chosen so that those who desire to attend can take advantage of the cheap Jubilee rates and at the same time be present at the Jubilee festivities.

Invitations are being printed and will be sent to every returned missionary, or if dead then to their families and to the families of those who are now filling missions on any of the islands, as well as to all converts from any of the missions who have emigrated to Utah.

Among the festivities it is the intention to have a feast with food cooked in the native "umus" and dished up in Polynesian island style. Later in the day an entertainment will be given consisting of hymns, songs and speeches in the different native languages, reminiscences by Elders and dances by the natives.

These gatherings are looked forward to with pleasant anticipation by the missionaries, as they bring together old companions and fellow laborers in the vineyard of the Lord who in many instances have not seen each other since their return home. This will doubtless be one of the notable gatherings of the year.

HIGH SCHOOL BOOKS

Pupils Will Hereafter be Requested to Furnish Them.

GRADE BOOKS ARE STILL FREE.

Bids for the Tenth Ward School Building Rejected a Second Time for Being Excessive.

The board of Education held a busy session last evening and adopted text books for the city schools for the coming five years. A change was inaugurated with reference to the High School. Hereafter the pupils of that institution will have to provide their own books, except those who are unable to do so. This class will be supplied by the board. All grade text books will be furnished to the pupils free of cost to them as heretofore. Contracts for plumbing, plastering, painting and galvanized iron work are yet unlet. By the rejection of the bids the board will be able to save several thousand dollars.

Mr. Isaac Horner, proprietor of the Burton House, Burton, W. Va., and one of the most widely known men in the state, was cured of rheumatism after the years of suffering. He says: "I have of sufficient command of language to convey any idea of what I suffered, my physicians told me that nothing could be done for me and my friends were long expecting that nothing but death would relieve me of my suffering. In June, 1894, Mr. Evans, then assistant in the Wheeling Dispatch, recommended Dodridge's Pain Balm. At this time my feet and limb were swollen to more than double their normal size and it seemed as though my leg would burst, but soon after I began using the Pain Balm the swelling began to decrease, the pain to leave, and now I consider that I am entirely cured.
