San Francisco, 30.—The *Chronicle* to-day publishes exhaustive crop reports from all sections of the State, showing wheat in good condition.

Boston, 29.—The steamer *Catalonia* arrived from Liverpool to-day with 1,200 steerage passengers, the most of whom are brought at the expense of the British government.

St. Louis, 30.—The Gould party arrived to-day. A subpœna was served on Mr. Gould this afternoon in the suit against the Missouri Pacific, known as the Poplar street track, and his deposition will probably be taken to-morrow.

St. Louis, 30.—Prominent prohibitionists are taking preliminary steps to organize a prohibition alliance in this city for the purpose of combining their forces both here and throughout the State for active, effective work in the next political campaign.

Guaymas, 30.—A special train arrived this morning, having on board Vice-President Edmunds, wife and daughter, Miss Arthur, niece of the President, and a party of ladies and gentlemen from the East. Ottawa, 30.—The Indian Department instructed the Acting Assistant Indian Commissioners at Winnipeg to remove 3,500 Indians from Fort Walsh to Onopelk reservation. It is said the Indians are not satisfied with the change, as the land is not so suitable for farming operations.

San Antonio, Tex., 29.—A dispatch says, Governor Madro Coahuila, in Mexico, sold 500 leagues of land in the Sabine River region, a few days ago, to the representative of an English syndicate, for the nominal price of 10 cents an acre. The land will be used for ranch purposes. Little of it is suitable for cultivation.

Steubenville, 30.—The Scott liquor law was decided unconstitutional by Justice May this afternoon. A saloonist selling without the written consent of the landlord was arrested. The defense was that the law is unconstitutional because it impaired existing contracts. The justice gave an opinion that the law is unconstitutional because the tax was unequal and impaired existing contracts.

Dubuque, Iowa, 30.—News is received of the death of E. A. Collins, of Shelby County, Iowa, formerly a partner of Gen. Grant's father and brother in the leather business. When Grant, then a retired army captain, was in 1861 appointed colonel of an Illinois regiment, Mr. Collins loaned him the money with which to purchase his horse and outfit. Grant remembered, and was always a true friend to Collins.

Mexico, 30.—Don Pedro Gutierriez, Governor of San Luis Potosi, and brother of the Minister, and Esther Guzman, daughter of Ramon Guzman, the well known capitalist and director of the Mexican Central Railroad, were married this forenoon. Murdock, Barrett, McCullough, Louis James, A. Langdon, Kate Forsyth and Marc Wainwright in the leading parts. The mechanical part of the performance moved like clockwork. Vast as the stage was and massive as were the properties, there were no tedious waits. It cost $20,000 to put this play on the stage, yet all was done as smoothly as in an ordinary theatre.

The Bad and Worthless are never imitated or *counterfeited*. This is especially true of a family medicine, and it is positive proof that the remedy imitated is of the highest value. As soon as it had been tested and proved by the whole World that Hop Bitters was the purest, best and most valuable family medicine on earth, many imitations sprang up and began to steal the notices in which the press and the people of the country had expressed the merits of H. B., and in every way trying to induce suffering invalids to use their stuff instead, expecting to make money on the credit and good name of H. B. Many others started nostrums put up in similar style to H. B., with variously devised names in which the word "Hop" or "Hops" were used in a way to induce people to believe they were the same as Hop Bitters. All such pretended remedies or cures, no matter what their style or name is, and especially those with the word "Hop" or "Hops" in their name or in any way connected with them or their name, are imitations or counterfeits. Beware of them. Touch none of them. Use nothing but genuine Hop Bitters, with a bunch or cluster of green Hops on the white label. Trust nothing else. Druggists and dealers are warned against dealing in imitations or counterfeits.

The Secret

of the universal success of Brown's Iron Bitters is simply this: It is the best Iron preparation ever made; is compounded on thoroughly scientific, chemical and medicinal principles, and does just what is claimed for it—no more and no less.

By thorough and rapid assimilation with the blood, it reaches every part of the system, healing, purifying and strengthening. Commencing at the foundation it builds up and restores lost health—in no other way can lasting benefit be obtained.

79 Dearborn Ave., Chicago, Nov. 7.

I have been a great sufferer from a very weak stomach, heartburn, and dyspepsia in its worst form. Nearly everything I ate gave me distress, and I could eat but little. I have tried everything recommended, have taken the prescriptions of a dozen physicians, but got no relief until I took Brown's Iron Bitters. I feel none of the old troubles, and am a new man. I am getting much stronger, and feel first-rate. I am a railroad engineer, and now make my trips regularly. I can not say too much in praise of your wonderful medicine. D. C. MACK.

BROWN'S IRON BITTERS does not contain whiskey or alcohol, and will not blacken the teeth, or cause headache and constipation. It will cure dyspepsia, indigestion, heartburn, sleeplessness, dizziness, nervous debility, weakness, &c.

Use only Brown's Iron Bitters made by Brown Chemical Co., Baltimore. Crossed red lines and trade-mark on wrapper.

ADAMS, N. Y., Jan. 20, 1882.

DR. B. J. KENDALL & CO., Gents—Having used a good deal of your Kendall's Spavin Cure, with great success, I thought I would let you know what it has done for me. Two years ago I had a spavin a colt as was ever raised in Jefferson County. When I was breaking him, he kicked over the cross bar and got lame, and tore one of his hind legs all to pieces. I employed the best farriers, but they said he was ruined. He had a very large the curbs, and I used two bottles of your Kendall's Spavin Cure, and it took the lumps entirely off, and he sold afterwards for 1,800 dollars. I have used it for bone spavins and wind galls, and it has always cured completely and left the leg smooth.

It is a splendid thing for rheumatism. I have recommended it to a good many, and they all say it does the work. I was in Watertown & Kendall's drug store, in Adams, the other day, and saw a very fine pickerel you sent them. I tried to buy it, but could not; they said if I would write to you that you would send me one. I wish you would, and I will do you all the good I can.

Very respectfully, E. S. LYMAN.

DR. B. J. KENDALL & CO., Gents—Sample of Spavin received to-day. Please send me one dozen of my last order, printed on one side only. The Kendall Spavin Cure is in great demand with me, and not only for the quick, but for human ailments also. Mr. Jos. Works, one of the leading farmers in our county, applied it to his wife, and knowing the virtues of the remedy for horses, tried it on himself, and it did far better than he had expected. Cured the spasm in very short order.

Please respectfully, C. O. THIERAND.
