DOINGS ON THE TURF IN EAST AND WEST

Some Race Track Gossip that Will Interest Local Horsemen.

EVENTS AT CALDER'S TODAY

Few Facts About Crabtree's Fast Animal, "Crab Apple"—John T. Mackay to Handle Alpha W.

The Granite stake has an outing at Calder's today, and the chief feature will probably be the horse races arranged for this afternoon. The races will serve to whet the appetite of race fans for the doings at Agricultural park next week.

The program this afternoon consists of three events—two running races and one harness race. The events follow:

First race, five-eighths mile run, 3-year-olds and upward—Dorl, owned by Charles Mulholland; Mocorito, owned by George Wentworth; Argot, owned by Pat Ryan.

Second race, mile run, 3-year-olds and upward, weight for age—Ishalana, owned by Charles Mulholland; Red Cross Nurse, owned by George Wentworth; Mr. Palladine, owned by Pat Ryan; Governor Shoupe, owned by Pat Malloy.

Third race, mile, free-for-all, for horses south of Salt Lake City—Several entries; no names or pedigrees.

MACKAYE WILL DRIVE.

J. T. Richards, owner of Alpha W, announces that he has secured the services of John T. Mackaye to drive the speedy mare in the races at Agricultural park next week. Mr. Mackaye handled the ribbons on this speedy animal when she when a mark of 2:08, and he will be able to get all there is out of her in the coming meet. Mr. Richards is satisfied that with proper handling his mare will make a great showing.

One of the horses of this city that will make the best of them mighty hard to catch will be C. F. Crabtree's Crab Apple. This horse is one of the fastest in the city, and has a splendid record made on Los Angeles tracks last winter. The horse was a bit unfortunate toward the latter part of the meets, his stomach going wrong. In the opinion of prominent horsemen, Crab Apple would have captured all the 1:13 events had it not been for the illness. He made a mark of 2:10, and did the last quarter in 30½ seconds. That's going some.

ON OTHER RACE TRACKS.

Portland, July 18.—A. R. Diamond, president of the Multnomah Fair association, has returned to Portland after a three days trip to Seattle, where he went to arrange for the shipment of the horses which are to begin racing here on Saturday next. The first string of the gallopers which will take part in the forty-nine days' meeting of the association has already arrived on the track. Ten carloads were unloaded and a telegram was received announcing that ten carloads more will reach the track today. The feature of the first day's racing is the opening day handicap, in which there are thirty-seven entries. Some of the advance guard of the horses that have been unloaded are starters in this event and they have been shipped here early in order to give them rest before this big race.

CURE SICK HEADACHE.

A LETTER TO OUR READERS.

53 COTTAGE ST., MELROSE, MASS.
Dear Sir: Jan. 11th, 1904.

"Ever since I was in the Army, I had more or less kidney trouble, and within the past year it becomes so severe and complicated that I suffered everything and was much alarmed—my strength and power was fast leaving me. I saw an advertisement of Swamp-Root and wrote asking for advice. I began the use of the medicine and noted a decided improvement after taking Swamp-Root only a short time.

I continued its use and am thankful to say that I am entirely cured and strong. In order to be very sure about this, I had a doctor examine some of my water today and he pronounced it all right and in splendid condition.

I know that your Swamp-Root is purely vegetable and does not contain any harmful drugs. Thanking you for my complete recovery and recommending Swamp-Root to all sufferers I am,"

Very truly yours,
I. C. RICHARDSON.

You may have a sample bottle of this wonderful remedy, Dr. Kilmer's Swamp-Root, sent absolutely free by mail, also a book telling all about Swamp-Root. If you are already convinced that Swamp-Root is what you need, you can purchase the regular fifty-cent and one-dollar size bottles at the drug stores everywhere. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghampton, N. Y., on every bottle.

Thompson pitched for the winners, and allowed the Blackfoot crowd but two little hits during the game.

Steliz pitched for Blackfoot at first, but had to relieve Wade. Klemmer then tried his hand, but none of the opposing pitchers were able to hold down the St. Anthony batters.

FIREMEN VS POLICEMEN.

Blue Coats of Two Departments Battle For Sweet Charity.

The annual baseball game between the Policemen and Firemen takes place at Walker's field this afternoon, and if every person who bought a ticket attends the wonderful exhibition of the national pastime, the grandstand and bleachers will be crowded to the limit. Probably 3,000 tickets have been sold by the firemen and policemen. Every person who passed the stations for the past few days was held up and made to "dig" for from 25 cents to $1 in exchange for tickets.

The proceeds of the game will be turned over to Mrs. George Edgar, widow of Firemen Edgar, who was killed in the train accident at Park City recently.

JACK JOHNSON WON.

Got Decision on Foul, but Does Not Show Championship Timber.

Boston, July 18.—Jack Johnson of California won in the seventh round on a foul from Sandy Ferguson of Chelsea, before the Douglas Athletic association in that city tonight. The westerner had the better of the contest except in the first two rounds. In the seventh round Johnson fell over Ferguson and the latter struck him in the groin three times with his knee. Johnson fell to the floor and was unable to rise for five minutes. The referee then awarded the decision on a foul.

RIDERS' NARROW MISS FROM DEATH

During Mile in 1:15 Motors Break And Fall—Sensational Stunts.

SMITH AND T. M. SAMUELSON

Were Thrown Violently to the Track While Machines Tore Up the Ground—More Combinations.

For many years patrons of the saucer track have been expecting some one to be killed while riding a motorcycle. Their expectations were nearly fulfilled last night. If there was ever a mix-up with death, with the grim specter having the advantage and yet being cheated out of victims, it occurred last evening during the five-mile open motor race between T. M. Samuelson, Earl Staley, Eddie Smith and E. B. Heagren. The fact that two or more riders were not instantly killed or crippled for life is a marvel and may be attributed to pure luck.

During the second mile of this race, Samuelson was leading at a terrific pace. It is said he was making a 1:15 clip when, to the horror of the 5,000 fans assembled, the rear tire of the machine was punctured and Samuelson was thrown headlong from the motor. Earl Staley was close behind Samuelson but by luck he escaped collision with the fallen motor. Eddie Smith was not so fortunate. He crashed into the motor and barely missed the fallen Samuelson. Smith and his machine skidded around the track for a hundred feet or more and then both went down to the pavement. While the dazed riders were lying on the ground, the machines were running at full speed, plowing up the earth. There was a shout and groans from the crowd while officials fearful that a death had been recorded rushed to the assistance of Smith and Samuelson. Beyond being dazed and slightly bruised, neither man was injured but that they were a couple of badly frightened riders was evident to all. Heagren would have been in the accident, but for the fact that his machine went wrong just in time to save him, and he had gone down to the pavement and dropped out of the race. Staley rode on and was given first money.

The spectators saw another combination in the three-mile professional, when Samuelson, Hollister and Bowler teamed. Samuelson and Bowler were to team, but it was noticed that Hollister did much of the "pulling." Bardgett protested the race, but his remarks were ignorde. He got third money.

The races last night, aside from the motor accident, were regarded as very good. Ivor Lawson did not ride, and probably will not appear on the track unless he can come to some understanding with Manager Heagren. The summary follows:

Quarter-mile amateur, final—West, Wilcox, Castro. Time—:39 1-5.

Three-mile lap professional—Samuelson, Downing, Bardgett, Hopper. Time—5:59.

Two-mile lap handicap, amateur—West, scratch; Hume, scratch, Redman, scratch; Gorke, 55 yards. Time—3:56 1-5, breaking world's record of 4:04 2-5.

Unlimited match pursuit team race—Agraz and Leyland, Achorn and Heagren, Burris and Gunn; distance, 3 miles, 5½ laps. Time—7:56.

Five-mile open motor race—Staley given first, while balance of money was split between Samuelson, Smith and Hagren, account of accident.

Record Goes Glimmering.

Bretten Woods, N. H., July 18.—The record of 24 minutes 30 3-5 seconds, established last year by Harry Harkness of New York, in making the eight-mile climb over the carriage road from the base of the summit of Mount Washington, was broken no less than four times today. The first of today's contestants to break last year's record was William H. Hilliard of Boston, who, accompanied by Frank Tonwsend, driving a forty-horsepower gasoline car, reached the summit in 20 minutes 58 2-5 seconds, the new record. Stanley T. Kellogg of Springfield, Mass., drove a three-horsepower motor cycle up the steep grade in 29 minutes 59 1-5 second, only 4.5 seconds behind Hilliard's new record. Burt Holland of Newton, Mass., in a fifteen-horsepower steam runabout, made the ascent in 22 minutes 17 3-5 seconds, and Oscar Hedstrom of Springfield, on a three-horsepower motor cycle, covered the distance in 22 minutes 42 seconds.
