AN AUSPICIOUS MARRIAGE.

The Deseret News acknowledges the receipt of a wedding card in which Mr. Herbert J. Hyde announces the marriage of his sister, Sallie Hyde Douglas, to Mr. Frank B. Scharwtz. The parties are all of Chicago.

The auspicious event occurred June 1, but the card was delayed in reaching its destination, a circumstance which shall not prevent a belated expression of congratulations and good wishes.

The bride is an accomplished and estimable young lady of excellent family, and a member of a select social circle. The groom holds the responsible position of space buyer in Charles H. Fuller's Advertising Agency, a corporation that is one of the largest of its kind in the United States.

Mr. Schwartz buys probably a million dollars' worth of advertising space in newspapers and periodicals each year, and is one of the best judges of the value of that commodity in the country. He meets and makes contracts with hundreds of publishers or their representatives, and his easy, yet expeditious methods of transacting business, his rare ability and his affable manners have made him extremely popular with the fraternity.

The "News" sincerely wishes that health, long life and prosperity, with all the happiness the high contracting parties anticipate, may be the sequel of their union.
