This Means Business.

On the principal line of the Chicago, Milwaukee & St. Paul railway passenger trains are electric lighted, steam heated and protected by block signals. With these modern appliances, railway traveling at high speeds has reached a degree of safety heretofore unknown and not attainable on roads where they are not in use. Electric lights and steam heat make it possible to dispense with the oil lamp and the car stove. Block signals have reduced the chances for collisions to a minimum by maintaining an absolute interval of space between trains. For safety, convenience, quick time and close connections at Chicago for all points east there are none better. For maps, time tables, etc., call on or address L. L. Downing, Com'l Agent, 212 South West Temple street, Salt Lake City.

The blanching of the hair, and its tendency to fall off can be prevented, and the natural color restored by Hall's Vegetable Sicilian Hair Renewer.

Mr. H. Wettstein, of Marengo, Ill., found that Ayer's Pills, taken when the first symptoms of la grippe appear, prevent further progress of the disease, and he has yet to find the first case where these pills did not cure the malady. Every dose was effective.

Catarrh is a Disease

Which requires a constitutional remedy. It cannot be cured by local applications. Hood's Sarsaparilla is wonderfully successful in curing catarrh because it eradicates from the blood the scrofulous taints which cause it. Sufferers from catarrh find a cure in Hood's Sarsaparilla, even after other remedies utterly fail.

HOOD'S PILLS are prompt, efficient, always reliable, easy to take, easy to operate.

Two Deaths at Bunkerville.

Bunkerville, Nev., Nov. 18, 1897.—Our little town has lately suffered a bereavement in the loss by death of two of its most respected citizens. Ezra Abbot Abbott, son of Brother Myron and Sister Levina Abbott, died on the 1st of October, his death was the result of a kick he received from a colt about a week previous. Ezra was a good young man. He was aged 13 years and three months, was a regular attendant of the Sunday school and Mutual Improvement association and faithful to every duty assigned him by the Priesthood, and he died in full faith in the Gospel.

Also on the 13th of October, after three weeks' suffering from typhoid fever, Sister Rebecca [illegible] Waite, wife of Brother Lemuel Leavitt, was laid to rest. Deceased was born April 18, 18[illegible], in Yorkshire, England, and was married to Wm. Noble Waite Jan. 22, 18[illegible]. She soon embraced her husband's faith, that of the Latter-day Saints, and with him emigrated to Utah in 18[illegible] and settled at Hyde Park. They soon after moved to Dixie where her husband died. She was the mother of eleven children, four of whom have preceded her to the spirit world. Deceased was an estimable woman, kind and affectionate to her family and with a heart full of sympathy for all who were in distress. She had suffered much from sickness for many years past but through it all retained her hopeful and lively disposition. She leaves many friends who appreciated her excellent qualities and her family, as well that of Brother Myron Abbott, have the deepest sympathy of all in their bereavement.

Juab Stake Presidency.

Nephi, Dec. 6, 1897.

To the Editor:

On Saturday, December 4, 1897, at our monthly Priesthood meeting, by orders of the First Presidency of the Church, Apostle George Teasdale set apart James W. Paxman as president of the Juab Stake of Zion to fill the vacancy caused by the death of his father, William Paxman. Charles Sperry was set apart as counselor to Prest. J. W. Paxman. Elder Sperry served as first and J. W. Paxman as second counselors to President William Paxman. The second counselor to the new president has not yet been selected. They were unanimously sustained.

Yours,
L. A. BAILEY.

Samuel Saunders.

Mr. Arthur Stebbings of the Lowestoft (England) Journal office, desires to know the whereabouts of Samuel Saunders who emigrated with his mother to Utah about forty-six years ago from Lowestoft, England.

Coalville Items.

Coalville, Utah, Dec. 3, 1897.

To the Editor:

Last Wednesday John Lawson, of this place, who resides about a mile from the center of town, at the mouth of Grass Creek canyon, was arrested and brought before Justice W. H. Smith and tried for assault and battery; of which he was found guilty and fined in the sum of $25 and costs, and sentenced to confinement in the county jail for twenty-five days. The offense for which he was tried and convicted was inflicted upon the person of his own sister.

Your correspondent has been informed by the principal of the Stake academy that Prof. Brimhall of Provo is expected to participate in the exercises of the Polysophical society of the academy on the evening of December 10th. It is the intention of the bishopric and the presidency of the Y. M. M. I. association to secure his services if they can prevail on him to stop over till Sunday and have him speak to the people at the ward Sacrament meeting in the afternoon and at the Mutual meeting in the evening.

Preparations and practices for a grand cantata, under the auspices of the Sunday school, are being conducted by its efficient superintendent, George Beard. The date for public performance is not positively fixed, but George says it will come off some time between Christmas and New Years. We may be assured of a rare treat on this occasion, as George's [illegible] [illegible] what it starts out for. It is understood that the school is to be assisted by several professors from Salt Lake City.

Saturday papers of administration were issued to Mrs. Mary Kristensen of Park City in the estate of A. W. Kristensen, deceased, by County Clerk J. L. Boyden.

From Scandinavia.

The "News" had a call yesterday from Elder Jens L. Nielsen of Ephraim, Sanpete county, who returned yesterday Monday morning from a mission to Scandinavia. He left home on January 21, 1896. On arrival at Copenhagen he was assigned to labor in the Aalborg conference, Denmark. He enjoyed his mission, and met with excellent success. On his return trip he says the stretch of snow extended the whole distance from New York to Salt Lake City.

Elder John P. Appelquist, of the Thirteenth ward of this city also called on the "News" yesterday. He left on a mission Aug. 22, 1896, and returned Oct. 22, 1897. His labors were in the Stockholm conference, Sweden, where the Elders meet with good success. Elder Appelquist also had an [illegible] time in the ministry, in presenting Gospel truths to the people.
