Arbitrary Arrests in Paris!

Shells Falling Thick in the Streets of Paris!

WASHINGTON.

WASHINGTON, 9.—The thermometer was 74 in the shade here to-day.

NEW YORK.

Peace celebration—Paris bombarded.

NEW YORK.—At a meeting of the German peace celebration committee, to-day, ex-Governor Solomon presided, it was resolved to send a copy of the resolutions to be submitted, for adoption, to the mass meeting to-morrow, to Bismarck and the President of the Reichstag. The resolutions congratulate the German people on the conclusion of peace and the disarming of an enemy who prevented German unity; the unison of the North and South German States.—They express confidence that Germany will provide for invalids, widows and orphans, and promise assistance from the Germans of this country. They trust the people of Germany will repulse, with the same strength used against a foreign enemy, any attempt, by rulers, to abridge their rights, and express a hope that Alsace and Lorraine will be won back to fatherland, and that an alliance may be formed with the U. S., wherein so many Germans have found new homes. A supplementary to the festival will be held to-morrow evening in the Stadt theatre. The houses on the German section of the city are decorated with flags of the U. S. and Germany and the streets are thronged.

Tribune's cable dispatch, Paris, 9.—There has been cannonading all day. The Champs Elysees are completely deserted, and the national guards are hiding in cross streets, seeking protection from the shells which fall in every direction, many of them close to the American legation. The result of forty-eight hours' cannonading is, that the Versailles troops have crossed the Seine and occupy Sablonville and Long Champs. The drawbridge and the gate of Porte Maillot are broken.

New York, 9.—The thermometer at noon was 88; at 9:30 it commenced to fall rapidly, at 9:30 marked 66. There was a fine auroral display to-night seriously affecting the telegraph wires in all directions.

PENNSYLVANIA.

Incendiary fires.

PHILADELPHIA, 9.—The thermometer to-day marked 81.

POTTSVILLE, 10.—The premises of Jenkins & Terry, coal brokers at Locust run, were destroyed by fire last night. About the same hour the stable of H. A. Moody & Co., containing sixteen mules and the blacksmiths and carpenter shops of Agard, Moody & Co., at corners patch, together with their entire contents, were destroyed by fire. All these fires were the work of incendiaries. Operations are exercised in this county for the safety of property, it being feared that the Ku Klux is spreading to that region. The loss by these fires is heavy.

MONTANA.

Heavy Storm—Trains attacked by Apaches.

HELENA, 10.—There is a heavy storm of snow and rain throughout the Territory. On Friday nine inches of snow fell on the mountains. The streams are swollen and bridges are washed away. A late arrival from Bozeman contradicts the report of the Indian massacre.

On the first instant the Apaches captured Jones' freight train and over twenty mules and killed Dutch Henry, one of the drivers. John Burger, of Prescott, one of the oldest residents, was attacked near Wickenbury and wounded. His companion was killed.

The schooner *J. S. Roscoe*, of San Francisco, was lost at Rawack, Alaska. The crew was saved in the Dutch bark *Christie*.

Joseph Dion and Rudolphe played seven four ball game games, two hundred and fifty points each, for a hundred dollars a game, lasting until daybreak this morning. Rudolphe was one game ahead.

MISSOURI.

Raid on Gamblers.

ST. LOUIS, 10.—The police inaugurated a raid on the gambling houses last night, capturing a number of places with about two hundred patrons.

FOREIGN NEWS.

GREAT BRITAIN.

Bombardment.

LONDON, 10, 3:30 a. m.—The government forces at Paris, are encamped in Courbevoie and occupy the bridge Neuilly, and are barricading in the village and on the bridge. The Communists have reinforced the artillery at Porte Maillot and Porte des Terres. Mount Valerien and the batteries at Courbevoie maintained an incessant bombardment all day yesterday. Their shells fell beyond the Arch of Triumph. The nationals evacuated the Champs Elysees and occupy the adjacent streets. The efforts of the communists to force the citizens generally to take up arms so far have failed.

FRANCE.

Before Paris, Sunday night, *via* London, 10, 4:30 a. m.—It is reported that the Versailles troops have crossed the Seine at Osnieres, and are concentrating at Long Champs. Arbitrary arrests are increasing inn umber in the city. Many more have been thrown into prison. Church services are generally suspended, and the doors of the cathedral of Notre Dame have been closed. General Bergeret is under arrest. The party of conciliation are redoubling their efforts. They had a public meeting in favor of peace, at which members of the Commune were present. Additional barricades are thrown up in the quarters threatened by th ebesiegers.

Caution to the Public.

THE ORIGINAL and GENUINE SUGAR-CURED

"DUPEE HAMS!"

Are branded, viz.:

C. B. DUPEE (only)

ANY other brand than the above, with a similarity of the same, is a fraud, and is done to deceive the purchaser.

C. B. DUPEE established the brand of the "DUPEE HAM" in 1854, in Chicago. Thus unprincipled dealers seek to profit by his established reputation, and advertise themselves as curers of the Celebrated "DUPEE HAMS." I am connected with no other Dupee, or any other firm in the curing of HAMS, BEEF or BACON. I therefore again call particular attention to purchasers to

☞ "Look well to the Brand!"

And see if it is "C. B. DUPEE" (only), otherwise they may be deceived and purchase an inferior article for the genuine.
