SATURDAY'S EVENTS.

Saturday's races saw three out of six favorites finishing first with the other three near favorites being well played. The largest crowd of the season was on hand and everybody seemed to enjoy the sport.

One feature came in the fourth when Goldtoter, a favorite, covered a mile in 1:41, the fastest mile made at the track this season. Cadichon and Arcourt both ran well.

In the fifth race there was a distinct surprise when Biskra, the favorite, was unable to pass Rustling Silk. The latter was slated at 8 to 1, but there was not much play on her and the books had cause to be thankful. So far the meeting has been conducted along clean lines and has been free from the disagreeable incidents that characterized the spring meeting. The mile track with wide stretches and turns has prevented accidents and gives the jockeys practically no chance for rough work.

SALT LAKERS TO ENTER AERIAL GAME

When it comes to any kind of sport that appears popular, Salt Lake is by no means behind the times. For many months certain Salt Lakers have been reading about the Wright brothers, Curtiss and others who have invaded the winged world, and they have decided to take up the sport of flying.

With this idea in view, a meeting has been called for this evening at the home of W. Powell, 259 south Third East street, for the purpose of organizing the Aero Club of Utah. Those who will meet this evening are: S. H. Gilson, A. J. Ayers, Joseph Ehert, L. R. Culver, W. Powell, Iver Redman, Arthur Jennings, Clarence Hall and others.

A number of those interested in the movement have already built models and have applied for patents. Members of the organization say that there is a wonderful field here for aeroplane work and that conditions near the lake are just about ideal.

SALT LAKE HIGH IS READY FOR GRANITE

Every afternoon this week the Salt Lake high school football team will put in hard licks under the direction of Coach "Dad" Concill, assisted by D. A. Callahan, "Tub" Hennessey and Dr. Murphy. The boys in the squad have but one thing on their minds: The game Saturday afternoon with the Granite high school eleven. They realize they are going up against a strong team and propose to get themselves into the best possible shape for the gridiron struggle.

Coach Concill admits that he has practically selected his men for the first team, but as there might be some changes he does not care to announce the line-up until later in the week.

OCCIDENTALS WIN.

The game at Bingham yesterday between the Occidentals and the Yampa smelter team, was captured by the colored boys. The Yampa team went to pieces early in the game and the Occidentals were quick to take advantage of it. Each team has won a game in the series. The batteries were as follows: Occidentals, Harrison and Langley; Yampa, Smith and Scott.

TED COY, YALE'S GREAT FULLBACK; INJURY MAY KEEP HIM OUT OF GAME.

Judging by the rumors now in circulation in the Yale football camp, Ted Coy, the blues' captain and sensational fullback, will not be able to get into the game until the first week in November, and even this is a matter for conjecture. Coy recently underwent an operation, and it is believed that his physical condition will prevent him from participating in a hard contest. Coy was injured in the game against Harvard last fall, but paid little heed to the bruise. While practising punting during the summer the injury developed, and the doctors at Yale university deemed an operation necessary. Coy is one of the greatest fullbacks the game ever knew. His sensational work against Princeton last fall was one of the principal features of the 1908 season. As a punter he has few equals. Last year he was selected as all American fullback. Should he be unable to play Yale will be greatly weakened.

JAPANESE AGAIN BEAT AMERICANS

Tokio, Oct. 4.—The University of Wisconsin baseball team lost a chance to tie Keio university's nine today when the visitors went down to defeat in the fourth game of the series, three of which have been won by the Japanese. One run, as in all the other games, decided the contest in favor of Keio, 5 to 4. Eight Japanese reached first to seven Wisconsin men, while the six errors were evenly divided between the two teams.

LEWIS IS CONFIDENT.

New York, Oct. 4.—Local followers of pugilism, who have been watching Willie Lewis in training, believe that he will have a surprise in store for Billy Papke, when they meet in Pittsburg next Friday. Lewis, who has whipped Sailor Burke several times, has a terrific punch which he has been cultivating for Papke and his friends now declare that he knows Papke's vulnerable points and will devote all his energy to landing a knockout blow on Papke's chin.

FRENCH PUGS COME TO MEET AMERICANS

New York, Oct. 4.—Following the successful invasion of Paris by American pugilists, two French fighters, who have been schooled in the American methods, have arrived here in quest of fortune.

One of them, Henri Piest, was discovered by Frank Erne in his school in Paris, and was so well trained that he whipped every light-weight with the exception of Freddie Welsh, and it is said that for 15 rounds he had an even show with the phenomenal English light-weight until he strained a leg and was compelled to retire, Welsh securing the decision. The other fighter is Charles Adolphe, who is not so well known as his companion, but who is rated as a good man.

As the fighting game is at a standstill in this city, the two Frenchmen will seek engagements in western cities.

RUSH TO GET TICKETS FOR CHAMPIONSHIP SERIES

Pittsburg, Pa. Oct. 4.—The rush to secure seats for the world's championship baseball series, to begin this week, is the greatest in the history of the game. Secy. Locke, who has charge of selling the tickets by mail, said that thousands of remittances would have to be returned to senders because of the great demand.

Already the capacity of the park reserved for mail orders has been exhausted and the staff of 14 clerks is working overtime. Locke has three bank clerks assisting him and three adding machines are in constant operation.

The work of handling all the postal cards and returning tickets keeps the entire staff busy.

From the orders received for reservations it is calculated that thousands of attendants from other National and American Leagues cities will attend the championship series. Orders were received from Chicago, Philadelphia, New York, Cincinnati, St. Louis and other cities for seats in great bunches.

HIGH SMOTHERED BY MADDOCK'S MEN

U. of U. Takes First Game of Season From Ogden Gridiron Warriors 37 to 0.

In the opening game of football of the season between the University of Utah and the Ogden high school, at Ogden Saturday afternoon, lovers of the great college game saw good and bad football. The first half was all that could be asked for. The play was clean, devoid of wrangling and some good work was done on both sides, but the second half was noticeable for continuous wrangling and delays. The U. of U. won by a score of 37 to 0, but this does not mean that Ogden did not play well. The second half was replete with roughness, wrangling and crowds rushing on the field interfering with the play.

Both teams did well in the first but the second was a miserable exhibition, the players apparently being "up in the air." There was a mix-up between Checkets of Ogden and Loell of Utah. The Ogden man seized Loell by the throat and the latter landed on the Ogdenite. For this Loell was ruled out of the game, and Doolittle took his place.

Capt. "Tillie" Olsen and "Tiny" Home were the only old timers on the team when the eleven ran onto the gridiron at the beginning of the game. Ogden looked for a bunch of green ones but in this the home team was fooled, so far as the play was concerned. Utah simply smothered the Junction city boys and the latter did not have a chance to win.

Maddock's men played with considerable ginger during the first part of the struggle and piled up score after score although the Ogden boys played desperately to hold their heavier opponents.

The game served as excellent practise for the Utah men and Coach Maddock and Capt. Olsen are more than pleased with the showing made. Maddock is confident that he will be able to whip into line a team that will compare favorably with last year's eleven.

The line-up was as follows:

Ogden.		Utah.
Johnson	Left end	Shores.
Checkets	Left tackle	Home.
Smith	Left guard	D. Olsen.
Littlefield	Center	Korns, Nielson.
Sample	Right guard	Christenson, Jensen.
Watson	Right tackle	Horsefall.
Stone	Right end	V. Olsen.
Oldham	Quarter back	Lave, Carmich'll
Boyle	Left half back	Schwitzer.
Evans	Right half back	Walker.
Douglas	Full back	Loell, Doolittle.

A. Hansen, referee; A. Mitchelsen, umpire; J. O. Cross, head lineman; Monahan, field judge; Roack and Kerr, timers.

Time of halves, 25 minutes.

AMERICAN DEFEATS JAP IN MARATHON

Honolulu, Oct. 3.—An international Marathon was run here this afternoon and resulted in a victory for Nigel Jackson, an American, over the Japanese champion, Tsukomoto, who gave up soon after the fourteenth mile, when Jackson was a mile and a half ahead.

The race caused great excitement and many wagers were made on the Japanese by his compatriots, which were promptly covered by the American sporting men. Jackson made the pace from the start, with Tsukomoto running close up for more than 13 miles, when the American's superior stamina began to tell, and the Japanese was forced to stop with his trainers at the fourteenth mile. He made a desperate effort to close up the distance, but after running a mile he gave up. Jackson outgaming him even in the sports.

Jackson ran the rest of the 26-mile course in easy fashion and crossed the line amid the cheers of the Americans in the immense crowd of both nations.

FRANK KRAMER IS AGAIN CHAMPION

New York, Oct. 3.—For the ninth consecutive year Frank L. Kramer is the American professional sprinting champion of the cycle tracks. On the Vailsburg track at Newark today he won the five-mile professional championship from Jack Clarke, the Australian, his nearest rival.

Fogler, Root, Pye, Bardgett and Hehir defaulted on a controversy over the rules.

The final scores of the riders in the points table follow: Kramer, 42; Clarke, 36; Fogler, 19; Root, 10; Krebs, 7; Demara, 5; Anderson, 4; John Bedell, 4; Stein, 3; Lawson, 3; Fenn, 3; Menus Bedell, 3; Billington, 1.

CHAMPIONSHIP SERIES.

Pittsburg, Pa., Oct. 3.—Betting on the championship series has become brisk. A telegram from New York, received in the press box, offered to bet $1,500 at two to one on Detroit. This was snapped up two minutes after it was received and when the answer was returned that the bet would be made tomorrow an offer of nine to seven on Pittsburg was thrown to New York as a bait. The fans here are backing the local team heavily.

The regulars are taking life easy at present, doing only enough work to keep them in shape. Clarke is conserving his strength for the great struggle. Thousands of fans will go to Detroit from Pittsburg to see the games in that city.

YVES'S HEART FAILS.

Montreal, Oct. 3.—Henry St. Yves, the famous French long-distance runner, collapsed in the twenty-third mile of a race here today. Physicians declared that his heart was affected and that he probably would be unable to run again.

His opponent, Hans Holmer of Quebec, finished strong, covering the Marathon distance in 2:32:40, a new record if the track is found to measure correctly.

Today's win gave Holmer his sixth straight victory since June. St. Yves was leading by a few yards when he went down.

"PENNY" GOSSIP.

Indoor sports, handball, basket-ball and baseball will start soon at the Y. M. C. A. The gymnasium classes started today.

Word comes from Paris that big Jim Jeffries has made the announcement that his fight with Jack Johnson will take place at San Francisco early in April, probably the 19th or 11th of that month.

Those Pittsburgers must have a big bunch of money if reports are true. It is said that ardent baseball fans are willing to wager $50,000 that the pirates will lift the scalps of the Detroit tigers in the championship series.

At the close of the 30-day meeting at the Buena Vista track, a number of horses will be shipped to Florida as there will be racing in that state during the winter. A. Wilson is arranging to take a string of fast ones down south in a few weeks, and expects there will be at least 10 in the string.

There is considerable speculation here on the outcome of the fight between Jack Johnson and Stanley Ketchel, scheduled to take place at San Francisco on the 12th of this month. The big black is the favorite in the betting, the odds ranging from 5 to 2 to 3 to 1. Both men are training hard for the struggle and Johnson seems to be really trying to get into fair shape. Since the Burns fight his training consisted mostly in eating pork and chicken and riding about in an automobile. It is apparent that he has a wholesome respect for this Ketchel person.

Local baseball fans are to have a chance to see a couple of the big league teams in action, if present plans do not go wrong. The Philadelphia Americans and the Cincinnati Nationals expect to come west this month, the scheme being to play a series of games on the coast. Arrangements are being made for the teams to play at Walker's field probably on the 20th.

Pittsburg has won their pennant four times, in 1901, 1902, 1903 and 1909. This gives Manager Clarke the distinction of being the only manager in the National league today with a record of four pennants. Only three other managers of major league clubs ever surpassed this record. They were Anson, Selee and Hanlon, whose teams won pennants five times. Five players hold the record of being members of a club that won the pennant four times. They are Manager Clarke, Shortstop Wagner, Center Fielder Leach and Pitchers Leever and Phillippi. Pittsburg is the best hitting team in either major league, having 1,352 bingles to their credit, including 204 doubles, 88 triples and 24 home runs, and is second in fielding, Chicago being first. The Pittsburg team is strong in having the second division of its line-up the hardest hitting aggregation of any second division in any major league club. These men are Miller, Abstein, Wilson and Gibson.

Perhaps the happiest man in the United States over the fact that the Chicago cubs lost the National League pennant is Johnny Kling, the former world's champion catcher. After he learned that Pittsburg had clinched the pennant, Kling said: "Well, I am tickled to death. It is the best news I have heard this year. Show me the man who would not be pleased at the result had he been placed in my position," he said. "Murphy refused to do the right thing by me. Perhaps that had nothing to do with the result, but I have found that when people try to hand it to others they generally get it handed to them sooner or later." Asked if he thought the cubs would have won the pennant had he retained with the team, Kling said he did not care to discuss that phase of the situation. "But you know they didn't put up an extra article of ball early in the season," he continued. "Perhaps if I had been on the line-up there wouldn't have been so many bases purloined, and perhaps I might have swatted out a timely hit now and then that might have turned the tide in some of the games. Then, again, the pitchers might have gotten off better with someone they were in the habit of working with. But who can tell? The pirates certainly played the game the entire season and I doubt if any one man could have changed the final result."

HUNDREDS WORKING TO SAVE A MAN'S LIFE

Sayville, L. I., Oct. 4.—Taking their turns in shifts of two or three, more than 500 men gathered from the countryside for miles around, worked all yesterday and toiled throughout the night in the hope of extricating from under 60 feet of earth and sand, John Coffen, who lives with his father on a farm two miles north of Central Islip.

Coffen is buried in a well and there is little chance that the young man will be found alive.

NATURAL DEATH OR POISON?

Los Angeles, Cal., Oct. 4.—Jacob Finkelstein, a liquor dealer doing business at Mexican ports, claims that Mrs. M. A. Whittingham, a relative of State Senator John P. Jones of Santa Monica, met her death in a hotel at Manzanillo by poisoning. Other passengers on the German steamer Erna which docked today from the Mexican port, state there was no foul play, but that Mrs. Whittingham died from natural causes.

Among the passengers could be heard the two sides of the tale from the Mexican port. Finkelstein claims poison was administered, the object being the possession of a money belt, which Mrs. Whittingham wore, and which is said to have contained considerable money.

FLAMING HIGH DIVER PLUNGES T OHIS DEATH

San Francisco, Oct. 4.—Several hundred persons saw John Mangels, a "flaming high diver," plunge 97 feet to probable death at a local amusement park here last night when he failed to rise from the shallow tank into which he drove head-on. Mangels is known on the bills as "Towers," and made the leap nightly clad in a sheet of flames from oil-soaked cotton. He is believed to have miscalculated the distance and shot like a comet into the tank from which he was removed with a broken neck. Doctors say he cannot live.
