Maple and Glasgow Make Plea for Employment of Home Teachers—Charge Against Eddingfield.

At the meeting of the board of education last night the former action dismissing Principals Hallock and Webster was reconsidered and they were retained. The case of Principal McCoy and also the vote on the employment of Principal Eddingfield went over till next meeting.

The board went into executive session, but voted to admit reporters. Mr. Critchlow dissented and then locking the room for most of the evening. On the question of taking up the employment of Principal Eddingfield went over till next meeting.

The board went into executive session, but voted to admit reporters. Mr. Critchlow dissented and then locking the room for most of the evening. On the question of taking up the employment of Principal Eddingfield went over till next meeting.

Mr. Maple moved that the name of Mrs. Horace Cummings be substituted for that of Mrs. E. Chase as teacher of physiology in the high school, stating that the board had refused to re-elect Mrs. Cummings because of her action as a member of the Legislature in forcing a bill making the superintendency of schools an elective office. The motion was lost. Maple Newman, Young and Glasgow voting aye, and Critchlow, Wilson, Walker, Holden, Buchberger and Hoshscheid voting no.

Mr. Morris then moved that in the place where list of teachers the name of Emma Hammond be substituted for Emma J. Mitchell, Hazel Davis for Anna M. Sackett and Lucy Richards for Ella R. Mortimer. The following members the motion, giving as his opinion that the home element had not received proper recognition. Messrs. Critchlow and Buchberger opposed the motion and it failed. The original motion on the list as it came from committee were then approved, Maple, Newman, Glasgow and Newman voting aye.

Mr. Morris asserted that Principal Eddingfield had taken an action part in school board elections by demanding and procuring resignations of the teachers to aid in the election of certain members of the board, and that he was not a strong and efficient principal. Mr. Greener said that at the school meeting in 1897, Mr. Eddingfield had been
