REPUBLICANS HAVE THEIR TURN

Result of the Fifty-Two Primaries Held Last Evening.

ATTENDANCE VERY LARGE.

Ezra Thompson Appears to be in the Lead for Nomination for Mayor and Hoy Naylor for Recorder.

The Republican primaries, held last night to elect delegates to the municipal and ward conventions, brought out a heavy attendance of voters all over the city. The delegations are entirely satisfactory and naturally the choice for a candidate for mayor is not a certainty. However, almost every of the different delegations reported the sentiment among them as being solid for Ezra Thompson. George Burton, it would seem, really comes next and Will Lynch has some following.

The primaries were entirely harmonious, and there were no contests of note except in the Sixty-Fourth district, where A. A. Robertson showed an opposition movement.

From all reports received it appears that Ezra Thompson will be the Republican candidate for mayor and Lieut. H. C. Naylor for recorder. Aside from these two nominations there does not seem to be any particular advantage for any candidate.

PARDON OF A PIRATE.

A great sensation has been caused in France through a case which has just ended of the pardon by President Loubet of one Dupuis in 1898 two brothers of Belgian nationality, running as Greek, and sometimes Turkish, but named really Dupuis, were put on trial at Brest for piracy. The Miaoulis, a small schooner in the coasting trade in the Black Sea, sailed from Tulcea under the command of a master. The cargo, valued at 6,000 francs, being in the care of William Gibson, Alexander Burbige was on board, a passenger. Some time later a somewhat similar ship, but now bearing the name of Rut, was found at Pozzuli with Joseph Burbige in command and Alexander as mate. A Tulcii native, Tilsy, the shop's cook, brought a charge against the brothers of having shot the captain and Gibson and thrown them into the sea. He also said that they had put third Nice natives, and that the of the crew jumped overboard.

According to the Burbiges, the tale had drawn himself from the ship and jumped overboard, and was saved by Gibson, who had left the ship trying to save the captain. The deserted, wandering for the Jonas.

The Burbiges were condemned to death in 1891 by the Maritime Tribunal of Brest, but the sentence was commuted to hard labor for life. Their plunder was discovered, and they were found to belong to a band of pirates. Colonel Gerard, a veteran in their favor was begun, and resulted in the resignation of the minister of the navy of business, the sentencing prisoner, his brother being first tried. The Burbiges distinguished themselves by saving of heroism in saving life, and had been decorated by the Minister of the Interior and the Kings of Sweden and Norway. When serving in the new Russian service in the Dress of a boatman of marine.

Oh, the Pain of Rheumatism!

Rheumatism often causes the most intense suffering. Many have for years vainly sought relief from this disabling disease, and are to-day worse off than ever. Rheumatism is a blood disease, and Swift's Specific is the only cure, because it is the only remedy which can reach such deep-seated diseases.

A few years ago I was taken with inflammatory Rheumatism, which became so severe that I was for weeks unable to walk. I tried several prominent specifics, but found no relief, but was unable to get the right remedy. In fact, my condition seemed to grow worse, the disease spread over my entire body, and I was forced to leave my business and go to Hot Springs. I tried many other medicines, but found no relief. I then gave a trial to Swift's Specific (S. S. S.). Before allowing me to take it, Dr. Jones, my physician, who was a specialist, made a thorough examination of my case, and I was pleased to learn that the very best specific was used. The result was wonderful. I had not taken more than a bottle of Rheumatism, though many times expected to leave my business.
