6½ MILES LONG.

If our Men's Suitings were to be laid out lengthwise we would measure 6½ miles in length, or as far as from Salt Lake City to Murray.

If this cloth were to be stretched across Havana Harbor it would make a strong and

EFFECTIVE BLOCKADE,

and the Mosquito Fleet could withdraw to give better assistance in other directions. Now we are making these goods into suits and trousers and are going to dispose of the 6½ miles to those who are fond of good clothes at Low Prices.

OVER 200 STYLES AND PATTERNS.
