The three-year-old boy of J. A. Johnson, of Lynn Center, Ill., is subject to attacks of croup. Mr. Johnson says he is satisfied that the timely use of Chamberlain's Cough Remedy, during a severe attack, saved his little boy's life. He is in the drug business, a member of the firm of Johnson Bros. of that place, and they handle a great many patent medicines for throat and lung diseases. He has all these to choose from, and called physicians ready to respond to his call, but select ed this remedy for use in his own family at a time when his child's life was in danger, because he knew it to be superior to any other, and because the results were perfectly satisfactory. Mr. Johnson says this is the best selling cough medicine he handles, and but it gives splendid satisfaction in all cases. Sold by Druggists.

Canvassing Board Adopts an Election Certificate and Adjourns Sine Die.

The canvassing board on the city election returns met again this afternoon and completed the work of the election certificate, as drawn up by City Attorney Bickley, adjourned sine die.

The certificate contains spaces for the signatures of eight members. The city attorney holds that the candidate members of the Council, by reason of the part they took in the recent election, are disqualified and therefore cannot sign along with the other members. All the members, however, took part in the canvass and the question of the city attorney is as to the right of the city council to act on a point where the question of pay for attendance at the canvass is involved, and on the advice of Councilman Lynch an extension to the time allowed was requested by the board. The board was granted by the board, and it was decided to ask the city council.

The determination of the results, as drawn up by the city attorney, is as follows:

State of Utah, City and County of Salt Lake, ss.

The undersigned, being a majority of the members of the City Council of Salt Lake City, Utah, met as a canvassing board to canvass the returns of an election held in said city on the 2nd day of November, 1897, for the election of a mayor and other officers for the said city. It being certainly the sense and meaning to be a fair, true and correct abstract of all the votes cast at said election, as shown by returns on file herein, from the official returns thereof returned by the judges of election to the council, showing districts of said city. The persons receiving the highest number of votes for the offices hereinafter stated, are as follows, to wit:

John Clark received the highest number of votes for mayor, to wit, 1,277, and is hereby declared to be duly elected to the office of mayor.

Onesimus H. Burbidge received the highest number of votes for city recorder, to wit, 1,277, and is hereby declared to be duly elected to the office of city recorder.

Wm. C. Hall received the highest number of votes for city attorney, to wit, 1,264, and is hereby declared to be duly elected to the office of city attorney.

Richard P. Morris received the highest number of votes for city treasurer, to wit, 1,261, and is hereby declared to be duly elected to the office of city treasurer.

George Swan received the highest number of votes for city auditor, to wit, 1,264, and is hereby declared to be duly elected to the office of city auditor.

John D. Timmony received the highest number of votes for city justice of the peace, to wit, 1,261, and is hereby declared to be duly elected to the office of city justice of the peace.

It is further certified that the following named persons, having received the highest number of votes at said election, are elected and are members of the city council of Salt Lake City in the districts hereinafter named, they having received votes for which they are hereby declared to be duly elected as members of the city council of Salt Lake City:

In the First Municipal Ward—E. M. Ware, who received 1,267 votes; John Siddoway, who received 1,259 votes; George Dickie, who received 1,212 votes.

In the Second Municipal Ward—E. H. Callaway, who received 1,622 votes; Henry Walters, who received 1,576 votes; John Allen, who received 1,396 votes.

In the Third Municipal Ward—Arthur F. Barnes, who received 1,049 votes; F. S. Farnsworth, who received 911 votes; Andrew H. Burton, who received 825 votes.

In the Fourth Municipal Ward—George Romney, who received 871 votes; Robert Patterson, who received 795 votes; Elmer Howe, who received 765 votes.

In the Fifth Municipal Ward—Christopher Diehl, who received 82 votes; Robert Morris, who received 76 votes; Alexander A. Robertson, who received 74 votes.

And we further certify that said canvass was commenced by us at 10 o'clock on the 8th day of November, 1897, in the city council chamber, and continued from day to day until the same was completed on the 9th day of November, 1897, and it is hereby certified that the only contest before said election in the several precincts named herein is pending to 1896.

The Salt Lake Temple will close on Wednesday evening (for Thanksgiving) and will re-open on Monday, Nov. 29, 1897.

It will also close on Friday, Dec. 24th, and re-open on Tuesday, Jan. 4, 1898.
