EASTERN DISPATCHES.

CAIRO, Ills.—A ladies' car in the express train on the Paducah and Elizabethtown R. R., jumped the track last night, eight miles from Paducah and went down a forty feet embankment, landing bottom upwards. It was completely demolished and contained about twenty passengers, nearly all of whom were more or less injured. Two were killed outright, a little girl named Georgia Jordon, of Clarksville, and Neal de Fassi, tobacco agent for the Cuban government. The latter was found standing on his feet leaning against the car, dead. The wounded are nearly all residents of Paducah. Mrs. Cobb, one of the wounded, lies in a very critical condition.

CINCINNATI.—The Adjt. General of Ohio came here to-day and took possession of the State arms issued to a colored military regiment, some of which were used in the riot of last Monday.

COLUMBUS, O.—Wm. Sands, a middle aged man was committed to jail to-day, charged with repeatedly ravishing his daughter.

SAVANNAH.—Alexander R. Dillon shot his father, David R. Dillon, three times, inflicting only flesh wounds, and then killed himself.

BALTIMORE.—Samuel Burret, an employe of the U. S. public store, who was shot last night while the torchlight procession was passing through the streets, died this afternoon.

NEW YORK.—Five prisoners of the penitentiary, Blackwell's Island, overpowered the keeper this afternoon. After disarming him they escaped in a boat, to which they were attached as crew.

BOSTON.—Chas. H. Foster, a curbstone broker, was arrested at Montreal, charged with raising large sums of money, in this city, with forged notes.

MEMPHIS.—The latest advices from Osceola state that all is quiet, but another attack by the negroes is feared.

INDIANAPOLIS. — Additional official returns, received to-day, don't materially change the result given in last night's dispatches. Hendrick's majority is between 6,000 and 7,000. The rest of the State ticket, including Congressmen-at-large, perhaps with the exception of superintendent of public instruction, are Republican.

WASHINGTON. — The following has been issued:

Department of State,
Washington,
October 11, 1872.

The undersigned is charged, by the President, with the painful duty of announcing to the people of the United States the death of the illustrious citizen, William Henry Seward, distinguished for the faithful and eminent service in varied public trusts during a long series of years. He died at Auburn, State of New York, yesterday, October 10th. Charged with the administration of the Department of State at the most critical period in the history of the nation, Mr. Seward brought to the duties of his office exalted patriotism, unwearied industry and consummate ability. A grateful nation will cherish his name, his fame and his memory. The several executive departments will cause appropriate honors to be rendered to the memory of the deceased statesman, at home and abroad.

Hamilton Fish, Secretary of State.

NEW YORK.—The Tammany county convention, this evening, unanimously nominated Abraham R. Lawrence for Mayor.

NEW YORK.—The remains of Fanny Fern will be taken to Boston for interment.

A motion to postpone the trial of Thomas C. Field was denied to-day.

Commissioner Van Nort, of the department of public works, notes a reduction of four millions in the expenses of his department the past 8 months compared with the corresponding months of the previous year.

The commissioners of emigration have given permission to the society of Alsace and Lorraine to have an agent at the depot.

WASHINGTON.—President Grant has issued a proclamation appointing the 28th day of November to be observed throughout the United States as a day of general thanksgiving to the Almighty for his blessings throughout the past season.

LOUISVILLE.—A new house, 16 Market street, four storeys, fell this evening and killed six members of the family of Henry Nolles, merchant tailor.

INDIANAPOLIS.—The following majorities in the Congressional districts are nearly official:

For Congressmen, 1st, Democratic, 143; 2nd, Democratic, 4,348; 3rd, Democratic, 997; 4th, Republican, 397; 5th, Republican, 824; 6th, Republican, 859; 7th, Republican, 403; 8th, Republican, 3,000; 9th, Republican, 500; 10th Republican, 967; 11th, Republican, 876.

ST. LOUIS.—The Vigilantes at Aulville, Lafayette Co., killed one man and mortally wounded another last night for horse stealing.

A fire at Whitehall, Ills., consumed fifteen business houses. The loss is not stated. Fire engines have been sent from Jacksonville, to render aid.

INDIANAPOLIS.—An immense Republican meeting at the Wigwam to-night, to celebrate the recent election victories. General Brown, Senator Morton and others spoke. Morton, in the course of his speech, declared his belief that a full official vote would show the Republican State officers elected to have a larger vote than Hendricks, who was now apparently elected, and predicted the State would give Grant 20,000 majority. The Republicans had ten or eleven out of thirteen congressmen, and a majority in both branches of the legislature.

WESTERN DISPATCHES.

SAN DIEGO.—One of the largest Republican meetings ever convened in San Diego was held at the rink last evening to hear J. F. Swift and Jas. G. Eastman speak.

VIRGINIA CITY, Nev.—About six o'clock this morning Mrs. Gilman, an old lady, was walking across the railroad track near the depot, when a train came up and caught her, knocking her down and running over both her legs. Physicians were immediately called, who found it necessary to amputate both of her legs, one near the ankle and the other near the knee. She died at one o'clock.

YREKA.—At the fair to-day the attendance was larger and many additional articles brought in this morning. The general display is much better than any previous year. The society withdrew the purse for the two mile race, there being no respectable entries. The parade of live stock at the grounds to-day was very creditable.

About one o'clock, to-day, as John Hendricks was coming into town, he was met by an Indian, known as Oregon Tom, who assaulted him with a pistol. After a severe struggle he got the pistol away from the Indian and while down with the Indian on top of him, shot him through the body killing him almost instantly. After an examination Hendricks was discharged. The Indian was slightly intoxicated.

LOS ANGELES, 11.—Mr. Grover, who was shot by W. B. Hellings, at Arizona city, died at Prescott on the morning of the second. Hellings is out on $10,000 bail, as it was supposed Grover would recover.

LISBON.—A Rio Janeiro steamer, Sept. 22, arrived, bringing intelligence that the congressional elections in the northern provinces of Brazil were attended with riot and bloodshed.

EUROPEAN.

PARIS.—Prince Napoleon and Princess Clothilde, now here, have received notice to leave France. The prince replied to the agent of the government who brought the summons by refusing to quit his native land, and insisted on his rights as a citizen, declaring he would yield only to force. The princess answered she would only leave France between two gen d' armes.

Transports sailed this week with 580 more Communists for the penal colonies.

Thiers, in the course of his remarks before the permanent commission of the assembly, yesterday, used the following words:

"Europe has rendered us justice at Berlin, our army is recovering and our credit is excellent." These assurances were received with cheers by the members of the commission.

PARIS, Midnight.—Prince Napoleon has yielded to the peremptory order of the government and has left Paris.
