SUCCESSFUL HOLIDAY TRADE

Christmas Shopping Most Extensive in History of Junction City.

SITE FOR OGDEN HIGH SCHOOL

Gift of Hon. and Mrs. Fred J. Kiesel, Accepted by School Board—Work to Begin at Once.

Ogden, Dec. 24.—This evening the stores of Ogden close after having one of the most extensive holiday trades in years. Never before has the amount of money been spent for Christmas that has been spent this year. It has also been a year when more money has been brought into the city and county than any other year. It is estimated that within the past ten days almost \$500,000 has been given to laborers residing in this vicinity by the railroads, depot company, and local concerns and by the Amalgamated Sugar company to the farmers of this district for beefs.

For more than a week past the stores have been thronged from early morning until late at night with the shoppers. Everywhere the shoppers can be seen wending their way homeward loaded down with bundles and packages of all kinds. An unusually large amount of jewelry has been purchased this year. All other lines are well represented in the purchases made by the shoppers.

The present weather has added zeal to Christmas. The comparatively warm evenings have brought out the shoppers more than usual. The splendid sleighing which the city is enjoying at the present time with its jingle of sleigh bells most of the night through makes things seem more like Christmas than former years.

SITE FOR HIGH SCHOOL

The deed conveying to Ogden City a site for the high school, the gift of Hon. and Mrs. Fred J. Kiesel, was accepted by the city board of education yesterday afternoon. Ground will be broken before New Year and the building will be vigorously pushed to completion.

T. E. McKAY TESTIMONIAL.
 A farewell party is to be given next

Tuesday evening in the Weber academy in honor of Thomas E. McKay, who has been called to reside over the Swiss and German mission. Committees on arrangement and program have been appointed and are planning an elaborate affair. On Jan. 7 Mr. McKay will depart for Europe, where he expects to remain for three or four years. Owing to the popularity of Mr. McKay in this county it is thought the affair will be one of the largest of its kind held here in many months.

STILL SEARCHING FOR MURDERER.
 For more than a week there have been no developments in the work of the officers who are working upon the murder case of the late deputy sheriff, Seymour L. Clark. While nothing has been published of the case of late the local officers and railroad officers are still working quietly upon the case.

The condition of Sam Hartwell, the man who was taken to the hospital several weeks ago in an unconscious condition, having been found near a railroad track and thought to have been the victim of a member of the gang of box car robbers, still remains unchanged. While the man continues to improve to a certain extent it is very doubtful if he ever regains his right mind, as his skull was fractured.

In railroad circles it is announced that since the Clark murder there have been no case of box car robberies committed upon the lines of the Union and Southern Pacific.

POLICE HEADQUARTERS CROWDED.
 The police headquarters is now assuming the proportions of a veritable lodging house for the indigent travelers, who in numbers varying from 15 to 25 drop in there nightly for lodging and a morning breakfast. On very cold nights as high as a hundred men are given lodging at the jail and then continue on their journey the next day.

WRECK AVERTED.

The presence of mind and quick action of Conductor Schell of a Union Pacific freight train, yesterday, averted a serious wreck in Weber canyon. According to the report at the railroad offices Schell was riding on top of a box car when the train started down through the canyon. He noticed one of the cars rolling and rocking to a great extent and upon investigation found that the rear trucks of the car were off the track. Quickly crawling down between two cars he turned on the air brake, which brought the train to a stop within a short distance. The trucks were placed upon the track and the car set out on a side track at Gateway.

CHRISTMAS WEDDINGS.

Marriage licenses were issued yesterday afternoon at the office of the county clerk to the following:
 Edwin F. Young and Edna F. Bihler, both of Ogden.
 Willard S. Plunders and Nellie M. Atwood, both of Hooper.
 Carl A. Tyler of Logan and Ruth Gaston of Ogden.
 Chester C. Wilcox and Vida Shaw, both of Ogden.
 Norton Bowles of Slaterville and Harriet Woodfield of North Ogden.
 John S. Fenstermaker and Sarah A. Andrews, both of Ogden.

RAILROADER HURT.

While alighting from a Rio Grande Western passenger train yesterday Yardmaster J. M. Wagner of that road slipped on the icy ground and suffered a dislocated knee. The man was assisted to his residence on Twenty-first street, where he was attended by the company physician.

DISTRICT COURT.

The jury in the case of the State of Utah against George Adamson and James McCune, who were tried in the district court yesterday, brought in a verdict late last evening against the defendants, finding them guilty as charged. Their sentence will be passed on Monday.

Adamson and McCune are charged

with holding up and robbing John Bowman of this city last October. Shortly after committing the crime the men were captured and positively identified.

Ralph Dean, the young man, who robbed the guests of their European hotel, one evening about a month ago, was arraigned before Judge Howell and entered a plea of guilty to the charge. The passing of the sentence upon the defendant was continued until Monday at the request of Judge Bagley, who was appointed by the court to defend the defendant. Judge Bagley stated that he would like to address the court before sentence was passed in behalf of leniency as the defendant was only 18 years of age and this was his first crime.

MRS. McRANEY'S EXPERIENCE.

Mrs. M. McRaney, Prentiss, Miss., writes: "I was confined to my bed for three months with kidney and bladder trouble, and was treated by two physicians but failed to get relief. No human tongue can tell how I suffered, and I had given up hope of ever getting well until I began taking Foley's Kidney Remedy. After taking two bottles I felt like a new person, and feel it my duty to tell suffering women what Foley's Kidney Remedy did for me. F. J. Hill Drug Co., 'The Never Substitutes'."

FUNERAL OF JAMES NIELSEN.

Impressive Services in the Fifth Ward Assembly Rooms.
 Special Correspondence.

Logan Dec. 21.—The funeral of James Nielsen, the man shot following the saloon brawl, on last Saturday night was held yesterday and was most impressive. It was heart rending to his mother and young wife to have the young man snatched away in this manner. Those who spoke consolingly to the bereft family were Elder Christian Larsen, John T. Caine Jr., and Melvin J. Ballard. The music was rendered by the choir of a male quartet, a solo by M. J. Ballard and duet by Mr. and Mrs. Batt. The Fifth ward meetinghouse was packed with sympathizing friends of the family of deceased, and many beautiful floral designs were spread on the casket.

A great many pedagogues from both colleges and the city schools left for Salt Lake this morning to attend the teachers' convention.

Bishop Spaulding of Salt Lake was the speaker at the Peace meeting services in the tabernacle last evening.

Wm. Mitchell, an old gentleman of the Logan Fifth ward, was buried from the meetinghouse today. He died a few days ago of general debility.
