Titus, the baby pitcher from the Sunny South, yesterday sent the Boise aggregation back to the bench for nine consecutive innings for a great big cipher. At the termination of the function at Riverside Park the score stood: Salt Lake, 7; Boise, 0. During the assault Umpire Davis fell from grace in the eyes of the Boise fans. It was in the first inning that the unpleasantness occurred. With Muller down, Gimlin on first, Weed on second and Hannivan on third Clark hit into the left field. Foxy old Buck Weaver dropped the ball, forcing the running and threw to Babbitt, who promptly put his No. 9 on the sack, tagged Weed and then threw to third. Davis called Gimlin out, Weed safe, and allowed that Hannivan had scored. For the subsequent ten minutes there were things said that attracted attention. From then on the Salt Lakers played a snappy game while Boise seemed not to care whether school kept or not. The detailed story of the game is as subjoined:

HOGG WAS "IT."

Spokane Pitcher Took the Butte Miners Down the Line Yesterday.

Mr. Hogg was very much in evidence at Butte yesterday when he allowed the Miners to take one little run while the Spokane batsmen piled up seven. The Indians played brilliant ball both individually and collectively. Despite the fact that a slow return from Stanley was instrumental in pratically putting a finger on Hogg's pitching hand out of commission that gentleman went right along with the game. One of the features was the catch by Frary who gobbled up a foul fly near the left field fence that seemed to be as safe as a house. Score:

TWO NEW PITCHERS.

Butte Has Signed Up a Couple of New Twirlers.

The Butte team will be strengthened shortly by the addition of two good pitchers, F. S. Lycan, one of the owners of the team is in Butte from Crookston, Minn., looking over the situation.

"We are making arrangements to land a couple of pitchers," says Mr. Lycan, in the Miner. "Pete Dowling ought to be here in a day or so. He is in Denver and we have wired him a ticket. Then we are negotiating with a pitcher in one of the eastern leagues. We do not care to give his name at present until the deal is cinched. We are pretty sure to get him, however, and if he comes we will have one of the best twirlers in the northwest. With a couple of good pitchers on the staff there is no reason why the team should not take a brace. Swindells will be in the game in a few days and Butte will then have as good a bunch of hitters as any of the other teams. Taking the members individually Butte has as strong a fielding team as any of the others. The infield is especially strong. The boys need some ginger and I think that a strong pitching staff will inject the necessary snap."

AT THE SAUCER.

"Miss-and-Out" Race Was the Feature At the Salt Palace.

The feature on the saucer track at the Salt Palace last night was the "miss-and-out" race. Sixteen riders started, but only four finished as the balance baked under the pace. After the first 12 laps Samuelson, Achorn, Collett, and Hollister were left and they eventually finished in the order named. The time was 2:24 2-5.

In the five-mile motor paced match race Iver Redman defeated Emil Agraz. Iver simply rode circles round his opponent who had decidedly the worst of it when it came to pacing machines. During the last two miles Agraz was lapped five times. In the third mile Agraz lost the pace also, all of which tended to make the event one that did not make the greatest of hits of the evening. Iver Redman's time was 7:35 1-5.

"Baldy" Stavet was the recipient of considerable applause for his work in the mile handicap professional. He started out from the crack of the gun and the scratch men were unable to tack on to his hind wheel at any stage of the second heat. After the lad had romped home he was carried off the track on the shoulders of his admirers.

The one-mile open amateur event proved to be a loaf in the final and the time limit set of 2:10 was exceeded by 3½ minutes. Castro, however, was adjudged the winner and after due deliberation Redman and Elswood were given prizes for respectively second and third place.

Despite the threatening weather there were about 1,500 people who witnessed the races.

TRAP SHOOTING.

Plank of Denver Wins the Grand Western Handicap.

Denver, Colo., July 15.—The Grand Western handicap, the second most important trap shooting event of this country, was won today by Charles Plank of Denver, Plank, George Maxwell, the one-armed marksman, and Henry Anderson of Salina, Kan., tied scores with 94 out of a possible 100. In the first shoot-off at twenty targets, each scored 19. Then Plank and Anderson broke 20 straight, Maxwell dropping out of the race with 17 kills. The third shoot-off resulted: Plank 19, Anderson 18, which gave victory to the Denver contestant. In winning the tournament, Plank also becomes possessed of the challenge cup. This cup will be contested for again at North Platte, Neb., next week. Henry Anderson was the winner of the Boyd Park cup, an event of 50 targets, he having scored 49. Plank and McGee, with scores of 49 out of 50, won the Legevre guns. The following is the summary of the Grand Western handicap:

Fight Will Come Off.

Philadelphia, July 15.—The court today declined to grant an injunction restraining Wright 4-16, 6-4, 8-6, interfering with the proposed contest between Fitzsimmons and "Jack" O'Brien, but ordered the director of public safety to allow the exhibition to be given.

"PENNY" GOSSIP.

The Boise baseball franchise has been offered to Helena. There is some prospect that the transfer may be made.

J. S. Barr and J. H. Scott are training for their $100 match swimming race. The event comes off at the Sanitarium tomorrow night.

Arthur Copp and Frank McGurrin will play 18 holes at the Country club this afternoon to determine who shall head the golf team which goes to Butte at the end of the month.

Tosh, the sporting writer on the Butte News, has the following to say regarding Jack Clifford's future movements: Jack Clifford called in to see me yesterday with a long face and a tale of woe. 'I'm going to work," said the lightweight wielder of the padded mitts. "The other day I got a letter from Billy Smith of Great Falls, offering me a match with Kid Lee, of Havre, the bout to be pulled off at the Falls. I accepted the offer and told Smith to wire me transportation. Yesterday I got a telegram from Smith in which he stated he would wire tickets Wednesday. Well, the long and short of it is that the tickets didn't show up and the fight is off. I am sick and tired of running about the country in search of scraps that don't pay and I am going to work and stick at it until the boxing game opens in Chicago in the winter. Then I am going to the Windy City and meet some of the men in my class there."

Irving J. Ricker, the star pitcher of the Farmington, N. H., High School baseball team, has made a remarkable record this season. He has pitched 12 out of 12 school games played, and has struck out 122 bastmen. The team has won 11 games, losing only to Dover High and Roches'r High, but has since beaten both those teams. An average of only two hits a game has bee nmade off Ricker.
