A PECULIAR DIVORCE SUIT.

Mrs. Hagar Singleton was brought a divorce suit against Albert Singleton, asking for a separation, the custody of two minor children and alimony, alleging that on December 10th, 1894, she married the defendant, and that on April 7th 1895, he committed the crime of adultery with Minnie Clark.

Defendant in his answer admits he was having married plaintiff and denies that he committed the crime charged, and further alleges that on the 7th day of April, 1895, he married Miss Clark and that they are now husband and wife.

The plaintiff in this case is Mr. Singleton's plural wife. He (she) also obtained a divorce from him in 1893 on the ground of unlawful cohabitation with the plaintiff in this action, and the important fact upon which this case hinges is whether a common law marriage was contracted between the parties after the time this divorce was obtained and before the time the Edmunds-Tucker law went into effect.

Notes.

Chas. Brandt, of Payson, is now in the county jail awaiting the action of the grand jury. He is charged with an attempt to commit rape. A three-year-old Payson girl was his victim.

John A. Strang, of the First ward, has been re-elected a member of the city council to fill the vacancy caused by the death of Josiah W. Cluff.

George Burch and thirty-six others have petitioned the county court for a county road from Springville to Lake Shore. The petition was referred to Selectmen Perry and Reynolds.

David Ingersoll and eighty-seven others have asked the county court to construct a bridge across Provo river near the mouth of Provo canyon. Referred to Selectmen Bullock and Reynolds.

This morning a woman came over from Payson for the purpose of laying a case before Assistant Prosecuting Attorney Thurman with a view to having it investigated by the grand jury. She claimed that a young man had committed an assault with intent to commit rape upon one of her little girls, and that she had tried to have the Payson officers examine into the affair but they had refused. Mr. Thurman was in the dark, so nothing will come of the matter.
