SCHOOL BOARD BATTERS.

Architect Ramsey's Plans Received For Three New Buildings.

The board of education met last night, President Nelson occupying the chair. The following members were present: President Nelson, Mrs. Winnerbell, Beatty, Hyman, Towers, Barnes, Doty. Applications of positions as teachers were received from the following persons:

E. M. Maxwell, Ellis R. Wallace, Ogden; Gail L. Barnes, Kanab City; Alice L. A. Stevenson, Lehington, Ind.; Roy R. Owen, Provo City; Mrs. Ruth Maxwell, Mrs. E. J. Rossiter, L. L. Rawlins, Belle Lawson, Jennie Lawson, James A. Langton, W. T. Reid-Bailey, Orville E. Freeland and Mrs. Pringle, city. Commission on tenure.

The following persons made application for positions as accountants: J. E. Pike, F. W. Rawlings, Thomas F. Thomas, Jr., G. R. Twomey, city.

A communication was received from Le Grand Young offering to sell the north 100 feet on the corner of North and East Temple streets for the two pieces of property owned by the board on Second South street, east of State, subject to the next meeting. Referred to the committee on sites and buildings.

The committee on contracts and buildings reported the settlement of all matters growing out of the suit of the board of education vs. William Lauer et al., vs. the state of H. R. Dunlavy lumber company.

A number of parents of children attending the Oakley school asked that Miss Dwyer be sent home during the ensuing year. Committee on contracts.

Chevalier Pierce had a lien on park whereby the board could employ the services of an author, teacher and artist with twenty years' experience in public school work. Without a cent of expense.—Committee on teachers and school work.

The committee on fire hose and supplies recommended that it be given authority to save school supplies removed from the Seventh Ward, Liberty Park, Poplar Grove, Twenty-third Ward, Tenth Ward vacant rooms, Whitney, Third and Fourth Ward schools, and that the services of the janitors in the schools be discontinued, as the work of the janitor heating also that the United States Postal Telegraph company had furnished the board 500 feet with line of charge to supply fire hydrants. Adopted.

The committee on sites and buildings recommended that leases on the following buildings be discontinued, the rentals to cease June 30: Twenty-third ward district, Sixth Lewis, Lincoln Park, Tenth Ward vacant room, Poplar Grove, Bayne chapel and the Whitney.

The committee on sites and buildings reported that they have selected place for a four-room even sites building for the south and a four class room brick building on Poplar Grove and a two class room school building in North Salt Lake. They have received several competitive plans from architects and recommend the adoption of the plans of Mr. Ramsey, provided the specifications and cost prove satisfactory.

The committee also recommended that they be authorized to advertise for bids for the erection of these buildings after the specifications and plans have been completed and approved by the committee. Adopted.

The committee on teachers and school work reported that the two east rooms on the first floor of the Twenty-fifth school were unsuitable for the accommodation of a grade and therefore recommended that they be authorized to remove the partitions. The committee was informed that rain had been made by persons unknown into the school house during the summer, and recommended that the house be put in with putty at once and certain repairs. Adopted.

Dodge offered a resolution formally employing G. J. H. Hinckley the old Third Ward Force were added thereto as assistants for teachers in La Verkin, Panguitch, Annabella. Adopted.
