REPUBLICANS MEET IN TORRID SESSION

Two Factions Wax Wroth at Club Rooms Last Night.

SEEK TO REPUDIATE ORGAN.

Resolution Emanating from "Insurgent" Quarter Fails of Adoption And Argument Follows.

At a session of the Young Mens' Republican club held last night, an attempt was made by the committee of 15, to secure the passage of a resolution condemning the attitude of the Inter-Mountain Republican for the trend its editorial comment had assumed with regard to the actions of the so-called "Insurgent" wing of the party. It is said that there was a resolution in the coat pocket of some member present last night in which Harry Joseph was to be "scorched" for his attitude in the factional fight. But this resolution was lost sight of and was not introduced.

Following the introduction of the first resolution, which apparently went before the meeting without a sponsor until Stephen Stanford volunteered to father it "to get it before the meeting," numerous speeches were made. The trend of these speeches was not pertinent to the resolution, but, on the contrary, became forcible tirades directed to Senator Smoot. In the meantime, when a word might be heard above the clamor, some members of the club who have not identified themselves with the Critchlow committee took exception to the precedure upon parliamentary grounds. When a vote was called for the adoption of the resolution, it was defeated by two votes, the result standing 15 to 17.

THE VOTE.

Those voting for the adoption of the resolution were: C. S. Buckwalter, president; R. B. Quay, Ray A. Sermon, O. H. Hewlett, James Christensen, George N. Lawrence, George Wilson, Don C. Robbins, A. B. Irvine, John Q. Critchlow, D. O. Rideout, A. E. Beveridge, A. L. Hamlin, J. G. Weaver, and Steve Stanford—15.

Those opposing the resolution were: W. J. Burton, F. W. Price, John C. McClain, H. A. King, D. M. Haigh, Quincy B. Nichols, J. U. Eldredge, Jr., O. C. Brown, Harry S. Anderson, Burl Armstrong, Parley P. Jenson, W. L. Dunn, Bryant S. Young, Axel Steele, P. C. Hart, J. J. Greenewald, Job P. Lyon—17.

During the discussion it was urged by those not identified with the "insurgents" that the constitution and by-laws of the club, which specify that one of the purposes of the club is to seek harmony in matters affecting the Republican party, prohibited the introduction and discussion of the resolution and upon that ground the president, C. S. Buckwalter, who is a member of the committee of 15, was asked to take it from the meeting. The request was not complied with and the vote was the only possible method of defeat remaining. It was the sentiment of the meeting as expressed in the vote which was probably responsible for the relegation of the Joseph resolution.

MISTAKE CAUSES EXCITEMENT.

There has been more or less excitement in Wells-Fargo Express circles this week, over the arrival of five express cars at Ogden for the Short Line, marked "Wells-Fargo Express company." The supposition was that by some covert deal, part of the Short Line, if not all, had been taken from the Pacific Express and handed over to the Wells-Fargo Express company. Inquiry develops that the lettering was a mistake in the Omaha shops, and should have read, "Pacific Express company." It was due to the assumption by the boss of the paint shop that a previous order for five express cars for the use of the Wells-Fargo company on the Southern Pacific in California, was to be duplicated. The lettering is now being changed at Ogden, and the excitement has subsided in the Wells-Fargo offices in this city.

A. B. RICHARDS DEAD.

Was an Old Plainsman and Indian Fighter of Nebraska.

Nebraska City, Neb., May 1.—A. B. Richards, an old plainsman and Indian fighter, died here last night, aged 68. He came to Nebraska from Canada, in 1855, and ran a store or ranch for prairie freighters at O'Fallon's Bluff, near where North Platt now is. He was known by the Indians as "Ochilla" or "The Kid." He was engaged in many fights with the Indians in the early days. In later years he accumulated considerable wealth.

Philadelphia, May 1.—The directors of the Pennsylvania railroad company today declared a semi-annual dividend of three per cent which is a reduction of half of 1 per cent from the last semi-annual dividend and places the stock on a 6 per cent basis.

EXCITING POLITICAL CONTEST IN TEXAS

Waco, Texas, May 1.—One of the most exciting political contests in the history of Texas closes tonight. Tomorrow Democrats will vote at the primaries on whether Senator Joseph W. Bailey and three others shall be sent to Denver as delegates at large to the national Democratic convention, or whether a delegation of four Democrats, headed by Hon. Cone Johnson of Tyler shall be sent. Both sides claim victory.

RELIEF WORK.

Maj. Devol Asks for Tents for 2,500 People and 30 Hospital Tents.

Washington, May 1.—Maj. Devol, in charge of the relief work on behalf of the storm sufferers in the south, made a telegraphic request today for tents for 2,500 people and 30 hospital tents. These will be sent at once to Hattiesburg, Miss., probably from Philadelphia. Upon request of Maj. Devol was telegraphed $2,000 in cash today by the Red Cross. He also asked for 24 nurses. Maj. Simpson has been ordered to relieve Maj. Devol, and will leave here tonight for that purpose. The Red Cross announces that owing to the state of its funds, contributions from the public may be sent to its headquarters at the war department in this city.

MOONSHINE BUTTER.

U. S. Revenue Officers Raid a Factory In Chicago.

Chicago, May 1.—United States revenue officers raided an alleged "moonshiners'" oleomargarine factory yesterday, arresting four men and securing 1,000 pounds of colored butterine.

The factory was located in the basement and two floors of a barn at 280 Monore street. Besides the coloring mixture a large amount of the white butterine was found with utensils used by the manufacturers for the coloring of the substitute for butter. The plant is said to have been capable of turning out several hundred pounds of colored oleomargarine a day.

BEATS ALL RECORDS.

Glasgow, April 30.—It is unofficially reported that the new cruiser Indomitable, now undergoing her speed trials, has beaten all records, making 28 knots over a measured mile on the Clyde and 26¼ knots in the continuous steaming trial. The Indomitable is fitted with turbines, and her contract speed is only 25 knots. She is of 17,250 tons, and 550 feet in length. She was launched on March 16 last.

REPORT ON THE MATSUSHIMA

Divers Have Discovered Huge Rent on The Port Side.

Tokio, May 1.—An official report from the Japanese cruiser Matusshima, sunk by an explosion in the harbor of Makang, Pescadores islands, on April 30, says that the divers have discovered a huge rent on the port side. The afterdeck is shattered and the interior wreckage prevents the removal of many bodies. The bodies of the captain and commander of the cruiser have been recovered.

ASQUITH ENDORSES HOME RULE PLAN OF CHURCHILL

London, April 30.—Speaking in the house of commons this afternoon Premier Asquith rectified his omission to mention home rule in his speech at the Liberal meeting at the Reform club this morning, and gave practically complete adhesion to the home rule pledges given by Winston Spencer Churchill during the recent electoral campaign at Manchester.

The subject was brought up by Walter Long, Conservative, who asked the premier if Mr. Churchill's pledges had his sanction and authority, and if he would give the house an opportunity of discusing this change in the government's policy.

Mr. Asquith replied:

"There has been no change in the policy of the government, which was fully explained by the chief secretary for Ireland and myself in this house on March 30. I did not authorize Mr. Churchill to make and I am satisfied that he has not made any statements inconsistent with the previous declarations of the government. He did not say anything which I have not said expressly or by plain implication in my speeches and therefore his statement represents what I said."

Pressed to explain why, if this were so, the speeches of himself and Secretary for Ireland Birrell had failed to satisfy the Irish party while Mr. Churchill's utterances had been quite satisfactory to them, Mr. Asquith gave a somewhat halting endorsement of Mr. Churchill. It took half a dozen question to elicit this statement piecemeal and it was received by the opposition with ironical cheers.

BURIED IN A GLACIER.

Body of Guide Naghi, Killed Twenty Years ago, Recovered.

Berne, April 30.—While exploring the Monterosa glacier today a party of guides discovered in an ice crevasse a body which they cut out of the ice and brought to town. Later the body was identified as that of a guide named Naghi, who fell into a crevasse in the summer of 1887 while conducting a party over the glacier. The body was well preserved.

COMMITTED SUICIDE IN DRAMATIC MANNER

Reno, Nev., April 30.—Cleveland Murphy, a well known young man in Reno, son of James Murphy, a wealthy stockraiser of this city, committed suicide in a dramatic manner today.

Young Murphy, a little after noon today, walked into the Vernon saloon on Plaza street, went behind the bar and picking up a .38 caliber revolver, fired a bullet into his brain, dropping dead instantly. A few minutes before he committed the tragic act, he rolled a cigarette and was joking with some companions about some experiences on his father's ranch. No reason is known for his act.

It is said Murphy made two former attempts on his life, once shooting himself through the lung and again by taking arsenic. He was known to be of a melancholy disposition. Judge Bell is authority for the statement that his mother committed suicide in Sierra valley a few years ago.

HUGE PETITION FOR CAPT. VAN SCHAICK'S PARDON

Washington, April 30.—An immense petition, bearing the signatures of 245,800 persons, requesting that a pardon be granted to Capt. William Van Schaick, master of the ill-fated General Slocum when the vessel was destroyed by fire in New York harbor on June 15, 1904 with a loss of more than 1,000 lives, was presented today to the president and to Atty.-Gen. Bonaparte by a committee of the American Association of Masters, Mates and Pilots. The committee was introduced to the president by Representative Law of Brooklyn and the national president of the association, Capt. John H. Pruett, made a personal appeal to both the president and to the attorney-general for Capt. Van Schaick's pardon. The president assured the committee that the matter would receive careful consideration.

LEOPARDS GET LOOSE, STAMPEDE AUDIENCE

Baltimore, April 30.—During the performance at the zoo tonight two leopards jumped the barrier, landing among the audience. A boy, Louis Long, was badly clawed about the face and neck and a stampede of the audience barely averted. Long was carried to a hospital, where late tonight the physicians were unable to predict the final effect of his wounds but said his condition is precarious. It was expected that to close all the wounds would require about 50 stitches.

The leopards were cornered, one in the office, and the other in one of the dressing rooms by the trainers and returned to their cages.
