THE SEMI-WEEKLY NEWS

The Great Country Paper of the West.

Issued Mondays and Thursdays and Contains All the Cream of the Daily and Saturday News.

LOCAL BRIEFS.

Moved to Nevada—Mr. and Mrs. A. C. Meagher have removed to Nevada, where Mr. Meagher has a large ranch. They expect to remain there four or five years.

Dividend Checks Issued—The Zions Savings Bank & Trust company is paying out $12,000 in dividends declared on the 4th inst. and payable to shareholders of record on the 20th.

Baby is Better—Chief Clerk Charles Willcutt of the Bell company, is being congratulated on the recovery of his infant son from an attack of pneumonia that it was feared would prove fatal.

Building Enlarged—The building at No. 40 east South Temple street will be extended the full depth of the lot, and raised a story, at an expense of $60,000. The premises will be used for hotel purposes.

Chamberlain Recovering—Thomas Chamberlain, night operator at the Mill Creek Power company, who was injured by a shock, is gradually recovering his power of speech at the L. D. S. hospital.

Lynch Funeral Services—The body of J. H. Lynch, who was killed Friday in a mine accident in western Idaho, was brought to Salt Lake this morning. The funeral services will be held from St. Mary's cathedral at 2 p. m. tomorrow.

Infant Dies Suddenly—A baby boy born to Mr. and Mrs. E. S. Case died Saturday at 11 o'clock, having lived but 24 hours. The parents, who have lost a number of children in infancy, are receiving the sympathy of many friends. The condition of Mrs. Case is favorable.

Serving Subpoenas—Deputy U. S. Marshals Lucian H. Smyth and Julian Riley have started out on a subpoena-serving trip for the federal grand and petit jury called to meet April 13. Mr. Smyth goes east and Mr. Riley west. Upon their return, Marshal Spry will do the northern portion of the state.

Crystal Slipper Rehearsals—Rehearsals for the Crystal Slipper carnival, which is to be given in May for the benefit of the Canyon Crest boys' home, are now under way at the Odeon hall on north Main street. Most of the places in the large cast are filled, although there are still a few vacancies open for talented people.

Arrives at Queenstown—A telegram received at the office of the first presidency announces the arrival at Queenstown on Saturday afternoon of the steamer Canada, with three Utah boys aboard. They are Ernest Cornwall of Salt Lake; Mark Strong, of Alpine, and Lorenzo H. Durrant, of Porterville. The steamer was due at Liverpool Sunday.

To Give Third Degree—At a meeting of Jordan lodge No. 3, I. O. O. F., to be held this evening, the third degree will be conferred on 16 candidates. Last Monday evening, in the presence of 100 members and visitors, 13 candidates were recipients of second degree honors. Sojourners in the city are especially invited to attend tonight's function.

Directory of Church Authorities—This little booklet, which is printed annually by the Deseret News, and which gives a complete directory of all the Church authorities throughout the world, general, stake and ward, is now ready for delivery at the Deseret News office. Anyone desiring a copy sent through the mail, can have it on receipt of 5 cents.

Sons to Organize—A society to be known as Sons of Utah will be organized at a meeting to be held Monday evening, March 23, at the office of Dr. Parley P. Musser, 505 Templeton building. An invitation to be present is extended to all persons eligible to membership, and to all others in any way interested in the proposed organization. The meeting will convene at 7:30 o'clock.

Unauthorized Subscriptions—Two young colored men are about town soliciting subscriptions for an alleged reading room to be opened at Fourth South and State streets, for the good of the local colored population. Reverends Allen of the Colored Baptist church, and Morris of the A. M. E. church, have been investigating the scheme and say the young solicitors are "working" the public. There are no indications of any reading room at the locality mentioned.

Familiar Character Gone—Old timers will miss Horatio M. Jefferds, familiarly known as "Jeffs," in his death at the county infirmary, at the age of 67. "Jeffs" was a native of Maine, but came to Salt Lake many years ago, where he has since been well known as a stage driver and coachman. He worked a long time for Capt. Paul and other well-known liverymen, but latterly, until removal to the infirmary, he was coachman for Dr. Mayo. The funeral was held yesterday afternoon, from Evans' chapel, with interment in the city cemetery. Rev. E. I. Goshen conducted the services.

Alfalfa Seed Question—Bailey & Sons, who have taken a prominent part in forwarding protests to Washington against the Mann alfalfa seed bill, yesterday received advices from Congressman Howell that the bill had been amended and that copies of it had been sent west. The congressman also stated that the opposition would be given every chance to be heard, and that no action would be taken until the objections from this section had been thoroughly looked into. Farmers and dealers alike agree that the bill in its present shape, providing that alfalfa seed must be inspected before exported, would ruin a Utah industry now amounting to half a million dollars a year.

Hindoo Studying Irrigation—Girindra Mukerji, a graduate of the University of Calcutta, and latterly a postgraduate of the University of California, is in the city visiting with Secy. Ensign of the State Fair association, whom he knew well in Japan. Mr. Mukerji is in the city to study arid land problems, and colonization features. He will spend some time at Columbia university in New York studying special lines there, whence he expects to go to Europe for travel there. Mr. Mukerji is a strong nationalist, in favor of throwing off the English yoke from India, when that step may appear possible. He says the Hindus who were in Washington state and British Columbia, where they got into labor troubles, left India because they were taxed to death, so they got out.

PROF. H. A. HOWELL, OF HAVANA CUBA, RECOMMENDS CHAMBERLAIN'S COUGH REMEDY.

"As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now, writes Prof. H. A. Howell, of Howell's American School, Havana, Cuba. "On the night of February 3rd, our baby was taken sick with a very severe cold; the next day was worse and the following night his condition was desperate. He could not lie down and it was necessary to have him in the arms every moment. Even then his breathing was difficult. I did not think he would live until morning. At last I though of my mother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief, and now three days later, he has fully recovered. Under the circumstances I would not hesitate a moment in saying that Chamberlain's Cough Remedy, and that only, saved the life of our dear little boy." For sale by al druggists.

Mulholland is a carpenter and a native of Ireland. He is at the L. D. S. hospital.

UNEQUALED AS A CURE FOR CROUP.

"Besides an excellent remedy for colds and throat troubles, Chamberlain's Cough Remedy is unequaled as a cure for croup," says Harry Wilson, ow Waynetown, Ind. When given as soon as the croupy cough appears, this remedy will prevent the attack. It is used successfully in many thousands of homes. For sale by all druggists.
