FAVORITES AGAIN LAND THE MONEY

Keen Competition and Close Finishes Mark Sport of Kings at Buena Vista Mile Course.

Yesterday was another big day for the talent at Buena Vista and the bookies got a bumping. Four out of six favorites rewarded their backers. The going was good, competitions being keen and finishes close and exciting. The fifth race was the best of the day as it was a field of well matched horses and the public was puzzled to pick a winner.

Galvez, Madeline Musgrave, Little Osage and Jane Swift were among the speedy ones to face the barrier. The choice was between Madeline Musgrave and W. P. Fine's little gelding, the latter finally being marked down until he was at odds on favorite. With Little Osage in the race it was a hard race to turn out. Madeline got away in front with Little Osage almost even with her. When the horses came into the stretch Fine's horse crawled up and passed Little Osage, but Madeline Musgrave had the strength and speed to win, though by a narrow margin.

Judge Cabaniss had the best of the field in the first race, but Furnace crowded him to the wire, while Gretchen G passed the balance of the field in the fight for show.

A good race was the second, when Gossiper II outran No Quarter at the wire. Fischer brought in another winner with Arcourt in the third. Belden ran a couple of miles in warming up and Gigs acted badly. Aucassin set the pace and Fischer held his mount until the stretch was reached when he brought his mount in a winner. Another close race was the fourth when Agreement, after a desperate struggle with Dollie Dollars, came in first driving.

Seneva, the favorite, was beaten by Sixie Fir, the strong second choice in the last race. In the final jumps Jim Brady took place from the favorite.

ATHLETICS AT FORT DOUGLAS

Interesting Contests Between Uncle Sam's Soldiers—Company B Captures Officers' Silk Banner.

In the finals of the athletic contests between soldiers at Fort Douglas it is made plain that Uncle Sam has many athletes in the Fifth to be proud of. The officers' silk banner was captured by company B by a point over company K. The points were as follows: Company B, 38; company K, 37, and company H, 26. This shows how closely the contestants were matched.

The army record was broken in the machine gun contest and this competition was one of the best during the meet. A gun had to be dismantled, packed on a mule, carried fifty yards, remounted and fired, and this was accomplished in 35 1-5 seconds.

The championship ribbon in individual honors went to Private Cereghino of company K. He got first place in the 100-yard dash, in the 220 and second in the 120 high hurdles.

The equipment race was won by Private Suttle of company G. The orderly contest was won by Private Metcalf of company H.

Following is a summary of the events and the winners:

Event No. 1, First battalion, 100-yard dash, preliminary, two men to qualify—First, Cereghino, company B; second, Kirkpatrick, company B. Time, 10 2-5 seconds.

FORT HANDICAP; AND OFFICERS' RACE

Arrangements Completed for Interesting Events at Buena Vista Track Next Saturday Afternoon.

As the State fair opens next week, the Utah Jockey club will suspend racing during that time at Buena Vista park. The management is planning for a big day next Saturday when six interesting events will be run off. Chief among them will be the Fort Douglas handicap at six furlongs and the officers' race, at one mile.

These two events will be features of the card Saturday and every effort is being made to make them successful in every respect. In the handicap some of the speediest horses at the track will face the barrier, and a good race is looked for.

In the officers' race it was at first planned to have the officers ride their own mounts but there is a scheme on now to have them mounted on horses stabled at the track. Just who the officers will be is not known at this time but Lieut. Elliott has the matter in charge and will pick six of the best riders for the event.

The purse for the officers' race will be $150. The winner will get $100, with $35 for second and $15 for third. The officers will ride at 160 pounds and wear service uniform with full equipment.

In the Fort Douglas handicap, Gloria, Jack Nunnally, Hannah Louise, Ethel Day and Ethon are sure entries.

There is a good story going the rounds about Lieut. Lee to the effect that he was at the track yesterday afternoon and again today looking for a cheap "thoroughbred" for "about $50" with which he hopes to enter the officers' race and beat the field.

This afternoon Starter Richard Dwyer and Judge P. P. Pomeroy were invited to act as assistants to A. B. Carstensen, supervisor of speed of the fair association. Both gentlemen have accepted the invitation and will assist in the conduct of the State fair races.

Duck Season Opens Again Friday Next And Many Hunters Are Getting Ready

The duck season for the fall of 1909 opens next Friday morning and from sun up until sundown there will be a bombardment of the festive birds. Members of the various duck clubs are getting ready for the slaughter. They are fitting up the clubhouses, in fact have already made them ready for occupancy, purchasing ammunition and cleaning up shotguns. The sale of shells has been quite heavy and the sporting goods houses have done splendid business.

From the various sloughs and duck grounds most gratifying reports have been received and if the weather is favorable for duck shooting there should be little disappointment. Ducks are plentiful at most of the shooting grounds. Many large flocks have been seen about the White lakes and along the sloughs, small streams and the river. Parties are being made up and scores of crack shots will leave the city tomorrow night. Few club members will be left behind. Quite a delegation will go north to the hunting near Brigham City. It is expected the Bear River club will have a larger crowd on hand this year than ever before. Members of that organization have already begun to arrive and there is much enthusiasm over the prospects.

When You May Shoot Ducks and When Not

For the information of duck shooters, Fred W. Chambers, state fish and game warden, has prepared the following table showing when you may begin shooting. Under the law one may begin shooting a half hour before sunrise:

Seventeen Harness World's Records Broken on the Grand Circuit

A New York dispatch says:

The grand circuit season is a little more than half over and two of the most important meetings of the year are yet to come—the two weeks at Columbus and the grand finale at Lexington. So far this year seventeen world's records have been broken, thirteen by trotters and four by pacers, a splendid average when it is considered that the class of horses racing down the big line this year is poorer than usual.

In the matter of brilliant performances by racing trotters and pacers the season of 1909 will rank above that of many years in light harness history. The performances of Hamburg Belle, 2:01¼, at Ranrall, and Uhlan, 2:02¾, at Readville, alone made more changes in championship records than were recorded all of last season, which was one of the greatest years in the history of the sport. Most of last season's records were made late in the year.

When the new championship record table is printed at the end of the racing season the following changes will already have taken place, some of which are of long standing and made by noted horses:

TROTTING.

First—Fastest 5-year-old gelding: Major Delmar (1902), 2:06½; Uhlan, 2:02¾.

Second—Fastest 5-year-old stallion: Allan Winter (1908), 2:06¾; Bob Douglas, 2:06¼.

Third—Fastest heat in race: Cresceus (1901), 2:02¼; Hamburg Belle, 2:01¼.

Fourth—Fastest heat, mare: Sweet Marie (1906), 2:03¾; Hamburg Belle, 2:01¼.

Fifth—Fastest heat, gelding: Highball (1908), 2:03¾; Uhlan, 2:02¼.

Sixth—Fastest heat, 5-year-olds: Major Delmar, 2:05½; Uhlan, 2:02¾.

Seventh—Fastest first heat: Cresceus (1901), 2:02¼; Hamburg Belle, 2:01¼.

Eighth—Fastest second heat: Sweet Marie and Highball, 2:03¾; Hamburg Belle, 2:01¼.

Ninth—Fastest fourth heat: Benzetta (1905), 2:06¾; Bob Douglas, 2:06¼.

Tenth—Fastest two-heat race: Sweet Marie, 2:04¾, 2:03¾; Hamburg Belle, 2:01¼, 2:01¼.

Eleventh—Fastest two-heat race by gelding: Jack Leyburn, 2:06½, 2:04¼; Uhlan, 2:04¾, 2:01¼.

Twelfth—Fastest 3-year-old filly in race: Fantasy (1899), 2:08¾; Soprano, 2:06¾.

Thirteenth—Fastest mile under saddle: Charley Mack (1904), 2:13¾; Country Jay, 2:08¼.

PACING.

Fourteenth—Fastest 3-year-old colt: Klatawan (1898), 2:05½; Jim Logan, 2:05¼.

Fifteenth—Fastest 2-year-old filly: Brenda Yorke (1908), 2:08¾; Maggie Winder, 2:06½.

Sixteenth—Fastest two-heat race by a mare: Alleen Wilson, 2:02, 2:04; Lady Maud C., 2:02½, 2:03¼.

Seventeenth—Fastest mile by team: Direct Hal and Prince Direct, 2:06½; Lady Maud C. and Hedgewood Boy, 2:02¾.

The total changes in the trotting division of the championship table last year were exactly the same as recorded above, yet five of them were made against time, either at Lexington or Glenville. Allan Winter's two records, as the fastest 5-year-old stallion and the fastest green performer, being made at the latter place. Every one of the new records made so far are race records, which still further explains the phenomenal speed qualities of the season's great trotters.

At least two more trotting records are in the probable list, namely, the world's fastest 4-year-old colt mark of Directum, 2:06¼, which The Harvester is expected to lower, as he has already shown a mile in 2:02¾ in a workout, and Lou Dillon's unpaced mark of 2:01, which Hazelburg Belle will not only wipe off, but set the record at the 2:00 clip for the first time in turf history. If she shows her best speed.

She is fully capable of the feat and horsemen all hope that this she will accomplish in her next race with Uhlan, as no matter how fast she may go in the start against time, her name will not be recorded in the honored list because of that windshield mark of Lou Dillon's, for even if Hamburg Belle lowers 1:58½ to windshield she still is barred, as such records are not official now.

GREAT RACE FOR CHAMPIONSHIP

New York, Sept. 28.—While it has lost some ground on its present eastern trip, the Detroit club stands an excellent chance this season of winning its third consecutive pennant, and thereby establishing a record for the American league. Detroit's advantage over Philadelphia now is 2½ games or 16 points.

Detroit has six games scheduled, four with Boston and two with Chicago, and if it should win four, Philadelphia would have to win all its seven remaining contests in order to tie for the championship. Should Detroit win four out of six, and Philadelphia win seven straight, each would have 89 victories, 54 defeats and an average of .867.

In this event, a series of three games would have to be played to decide the tie.

Philadelphia will play two games with Chicago tomorrow, and Detroit also is scheduled to play a double-header in Boston.

CLEVELAND CLUB HAS NEW SCHEME

Cleveland, O., Sept. 28.—The Cleveland club has just closed a contract for the most improved field covering that has ever been made. It is not in use anywhere in the country and is vastly better than the covering which protects the Pittsburg infield. The covering is an ingenious contrivance and if it works as well in practise as in theory will save the club thousands of dollars in postponed games. It consists of a monster canvas 165 by 165 feet. In times of sunshine this will be rolled against the grandstand. When wishing to spread it for the protection of the diamond the canvas will be rolled to the center of the diamond and unfolded. A dozen men can handle it easily.

A BURNT CHILD

Dreads the fire. The dread is wholesome, but not the burn; that can be healed and instantly relieved by applying Ballard's Snow Liniment. Be prepared for accidents by keeping a bottle always in the house. Best for sprains, bruises, cuts, scalds, rheumatism, neuralgia, bunions—any and all aches and pains. Price 25c, 50c and $1.00. Sold by Z. C. M. I. Drug Dept., 112 and 114 South Main St., Salt Lake City.

ANTE-SEASON AND POST-SEASON GAMES

New York, Sept. 29.—It is now believed that the New York American and National league baseball clubs will soon sign an agreement for a series of ante-season and post-season games extending over a period of three years. Manager McGraw of the Nationals and Owner Farrell of the American club have favored such an arrangement but were balked by Owner Brush of the Nationals. When the National club recently agreed to a series of post-season games this fall with the Boston Americans, it was in Farrell's power to prevent the appearance of another American club in this city, but he waived his right to do so, it is understood, on the tentative promise of Brush to permit his club to play the New York Americans seven games before the opening of each of the next three seasons and nine games following the close of the same seasons.

LANGFORD MEETS TARTAR.

Boston, Sept. 28.—Sam Langford of Boston took five rounds to defeat the "Dixie Kid" of California, both colored, at the Armory A. A. tonight.

The Californian was much lighter but by clever ducking was able to avoid most of Langford's terrific swings, and in the third round had the Bostonian worried by a series of body punches and jabs in the face, which stopped Langford partially.

In the fifth round Langford sent his man to the floor once and as the bell rang drove him in a mean into his corner with a heavy body blow. Before the bell rang for the sixth round the Kid's seconds threw up the sponge.

PAPKE AND LEWIS.

Pittsburg, Sept. 29.—The National Athletic club of Pittsburg has matched mitt of a decision. The date of the fight six rounds, each man to receive $2,500, as the laws of Pennsylvania will not permit of a decision. The date of the fight will be Oct. 8 or 9, subject to the appointment of dates for the world's championship by the National baseball commission.

HOLLISTER TOWNSITE SALE.

Reduced rates via Oregon Short Line to Hollister, Idaho (via Twin Falls) for sale of town lots on Oct. 2. Tickets on sale Sept. 29, to Oct. 1, limit to Oct. 6. City ticket office 201 Main Street.

UNIVERSITY TEAM, KNIGHTS OF GARTER

Football Warriors Presented With Hose Supporters This Morning—Officials Selected for Saturday.

The boys of the team of the University of Utah were suffused with bright scarlet blushes this morning when Mrs. Maddock, wife of their coach, presented each with a pair of silk garters. The lads accepted the presents with expressions of gratification and are now preparing to regard the tokens as mascots. At the same time those who are not included in the team are consumed with green envy. From this time on shoe laces and pieces of tape will be discarded and the knights of the garter on the gridiron will no longer exhibit discolored shin bones to the gaze of the populace during their moments of strenuous endeavor near their opponents' goal line.

After the presentation details of the forthcoming game with the Ogden high school at the Junction City were gone into. The officials selected for Saturdays' function are: Ben Harker of the Weber stake academy, referee; former Capt. Hansen of the A. C. team, umpire; Nicholson of the Boston technical school, field judge; J. O. Clark, principal of the Ogden high school, head lineman.

This afternoon at 4 o'clock, the Granite high school arrives on the Cummings field for scrummage practise.

The athletic council is meeting this afternoon to complete its organization and arrange for future games and generally take up the details of business on hand.

WESTERN LEAGUE.

Des Moines, Sept. 28.—Des Moines today won the Western league pennant by its victory over Lincoln, 5 to 3. In order for Des Moines to win the pennant, however, it was necessary for Sioux City to drop two games to Omaha, which it did today. The flag goes to Des Moines by a margin of two points, the closest pennant race in the history of the Western league. Des Moines' percentage is .612 and Sioux City .610, with Omaha third. The season closed today.

Tonight 3,000 fans celebrated the pennant victory with a street parade.

Owner Higgins said tonight he would not drop baseball now and would not transfer the team, as he had stated several weeks ago. "I will give Des Moines a good team next year if they want one," he said.

Omaha winds up in third place with a percentage of .593. Topeka is fourth with .510, Wichita, .464; Denver, .460; Lincoln, .403 and Pueblo last, with .385.

ORIGIN OF THE REORGANIZED CHURCH AND SUCCESSION.

A book of 146 pages showing the latter-day apostasy.

This book is invaluable and indispensable to missionaries and all other students of Church history. It deals thoroughly with the origin of the Reorganized church and conclusively proves it to be of apostate sources, also that that church has departed from the doctrines of the Prophet Joseph Smith and now attacks them vindictively, denying many of the principles of the gospel. The book also treats the Succession in the Presidency and shows that PRESIDENT BRIGHAM YOUNG WAS PROPERLY ORDAINED TO LEAD THE CHURCH.

JOHN STEVENS' COURTSHIP.

A Story of the Echo Canyon War.

Mrs. Susa Young Gates has written a beautiful romance on early pioneer days.

The story opens with the famous picnic in Big Cottonwood canyon in July, 1857. The startling announcement of the approach of Johnston's army, furnishes the overture of the story, and into this scene is woven the plot of the whole narrative. The incidents of danger and war, mingled with the innocent pleasures and laughter of the pioneers, follow in rapid succession.

It contains 277 pages and is handsomely bound in green cloth and gold.

Price $1.00 postpaid.
