Great Harvesters trial yesterday at Elwood, Nebraska.

The "Elwood" trial yesterday at Elwood, Nebraska, was the best work. "Elwood" victoriously over Marshall, Harvester and all others.

**SAINT PAUL HARVESTERS' WORKS.**  
The above is sufficient evidence to show that the Elwood is the best of the harvesters, and that those who purchase the Elwood will find it to be the best harvester manufactured. The machines are fully warranted as represented, and for sale by Geo. A. Alden.

## IMPORTANT TO THE TRAVELING PUBLIC.

It is the duty of all persons to take the shortest route to their destination, and if there are two or more roads leading to the same point, to decide which is the safest and most pleasant to travel.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RAILWAY is the oldest, and several miles the shortest, route between Omaha and Chicago.

Within the past two years the road bed has been put in admirable condition, and almost the entire line has been re-laid with steel rails.

The Depot in Chicago is centrally located, and as their trains arrive there thirty minutes in advance of all other lines, passengers can always be sure of making Eastern connections.

Close connections are made at Chicago with the Lake Shore & Michigan Southern, Michigan Central, Baltimore & Ohio, Pittsburgh, Fort Wayne & Chicago, Lake Erie & Western, and Panhandle Routes, for all points EAST and SOUTH-EAST.

If you are going to Chicago, or East, you should, by all means, purchase your tickets by the Old Pioneer Route.

The Chicago and North-Western.

You will find on all through trains Pullman Sleepers, new and magnificent Day Coaches, and the best Smoking and Second Class Cars now on any road in the United States.

Particular information with maps, time tables, etc., may be had at any of the Through Ticket Offices in the West, or upon personal or written application to Geo. W. Allen, Ticket Agent, Salt Lake City, or to E. H. Mountain, Western Traveling Agent, Omaha, Neb., or to W. H. Senner, General Passenger Agent, Chicago.

ALL kinds of fancy and mixed drapery at the Old City Liquor Store. Sango does the mixing.

DON'T BE IMPROVED UPON!!! H. Reiser, opposite the Herald Office, has Watches and Clocks for all who want reliable timepieces. Repairing done on short notice. Everything warranted.

The very best coal for summer use is the "Spring," \$9.50 per ton at depot. Remember the place, Old Vandike stand.

Orders can be left at Day & Co's and Elephant Stores.

Stormy. Wind, dust, thunder, and attempt to rain, this afternoon.

A Merino Ram. An unshorn two and a half year old merino ram was exposed for sale on the street, to-day, at \$55.

Unlicensed. A number of persons were before Justice Fryer, to-day, for being unlicensed.

People who have dogs for which they have not paid license should either have them registered or put a quietus upon them. Either way is cheaper than having to appear in Court and be fined, and then have to do one or the other afterwards.

Sovier County. A gentleman from Monroe informs us that the crops look more promising the present season than any year since that part of the Territory was settled.

A tannery for the County, in connection with the United Order, has been built and is in operation, at Glenwood.

About eight hundred acres of land have been sown in grain by the "Order" in Monroe, and other settlements have done similarly in proportion.

Fine Young Potatoes. This morning Brother Thomas E. Jerny, of the 15th Ward, brought to this office some fine specimens of "Early Rose" potatoes, which were planted on the 15th of April. They are the largest by far we have seen this season, thirteen of them turning the scale at seven pounds.

Brother Jerny takes great pride in cultivating roots and vegetables, and has imported the most valuable kinds of potatoes from England and the States, paying for some as high as three dollars a pound, which he paid for the Alpha. Bro. Jerny's is good, rich, moist, alluvial, bottom land.

The Last Opera. We have very little space to-day for operatic matters, but we may say that the opera of "Mignon," presented last night, is a decidedly attractive character, having much of the romantic and the pathetic. Mr. Peakes was excellent as "Lothario," Mrs. Rosewald as "Filina" amply confirmed the good opinion previously expressed of her. Miss Beaumont excelled as "Mignon" with much credit, and Mr. Castle sustained the part of "Wilhelm" with his usual ability.

Excursion Party. About a hundred of the members and friends of Argenta Lodge No. 2, went by special train yesterday on an excursion from this city to Fern, Grove, Ogden. The party left the U. C. Depot here a few minutes to 10 o'clock this morning, and reached

The Conspiracy Against Beecher.

New York, 1.—Tilton's counsel are hesitating to accept Beecher's request, that the jury may be notified of Leader's perjury in whatever form or terms the latter should prescribe. The Tribune says, "We hope they have considered the position in which the refusal places them. Leaders and Price might be held liable for a conspiracy to defame and injure a man of Tilton's rank and position. The two wretched conspirators made up a monstrous falsehood, which fell to pieces as suddenly as it was subjected to the slightest examination, that they were obliged to confess the imposture; but Beecher and Morris took the responsibility of submitting that falsehood to the court as truth, and, practically, of putting it before the jury for the sake of affecting their decision in a momentous issue. Now that the fraud has been exposed they abandon the conspirators to their fate."
