Editor Deseret News:

I will gladly tell Uncle Jonathan and the readers of the NEWS what we are doing in the Oklahoma country. We have been holding our conference here for the last two days. We had a good time. We had the presidency of the Gospel Tents with us, and they were very helpful. We also had Elders Brown, Brooks, Tom Smith and others with us. At the conference we were with most organized and experienced in meeting and preaching. W. J. Hyde, O. Gibson and others were present. We had a good time. We were well attended.
