

SHOCKING SUICIDE AT PLAIN CITY

Levi Hult, Despondent Over Prolonged Ill Health, Takes His Own Life.

ABSCONDING BARBER CAUGHT.

Gambing House Habitué Dies in Jail—Transgressors Brought to Book—Beers Murder Case Hearing.

Ogden, Oct. 2.—Levi Hult ended his life yesterday afternoon shortly after 7 o'clock by sending a bullet through his heart at his home in Plain City, the cause of his rash act being despondency over ill health. For about 15 years he has been a great sufferer from rheumatism, but of late the affliction had become much worse and during the past few days he was confined to his bed suffering terrible pains. He was not married, but with him was his aged mother, who are heartbroken over the sad affair. He got his pistol some way yesterday and took it in the bed with him. When his parents were out of the room he fired the fatal shot, going without uttering a word. The shot was heard by the parents, who rushed into the room only to find him in a dying condition. Neighbors were quickly summoned, and did what they could, but he died in about five minutes. Sheriff G. A. Gehring was sent for. He drove to the home and after viewing the surroundings, impounded a coroner's jury composed of W. A. Jones, Charles E. Taylor and Joseph Roth, who viewed the body and the holding of an inquest was postponed until the county attorney could decide whether it was necessary. It is thought that as all the facts obtainable point to suicide, an inquest is unnecessary. Deceased was about 40 years of age. He came to Plain City only last May and little of him is known by the people of that town. He had been living in Idaho, but was originally from Iowa.

ESCAPED FUGITIVE CAUGHT.

Scott Granger, Wanted for Passing Worthless Checks.

Ogden, Oct. 2.—After 10 months of continued work on the part of Sheriff Gehring, he has at last located C. B. Granger, alias Scott Granger, who is wanted here on the charge of forgery. He is now confined in a jail at Aspen, Colorado, and the sheriff will leave tonight with the necessary papers to bring him back to Ogden to answer to the charge.

The day before last Christmas, Granger secured from various places of business approximately \$300 and then slipped. From Richard Davis he obtained \$150, on a check; from the Utah Bank & Stationery company he secured a large amount, and smaller amounts from friends and grocery stores. He was employed in a local barber shop, at those whom he fleeced supposed him all right. Soon after his de-

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

DIED IN JAIL.

William McLean, a Gambling House Habitué, Succumbs to Alcoholism.

Ogden, Oct. 2.—William McLean, a well known figure around the various gambling houses of Ogden for several years, died yesterday afternoon at the city jail of alcoholism. He was taken to the jail a week ago by friends to sober up, having been on a protracted spree. While at the jail he suffered from delirium tremens and was attended by Dr. A. S. Condon. His condition was not considered serious until a short time before he died, when his heart began to weaken. McLean was about 40 years of age and has been a resident of Ogden for about six years, acting as bar dealer at several gambling houses. The funeral services will be conducted tomorrow afternoon from Larik & Sons funeral chapel.

LEWISTON.

DEMISE OF SAM L. ALLEN.

One of the Oldest Settlers and Noted As the "Poor Man's Friend."

Special Correspondence.

Lewiston, Cache Co., Sept. 28.—Funeral services over the remains of Samuel L. Allen were held today. Mr. Allen was one of the oldest settlers of Lewiston and was much respected for his sterling worth and noble qualities, and many expressions eulogistic of his life were given by those who spoke at the services. Mr. Allen was known throughout this vicinity as "the poor man's friend," than whom none have been more charitable toward those in need. In the early settlement of Lewiston he was more fortunate in the possession of this world's goods than perhaps any of his neighbors, and no one can say that a poor man was ever turned away empty handed from his door. Mr. Allen's wife died some years since and he has spent the time that has elapsed since in doing good to all. He leaves a family of sons and one daughter and a host of friends to mourn his demise. Mr. Allen was 69 years of age and the cause of his death was general debility. Threshing will soon be over and best hauling will be the all important labor. The best yield per acre will not be so large as last year, as the beds are not so large, although the acreage is much the same.

tem installed and in working order, the result of local enterprise and capital. Last evening the system was tested from the powerhouse at Woods Cross and within two hours every business house was illuminated and some of the street crossings. At 8 o'clock the opera house was filled to its capacity with citizens from all parts, who met in response to a call for a public demonstration. An interesting program was given with appropriate speeches by Mayor Stringham, C. R. Mahey, president of the Commercial club, James A. Eldredge, president of the Bountiful Light & Power Co., and others, interspersed with music by the Bountiful Silver band, songs, etc. Great enthusiasm prevails among the promoters of the enterprise, and much praise is due those who have had the work in hand. The lines will be extended as fast as possible, and it is safe to say that within the next year the present system, though now a mere infant, so to speak, will branch out in every direction, going as far north as Centerville, if not Farmington.
