WHEN NED HANLON WAS WITH DETROITS

Story of the Great Team That He Had Charge Of.

PLAYERS IN THE EARLY DAYS.

If Club Could Have Been Held Together It Would Have Won Pennants For Many Years.

"Ned" Hanlon, who for the last ten years has been the foremost manager in the baseball business, was for ten years prior to his first managerial venture one of the game's best and foremost players. "Eddie," as he was called in his player days, spent his palmiest season as a member of the Detroit team, which numbered on its list the famous big four. The quartet, which was "Dan" Brouthers, "Jim" White, "Hardie" Richardson and "Jack" Rowe, with "Sam" Thompson, Hanlon, Dunlap and Bennett, composed a bunch of swatters that broke the heart of many a pitcher. Brouthers, Thompson, Rowe, White and Hanlon were left hand hitters, while Richardson, Dunlap and Bennett, although batting right handed, could hit the ball about as far as the southpaw sluggers. With such a team of batters it is little wonder that the club won the championship in 1887 and was a close second in 1886.

Unfortunately, the great team was disbanded after 1887, and was distributed throughout the National league. Otherwise, it would have continued to win the pennants until doomsday. Hanlon was captain and center fielder of the crack organization, which was under the management of W. H. Watkins, who is now owner and manager of the Minneapolis club. Capt. Hanlon was ten accumulating the knowledge that stood him in such good stead when he was educating the famous four-time champion Orioles. His breaking in and rounding into pennant form of a team of unbroken colts was the sensation of baseball at the time, and still stands as the greatest managerial feat the game has ever known.

One of the men who was with Hanlon during these days has the following to say of him:

"When with Detroit, Hanlon showed many of teh traits that have since brought him fame and fortune. He was always doing something unexpected and keeping the other fellows guessing. He was a good all-round player, being a fine fielder, a slashing batter, and as a baserunner he excelled. He saw the weakness of his opponents and took advantage of the mby careful study of the situation. That "Eddie" did not inaugurate the hit-and-run game when with the Detroits I think is for te simple reason that the slugging qualities of the big four and their associates called for them to bang the ball. They could win more games by brute strength than by any complicated inside business.

"But that those plays which were developed later were in Hanlon's mind, in an embryo state perhaps, was apparent to me many times, for I was fortunate enough to be under 'Eddie,' and with te big four, too. One instance I remember especially was when I was on third and Hanlon tipped me off that he was going to dump the ball down. The game was against the Giants, and 'Tommy' Esterbrook was playing third for the New Yorkers. 'Edie' planted the ball down at right and I slid home while Esterbrook was gathering his wits as to what had occurred. That was back in 1886, and they call the bunt a new departure almost."

"Silent" After "Kid" Price.

"Silent" Rowan and his brother, "Dummy" Rowan, are now at Nampa, Ida., and both are looking for matches. "Silent" has heard about "Kid" Price and the latter's challenge and wants to come here to box the local lad. He would like to fight in Salt Lake at catch weights.

WILL GET SOME ONE ELSE.

"Spider" Welch to be Matched Against Some Eastern Top Notcher.

Since Jack Clifford has agreed to box Perry Queenan and has declined to meet "Spider" Welch, Manager Kelley of the Shamrock club has decided to send for an eastern top-notcher to come here and box Welch on or about April 1. He has several good offers to pick from and will make a selection today. Welch has already been sent for and will meet any good man that can be brought here. Kelley says he will put on a card that will please the fight fans here, and that he will handle only men of reputations.

BASEBALL AT 'VARSITY.

No Team Will be Organized to Represent the Institution.

At a meeting of the athletic council of the university yesterday afternoon it was decided not to organize a baseball team this year to represent the 'Varsity. It was agreed, however, to do all in their power to organize class teams and compete for the class championship of the university. The only reason given for not having a team to represent the school is that the expenses would be too great.

MAY MEET ONCE MORE.

Arrangements Made for Another Match Between Clifford and Queenan.

Eddie Robinson announces that he has completed arrangements for another match between Jack Clifford and Perry Queenan, to take place in this city within the next three weeks. Clifford stated that he had been given a guarantee of $300 win or lose. It was announced that the fight wil be under the auspices of the Salt Lake Athletic club, with Eddie Robinson at its head.

Clifford and Queenan have met twice, and each contest went the limit, twenty rounds, neither man winning the decision.

Basketball at Ogden.

The basketball game at Ogden between the W. S. A. and the A. C. U. teams, resulted in victory for the Weber Stake boys. They defeated the Loganites by a score of 14 to 13, in a sharp and exciting contest. The lineup was as follows:

A. C. U.		W. S. A.
Hawley	C	Doxey
Adams	R. T.	Irvine
Finlayson	L. T.	Craygun
Taylor	R. G.	Belknap
Coburn	L. G.	Berlin

Referee — Nelson. Umpire — Campbell. Twenty-minute halves.

ASCOT PARK EVENTS.

Talent Suffered in Consequence of a Great Many Upsets Yesterday.

Los Angeles, March 11.—There were a great many upsets at Ascot today and the talent suffered in consequence of them. The best race of the day was the fourth, a free high weight handicap and it resulted in proving Fustian one of the gamest horses now racing here. Sals was the favorite at 7 to 5, with E. W. Brattain second choice. Fustian was well supported at 4 to 1 and later at 3. Fustian was left at the post and when he got straightened out was ten lengths behind Brattain, the lead. He closed up the gap and turning into the stretch was a length behind. Under the vigorous riding of Lewis he came like a whirlwind and won by a short nose from Brattain. Colonel Bogey was third and the favorite fourth. The track was very heavy, but Fustian's time was 1:15, a good performance under the conditions. Weather unpleasant. Results:

First race, six furlongs, selling—Japalak won, Judge Napton second, Roltaire third. Time—1:11.

Second race, six furlongs, selling—Andrattus won, Eldred second, Rosebud third. Time—1:17½.

Third race, six furlongs, selling—Dorice won, Athelrose second, Bassano third. Time—1:17¼.

Fourth race, six furlongs, handicap—Fustian won, E. M. Brattain second, Colonel Bogey third. Time—1:15.

Fifth race, one mile, selling—Canejo won, J. V. Kirby second, Invictus third. Time—1:44.

Six race, six furlongs, selling—Criss Cross won, Toto Gratiot second, Winnifreda third. Time—1:15½.

RACES AT OAKLAND.

Arabs Created Surprise by Defeating Kenilworth, a Favorite.

San Francisco, March 11.—Fine weather favored the racing at Oakland today, but the track was very muddy. A six-furlong handicap which brought together some clever sprinters was the main attraction. Kenilworth was a heavily played favorite with Albula and Elliott next fancied. The result was unexpected, as Arabo, an outsider, led all the way and beat Kenilworth handily. Albula was third. The start was a poor one and Elliott suffered the most. He made a fine showing, being beaten only a head for third money.

Surprises were the order of the day, as only one favorite landed. Bill Short was regard as a good thing for the 2-year-old race, and went to the post a 6 to 5 choice. He led most of the way but ran out and was beaten a head by Light of Day, quoted at 9 to 1. Matt Hogan, with Bullman up, was strongly supported to win the third, and rewarded his backers by leading Pickaway and Galanthus past the judges. H. M. Donaldson, valet for Jockey Frank Reed, was ruled off the track today for making an unprovoked attack on Captain Forsee of the Pinkerton patrol. Summary:

First race, five and a half furlongs, selling—Zenonian won, Riesca second, Gateway third. Time—1:11½.

Second race, three and a half furlongs, purse—Light of Day won, Bill Short, second, Golden Idol third. Time—:44.

Third race, Futurity course, selling—Matt Hogan won, Pickaway second, Galanthus third. Time—1:14⅘.

Fourth race, mile and a furlong, selling—Chickadee won, The Fretter second, Fil D'Or third. Time—2:01.

Fifth race, six furlongs, handicap—Arabo won, Kenilworth second, Albula third. Time—1:17.

Sixth race, seven furlongs, selling—Billy Moore won, Decoy second, Isabellita third. Time—1:33.

KRANT BEATS REILLY.

Jimmy, Brother of Tommy, Knocked Out in Eleventh Round of Fight.

Portland, Or., March 11.—Harry Krant of Seattle knocked out Jimmy Reilly of Portland in the eleventh round of a scheduled twenty-round contest before the Oregon City Athletic club last night. The contest was one of the best ever seen in the northwest, both men being scientific and possessing great ability to take punishment.

Krant, who is a most promising youngster, had the better of the majority of the rounds, twice sending his more experienced opponent to the floor for the count. The end came in the eleventh round, when, with a series of rights and lefts to the head, Krant succeeded in putting his man to sleep. Reilly did not regain consciousness for ten minutes after the referee had counted him out.

Young Gibbs Wins.

Kansas City, March 11.—Brooklyn Jack O'Brien gave up in the fifth round of his fight with Young Gibbs at the Mechanics' club tonight's.

Jenkins Wins Match.

New York, March 11.—Tom Jenkins defeated John Pineing tonight in a match of mixed style wrestling. Jenkins won the first all, catch-as-catch-can. The second bout, Graeco-Roman, went the limit of time of one hour.

Rifle Competition.

New York, March 11.—Invitations have been sent to riflemen in the United States and various foreign countries requesting the appointment of teams to participate in the match for the Palma trophy, which represents the military team championship of the world.

The trophy was won by the A merican team at Bisley, England, in July last in competition with teams from rGeat Britain, France, Canada, Norway, Australia and Ntal. This year the trophy is to be contested for at Seagirt, N. J., September 1.

SOCIAL AND PERSONAL.

One of the most delightful affairs of the week was the musicale given by Mrs. W. A. Wetzell yesterday at her studio in honor of Miss Ruby McCord of Chicago. Red, white and green were carried out in the decorations, and the latter tint being distinctively used in the refreshments. Red and white carnations were used with palms and smilax, but the green predominated, in honor of St. Patrick's day. The program was a most delightful one and was given by some of the noted musicians of the city, the list numbering Mr. Weihe, Mr. Shepard, Miss Olive Gray, Miss Agatha Berkhoel and Mr. Nettleton. The hostess was assisted by Mrs. W. F. Loomis, Miss Collier and Miss Turner in receiving and entertaining and the guests comprised about 40 of the music lovers of the city. Miss McCord will be the guest of Mrs. Wetzell until next Tuesday, when she will return to her home in Chicago.

• • •

Mrs. E. V. McCune entertained at dinner on Wednesday night in honor of her father, Mr. John Groesbeck, who has just returned from Peru.

• • •

Mr. and Mrs. J. E. Oglesby left yesterday for a short stay in Chicago.

• • •

Dr. and Mrs. A. S. Bower will return tomorrow from their bridal trip.

• • •

The Sarasate club gave one of its delightful dancing parties at Unity hall on Thursday night, a large number being present to enjoy the pleasant affair.

• • •

A number of parties were made up to attend the Christensen soiree on Wednesday night.

• • •

Mr. and Mrs. Le Roi Snow entertained at an informal dinner last night, covers being laid for ten.

• • •

The Daughters of the American Revolution have decided to put up a drinking fountain in some public part of the city. Funds have already been collected and a committee will make the necessary arrangements.

• • •

Mr. and Mrs. R. H. Eardley entertained the C. C. C. at "63" very pleasantly at their home in Farmers' ward last evening. Six tables were played.

• • •

Mr. and Mrs. L. H. Beason have taken up their residence at 662 East Temple street.

• • •

Miss Ethel Brown was very pleasantly surprised on Monday evening, the event being in honor of her birthday. Games and dancing were enjoyed until a late hour when dainty refreshments were served. The invited guests were, the Misses Nellie Goss, Beatrice Anderson, Carrie and Dean Workman, Ida Aldous, Ella and Josephine Brown, Mrs. Vern Samples, and Messrs. Will Allsworth, Harlow Grow, Alfred Allen, Ernest Blazier, Ad. McDonald, Joe Hunt, Joe and Bert Kingdon and Esper Sorenson.

Mrs. J. S. Sears entertained at a delightful Kensington yesterday.

"HOLY CITY" CANTATA.

Most Creditably Given at the Central Christian Church Last Night.

Every seat in the Central Christian church was occupied last night by an audience in attendance on the performance of "The Holy City," a sacred cantata by Alfred Gaul. It was probably one of the most meritorious ensemble performances given in this city in recent years, and all through there was evidence of careful and conscientious drilling. There was not a balk or a hitch anywhere, every singer sang well.

The choir was assisted by Miss Nell Pinkerton, soprano; Miss Edna Dwyer, contralo; W. D. Phillips, tenor; Edward Copley, basso; and A. E. Hubbard, violinist. These solists were at their best, and were given as excellent support as soloists could wish for. Mrs. J. W. Christy is a good conductor; and as for a drillmaster, the whole evenings work was an illuminated testimonial as to her capability. The organist, Mrs. J. H. Sanborn, a thorough and conscientious performer, should have had some relief, for the physical labor of playing that entire cantata was, as would be said in New Hampshire, "No small chore."

The cantata of "The Holy City" is a meritorious composition both in general melody and harmonic construction, and there is occasionally a modulation characteristic of Wagner that is very pleasing. As sung by a larger organization, the Tabernacle choir, for instance, the cantata would be decidedly imposing. The absence of applause was noticeable, due apparently to an impression that it would hardly be acceptable in a house of worship, though not to any lack of appreciation. At the close, however, there was an audible manifestation of approval, as though the audience proposed to applaud anyhow.

Following is the personnel of the performers: Director, Mrs. J. W. Christy; accompanist, Mrs. J. H. Sanborn; violin, A. E. Hubbard; chorus—soprano, Miss Hope McIntyre, Mrs. E. H. Dorman, Miss Sophia Berry, Miss Nellie Pinkerton, Miss Hattie Ward, Miss Kathrine Pratt, Miss Chesley Carman; alto, Mrs. A. E. Hubbard, Miss Crete Pinkerton, Miss Edith Cornell, Miss Edna Dwyer; tenor, L. S. Wilson, C. R. Twining, W. D. Phillips, F. J. Wight; basso, E. W. Baysinger, Edward Copley, R. B. Bowen, A. E. Hubbard, J. L. Moore, E. C. Reeder.

HOME FROM THE COAST.

Salt Laker Heard Nothing of the Recent Talk of Dividing the State.

Cashier Adams of the National Bank of the Republic, who recently returned from an extended coast trip, said today, that while business there was good on the whole, there was much uncertainty in San Francisco on account of the scarcity and high price of labor. But Los Angeles is growing very, very fast, and great buildings are in process of erection all over the city; and the surrounding country is growing to correspond. When asked if he heard any talk about division of the state, Mr. Adams said, "No," but he could easily see how such a thing might be brought about before very long. Northern and Southern California are entirely different in climate and other natural conditions, and a division with the line drawn east and west near San Bernardino would divide the state equitably, with Los Angeles as the capital of the new southern state.

GROCERS AFTER PEDDLERS

Want Their License Increased from $6.90 to $50 Per Quarter.

Owing to the absence of seven of the city councilmen last night there was very little business transacted by the council committees. The license committee considered the petition of the Retail Grocers' association asking that the license of venders of fruits and vegetables be increased from $6.90 per quarter to $50 per quarter. Representatives of the association were present and were heard on the proposition, but no action was taken in the matter as it was laid over until the venders could have an opportunity to be heard.

The public grounds committee decided to report in favor of leasing the city's gravel pits instead of leaving them open to the general public. The rate to be charged for the use of the pits is $40 per year for every 100 front feet, the preference to lease being given to the persons who opened the pits. Two of the oldest pits will be left open to the public to permit of private parties getting a load or two free of charge.

The finance and police and prison committees will recommend to the council that $300 be appropriated to the credit of Chief of Police Lynch with which to purchase a new team of horses for the patrol wagon, the old team being unfit for further service.

CANNON ON HEARST.

Says He is Not Specially Interested In His Nomination.

The time of holding the Democratic state convention for the election of delegate sto the national convention to be held during the summer, will be decided upon at a meeting of the state committee in this city, April 9. The call was issued late yesterday afternoon by Chairman Frank J. Cannon and mailed today by Secretary P. J. Daly. Speaking of the report that he would do everything possible to elect a delegation favorable to the nomination of W. R. Hearst for president, Mr. Cannon took occasion to say:

"I am not interested at all in the selection of delegates who may be favorable to Mr. Hearst. I am not working in that direction, nor to secure his endorsement by the committee. I will say, however, that I believe Mr. Hearst, if elected, would make a good president. I have much greater respect and admiration for him than I had before I met him two or three years ago, I will confess. He is a strong man, and will have a powerful following in the convention. There are other able Democrats, however, who are available."

THOMAS CULVER, 525 Oakley Ave., Salt Lake City.

Mr. Culver is a well known ASSAYER of this city—formerly of Montana. He says: "I have suffered for eight years with what I called Bronchitis and Catarrh—and though I have tried many things I found no permanent relief until I went to Drs Shores & Shores. During these eight years before consulting Dr. Shores, I suffered intensely. Night after night I coughed and gagged—I could not sleep for coughing. I hawked and spit in the mornings—if I walked fast, or became over heated, I would cough until my head ached. THREE DAYS after beginning Dr. Shores treatment I felt better, since then my improvement has been steady and wonderful and TODAY I feel like a perfectly well man, no more cough, no more hawking. I sleep sound, and to all intents and purposes I am CURED, and I want to publicly say so for the benefit of other sufferers. Drs. Shores & Shores are certainly doing a grand work in Utah.

DRS. SHORES & SHORES NOT ONLY CURE CATARRH, but they CURE Stomach Troubles, Kidney Diseases, Bladder Troubles, Heart Disease, Piles, Fistula and Rectal Diseases, Diseases of Women and Children, Skin Diseases, Deafness, Asthma, Bronchial and Lung Troubles, Rheumatism, Hay Fever, Lost Strength, Blood Diseases, and all forms of Nervous and Chronic Diseases.

WEAK MEN PAY WHEN CURED.

Contracted Disorders.
Be sure your cure is thorough. Not one of our patients has ever had a relapse after being discharged as cured and we cure in less time than the ordinary forms of treatment require.

Specific Blood Poison
No dangerous minerals to drive the virus to the interior, but harmless, blood cleansing remedies, that remove the last poison taint.

What "Weakness" Is and How We Cure It.
So-called "Weakness" in men is merely a symptom of chronic inflammation in the prostate gland, brought on by early dissipation or by the improper treatment of some contracted disease. A complete and radical cure is, therefore, a question of restoring the prostate gland to its normal state, and this we accomplish promptly and completely without the use of internal remedies. Our treatment is a local one entirely. It is original and scientific, and has been proven absolutely effective by thousands of tests. We are convinced that by no other methods can full and permanent restoration of strength and vigor be accomplished.

VARICOCELE.
Absolutely painless treatment that cures completely. Investigate our method. It is the only thoroughly scientific treatment for this disease being employed.

Spermatorrhoea, Stricture, Piles, Skin and Kidney Disease, Lost Strength, Hydrocele, Organic Weakness, etc., are also among the diseases we cure to stay cured.

That is all. Send no money. Simply sign above. Tell me the book you need. I will arrange with a druggist near you for six bottles of

Dr. Shoop's Restorative

Take it a month at my risk. If it succeeds the cost to you is $5.50. If it fails the druggist will bill the cost to me. And I leave the decision to you.

Don't Wait Until You Are Worse.

Taken in time, the suffering of this little one would have been prevented. Her mother writes me:

"Two years ago my little girl was sick continuously for six months. We tried many doctors, and they failed, yet it took only two bottles of your remedy to cure her, and she has remained cured. You can tell others of this cure if you so desire. Mrs. C. H. Avery, Rockdale, N. Y."

'Tis a pity she did not first write me, before the case was dangerous.

The wife of Omer Andrus of Bayou Chicot, La., had been sick for 2 years. For 3 years could do practically no work. He writes:

"When she first started taking the Restorative she barely weighed 90 pounds; now she weighs 135, and is able easily to do all her housework."

Twenty "dark" years might have been "bright" ones.

J. G. Billingsley of Thomasville, Ga., for three years has been crippled with disease. Now he is well. He writes: "I spent $250.00 for other medicines, and the $3.00 I have spent with you have done me more good than all the rest."

Both money and suffering might have been saved.

And these are only three from over 65,000 similar cases. These letters—dozens of them—come every day to me.

How much serious illness the Restorative has prevented, I have no means of knowing. For the slightly ill and the imagining simply get a bottle or two of their druggist, are cured, and I never hear from them.

But of 50,000 sick ones—seriously sick, mind you—who asked for my guarantee, 9 out of each 10 have paid. Paid because they got well.

If I can succeed in cases like these—fail but one time in 10, in disease deep-seated and chronic—isn't it certain I can always cure the slightly ill?

Why The Restorative Succeeds.

You may oil and rub, adjust and repair a weak engine. It will never be stronger nor do its work better, without steam, more power—more steam is necessary.

And so with the vital organs. Doctor Shoop's Restorative supplies nature with the elements she needs to do her work. That's why it succeeds where others fail.

And that my Restorative does.

After almost a lifetime of labor—of study at bedsides and research in hospitals—I made this discovery. I found a way to treat, not the organs themselves, but the nerves—the insides nerves—that operate these organs and give them power and strength and health. That discovery has shown me the way to cure.

It makes my offer possible.

I know the remedy. I never can forget the study, all the research, the trials and tests that perfected it. I have watched its action year after year in cases difficult, discouraging. Time after time I have seen it bring back health to those poor ones whom hope had almost deserted. I know what it will do.

My only problem is to convince you.

And so I make my offer. And the bare fact that I make such an offer ought of itself to convince you that I know how to cure. Please read it again. It means exactly what I say. No catch—no misleading phrases in it. Simply this—you take the medicine and I will take the risk.

And you— not I—decide if you are to pay.

All You Need To Do

Simply sign the above—that is all. Ask for the book you need. The offer I make is broad—is liberal. The way is easy—is simple. The Restorative is certain.

But do not misunderstand me.

This is not free treatment, with nothing to pay. Such an offer would be misleading—would belittle the physician who make it. But I belive in a sick one's honesty—his gratitude. That when he is cured he will pay the cost of the treatment—and gladly.

I make this offer so that those who might doubt, may learn at my risk.

Tell of it, please, to a friend who is sick. Or send me his name. That's but a trifle to ask—a minute's time—a postal. He is your friend. You can help him. My way may be his only way to get well.

I—a stranger, offer to do all this. Won't you, his friend, his neighbor, simply write

He will learn from my book a way to get well. Perhaps, as I say, the only way to get well for him. His case may be serious—hopeless almost. Others physicians—others specialists may have failed. The matter is urgent, then.

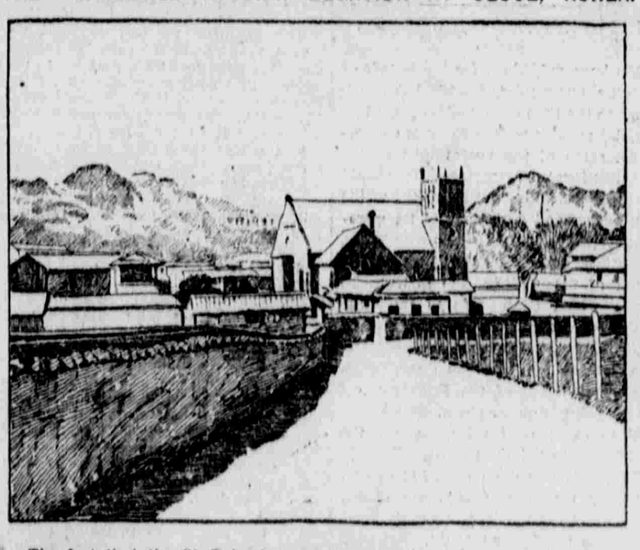
THE ABANDONED RUSSIAN LEGATION AT SEOUL, KOREA.



The fact that the St. Petersburg government is no longer represented at the Korean capital might be regarded by those who believe in signs as an omen of dwindling Muscovite influence in the far east. At any rate the vacant Russian legation shown in the cut is indicative of present Japanese ascendency in the peninsula "of the Morning Calm." The departure of M. Pavloff, the czar's minister, is said to have been brought about by Jap influence, as it was not thought desirable to have any one present who could report to St. Petersburg on Japanese movements in Korea.

AMERICA'S BATTLE LINE.

On Oct. 15 the regular army of the United States—according to the acting adjutant-general's report—consisted of 62,000 men. These were scattered over the earth from Porto Rico and Cuba on the east to Alaska, Hawaii, China and the Philippines on the west. The force in Porto Rico has been reduced to 237 men and that in Cuba to 745. There are 210 men in Hawaii and 156 men in China. Sixteen thousand men were retained in the Philippines, although it is proposed to reduce this number to 12,000. About 44,000 are in garrisons in the United States.

In time of peace Spain planned to keep 4,000 soldiers in Porto Rico and 13,000 in the Philippines. The United States is able to preserve order with fewer men in Porto Rico. Its Philippine force is about equal to that formerly employed by Spain. The islands, however, are kept in much better order than was the case under the old regime.

The militia includes 117,000 men. Of these 43,000 are within 24 hours of New York and 29,000 are within the same time of Chicago. Within a day 51,000 could reach the Canadian frontier east of the Mississippi. In the Spanish-American war about 30 per cent of the militia entered the United States service. About 100,000 of the present guardsmen have declared themselves ready to respond to a call by the president. Not all of these have the equipment necessary for field service, and it is hardly to be supposed that in the event of war 100,000 could be depended on for the army.

Still, the condition of the national defense is far better than before the Spanish war, and it is likely to improve from year to year.—Kansas City Star.

BIND YOUR MAGAZINES.

Old Books, Music and Magazines. Put them in strong new covers for preservation. Many records of value can be saved by having them bound. The "News" bindery can do the work in any form at any price.

TEACHERS.

Dr. Talmage's new book, "The Great Salt Lake (Present and Past)," should be in the hands of every educator. The amount of information it contains relating to the great saline sea, makes it an invaluable work for reference or study. Deseret News Book Store, Salt Lake City, Utah.

MUSIC TEACHERS.

All who desire to consult the list of the representative professors and music teachers of Salt Lake should read the "Muscians' Directory" in the Saturday "News."
