THE SEMI-WEEKLY NEWS

The Great Country Paper of the West.

Issued Mondays and Thursdays and Contains All the Cream of the Daily and Saturday News.

LOCAL BRIEFS.

Epworth League Musicale—The Epworth league of the First Methodist church gave a musical and literary entertainment last evening, in the church parlors before a large audience.

Board Making Selections—The state board of land commissioners is now busy making the selection of 200,000 acres of school lands in lieu of the forest reserve lands withdrawn by the government and opened for homestead entry.

Death of John D. Lynch—John D. Lynch, foreman of the J. C. Lynch ice plant, dropped dead yesterday, as he alighted from a buggy in front of J. C. Lynch's residence, 1167 east South Temple street. He was 45 years old and unmarried. The remains will be shipped to Keokuk, Ia., for interment.

Insane Man Arrested—Fred Muller, a German, was placed under arrest last night by Officer Emel Johnson and it is likely the man will be charged with insanity. Muller was on Plum alley trying to explain to the Chinamen that he was looking for somebody. Muller said that President Smith had $10,000 and a good job for him. The police learned that Muller has been in an insane asylum.

Brigham City Corporation—A copy of the articles of incorporation of the R. L. Fishburn & Sons Co., of Brigham City has been filed with the secretary of state. Its capital stock is $40,000, divided into shares of the par value of $100 each. The company will succeed R. L. Fishburn & Sons, a co-partnership, in the general mercantile and fruit commission business. R. L. Fishburn is president; R. L. Fishburn, Jr., vice president and manager; F. W. Fishburn, secretary and treasurer.

County Atty. Hanson Returns—County Atty. Willard Hanson has returned from New York where he went on legal business. The purpose of his visit was to take depositions of witnesses in the will contest case of the estate of Thomas Miller, deceased, against Elizabeth Livingstone et al. Mr. Hanson also visited Philadelphia while away and spent a day in Baltimore where he visited his brother who is attending the Baltimore Medical college.

In Favor of G. A. R. Tablet—A report will be made by the library committee of the city council favoring the petition of the G. A. R. for permission to place a bronze tablet on the walls of the public library containing the address of Abraham Lincoln delivered at the dedication of the National cemetery at Gettysburg. The G. A. R. committee in charge of the matter will undertake to have the tablet ready by Memorial day so that it may be hung with fitting ceremony.

Women's Press Club—Tonight the Utah Woman's Press club meets at the Woman's Exponent office in the Templeton block and the evening will be devoted to a review of the life of the late President Lorenzo Snow, including a synopsis of his life by Mrs. Florence Snow Critchlow; his experiences as a missionary by Edith Lamoreaux; his domestic life by Mrs. Zina Y. Card; his administration as president of the Church by Mrs. Minnie J. Snow; his exile of 12 years by Mrs. Maria Francis; and personal impressions by each member.

Danish Actor Coming—Christian Zangenberg, the Danish actor, who is visiting his countrymen in the United States, will arrive in Salt Lake City next week, and give an entertainment in the Y. M. C. A. auditorium, Monday evening, May 6. Mr. Zangenberg is one of the three actors of the Royal Danish Opera whose appointment was made by the king, and he consequently ranks among the great in the dramatic art. The recent visit of Fru Oda Nielsen was an excellent forerunner to Mr. Zangenberg, whose mimic, versatility and joviality is said to be incomparable.

Wanted, a Commanding Officer—Asst. Adjt.-Gen. H. M. H. Lund will go to Bountiful on Tuesday next, to see what chance the new cavalry troop has for completing its organization. The trouble seems to be the selection of a commanding officer who is "up" in cavalry tactics; and unless some such a one is discoverable before long, the tenure of life of the command may not be of very long duration. It has been suggested that Capt. J. E. Caine take charge of the troop and hold a weekly or semi-weekly drill. He is a very competent officer, and would command the respect of his men at once.

Bell Will Not Appeal—Managing Director Elmer B. Jones of the Utah Independent Telephone company is wearing a broad and elastic smile today. He is in receipt of a Postal Telegraph message from Rochester, N. Y., stating that the Bell interests have concluded not to appeal from the decision of the New York courts, which made permanent the injunction restraining the United States Independent Telephone company from transferring its stocks and bonds to the Bell people. Mr. Jones said he had feared an appeal would be made to the United States supreme court. But the Bell company does not seem to care enough about the issue to make any appeal.

Milk Above Standard—City Chemist Harms has just concluded analyzing 22 samples of local dairy milk taken haphazard from the wagons, and he expresses his gratification at finding all of the samples above the standard. He says all were clean and free from appreciable sediment and foreign odor, except four samples, and in them, this fault was not specially noticeable. The tests include those of lactometer, specific gravity, per cent of solids fat, per cent of solids not fat, per cent of water, and for formaldehyde. None of this preservative was found in any of the milk. The percentage of solids ran up to 14.07 the temperature averaged 60 degrees F. while the lactometer showed as high as 34.6 degrees.

JEWELERS TO ORGANIZE.

Will Also Take a Day's Outing at Some Time in Near Future.

The jewelers of this city held a meeting last evening at McConahay's store on Main street, for the purpose of discussing the advisability of forming an organization of their craftsmen in this city. It was unanimously decided that an organization would be of great benefit to the jewelers, and committees were appointed to prepare articles.

It was also decided that all the jewelers of the city would shut up their shops for one day and take a holiday at one of the resorts soon, although the date and place was not decided on at last night's session.

CURED OF RHEUMATISM.

Mr. Wm. Henry of Chattanooga, Tenn., had rheumatism in his left arm. "The strength seemed to have gone out of the muscles so that it was useless for work," he says: "I applied Chamberlain's Pain Balm and wrapped the arm in flannel at night, and to my relief I found that the pain gradually left me and the strength returned. In three weeks the rheumatism had disappeared and has not since returned." If troubled with rheumatism try a few applications of Pain Balm. You are certain to be pleased with the relief which it affords. For sale by all druggists.

COLD WAVE DUE.

Another cold wave is threatened for tonight, with probable local rains, on account of the low barometric area that remains stationary over the southwest. Snow is predicted in Wyoming. A foot of snow fell in this city April 30, 1899.

WHOOPING COUGH.

I have used Chamberlain's Cough Remedy in my family in cases of whooping cough, and want to tell you that it is the best medicine I have ever used.—W. F. Gaston, Posco, Ga. This remdy is same and sure. For sale by all druggists.

The Lonely Child.

Here in the lovely house of Paradise
With its golden roof and its rafter,
I am warmed with the million lights of God,
And share celestial mirth and laughter,
But oft I grieve apart in lonely pain—
Mother I want my little room again!

With shining cherub and with angel bright,
I play around God's throne of glory,
But mother mine I want to sit with you,
And hear you tell a fairy story.
And oh, I want to hear you laugh and sing—
Mother, I want my toys and everything!

I fear the awful burning of God's stars;
I fear the great winds and the spheres;
But when the angel Spring comes back to earth,
I, too, shall come in violet faces—
Mother, come out to the grass and the dew,
And I'll smile from my little grave at you!

—Ewd. W. Mason, in National Magazine.
