THEO. W. CURTIS'S ARENA ARTICLE ON MORMONISM

Mormon Creed an Attempt to Wed Common Sense to Bible Teaching—Universalist as to Salvation, and Unitarian as to the Godhead—It is the Commendable Features of the Mormon Faith that Shocks the Piety and Traverses the Teaching of Orthodox Christianity—The Roberts Bugaboo—Who is Responsible for It—A Strong and Impassioned Plea for Fairness.

The Mormon creed was an attempt to wed common sense to Bible teaching before the advent of Darwin and of monism. It was Universalist as to salvation, and Unitarian as to the Godhead, before Theodore Parker preached for father and mother God, a Mormon position and Bunsen

> Is the Heaven our parents single?
> Do the twilight nuptials make Union stars?
> Truth is Science, Truth Eternal
> Tells us I'm a mother Spirit.

The orthodox heaven and hell were abolished by the Mormons (or better by Joseph) now the topic has for did not more priority a track, as he taught the principle of eternal progression, and our conjugalities earthly, the mother of the spirit, the wife of the spirit, and finally of the spirit, and finally of the spirit, and finally
