Notes From Franklin.

(Correspondence of the DESERET NEWS.

Thinking perhaps that a few notes from this place might be of interest to some of the readers of the NEWS, I send a few items gathered while on my way north.

Last Monday the haystacks of Mr. John Biggs of this place were destroyed by fire, caused, as usual, by small boys and matches. Mr. Biggs and his sons had brought a load of hay from the field, had left it on the wagon near the stack and had gone to the field with another wagon for a load of wheat. While they were away the little boys had made "bonfire." The flames soon spread to the stacks, which were all consumed. Loss, thirty tons of hay, a new wagon, a set of harness and a saddle. This is the third time that Mr. Biggs has been burned out—twice through his own boys' carelessness.

Yesterday afternoon another fire was discovered at the residence of Mr. Thos. Morrison, just north of the town. While Mr. and Mrs. Morrison were away from home, sparks from the stove pipe, which projected through the roof, ignited the dry shingles. These burned very rapidly. Mr. Morrison reached home just in time to see the house in a blaze. He managed to save part of the furniture and most of the things in the front room, but the remainder of the household goods were destroyed. The structure, being a frame one and lined inside with sawdust, burned very rapidly and was gone in a few minutes. The loss falls heavily on Mr. Morrison, as he is a poor man. The house belonged to Mr. Thomas Stuart, of Franklin.

I called on Mr. J. J. Flack today and found him on a fair way to recovery. About ten weeks ago Mr. Flack met with a sad accident. While outdriving, his horse slipped and fell, upsetting the cart over, throwing Mr. Flack forward on the horse, then to the ground. The horse in coming up slipped upon Mr. Flack's leg, crushing it badly near the ankle. Dr. Davis, of Franklin, was called and set the fractured bone. His daughters, Mary and Nellie, who were badly hurt about three weeks ago by a runaway team, are getting along nicely, and will soon be around again. Dr. Davis has been attending all of them and says they will recover. The neighbors of Mr. Flack have shown every kindness in waiting upon the patients and helping them in their line of trouble. It has been greatly appreciated by the family. E. E. P.

A Pleasant Gathering.

In Hunter Ward Wednesday the Sunday school had an enjoyable time.

Under the superintendency of John Evans and his assistants, L. Day and A. A. Jones, the following programme was rendered: Singing by the Sunday school; prayer by Brother Isaac Hardy; songs and recitations followed, and then several of the brethren spoke, giving good instruction to the children. Bishop Miller's remarks were especially interesting. Prayer was offered by Brother W. W. Goodridge.

The juveniles afterwards had a good picnic.

At 2 p. m. the Sunday school children met for a dance. Songs and a recitation or two came next, then more dancing, and the afternoon closed very pleasantly.

At 8 p. m. the older folks had a dance, and everyone present agreed that it had been a time long to be remembered. D. R. GILL.

A Youthful Purloiner.

The Provo papers yesterday report the arrest of Wallace Salisbury, a young man employed in the county clerk's office, on a charge of stealing from the till of the tax collector. Colin was missed from the drawer and suspicion rested on this young man. Several silver dollars were marked and placed in the till and watch was kept of what became of them. In the morning they were missed, and it was found that the thief had entered through the window and taken them. At the business houses a lookout was kept for the marked coins and late in the day they were found among the receipts of the saloon of the lake resort. Inquiry revealed that they had come from young Halliday, who had that morning lost $8 in a gambling game. The young man was arrested and confessed the crime. He is now under bonds of $500 to await the grand jury.

COUNTY COURT MATTERS.

The Site of the Infirmary Addition to be Changed.

A session of the County Court was held late Wednesday afternoon, Judge Dartch presiding. Selectmen Calhoun, Hardy and Rutter were present.

Clerk Allen was instructed to authorize the road supervisor to remove obstacles preferred for by Mrs. Terjojs of Sandy.

Communication of J. C. Dowlin asking to be appointed superintendent of construction on the addition to the county infirmary, was laid over until the next meeting.

Carl L. Price was accepted as a surety on the bond of D. P. Rossiter in the sum of $500, vice W. G. Collett, who failed to qualify.

The resignation of Robert Hagen, Jr., as supervisor of district 7, was accepted.

It was moved by Selectman Rutter and seconded by Selectman Hardy that the erection of the addition to the county infirmary on its present site be discontinued, and the site changed to the south side of the present building to be erected in the form of an L, provided satisfactory arrangements can be made with the contractor. Ayes—Selectmen Rutter and Hardy. No—Selectman Calhoun, Carroll.

Work has been accordingly suspended.

From San Antonio.

ADM. HOBGTON, a well known manufacturer of boots and shoes at 313 Nolan Street, San Antonio, Texas, will not soon forget his experience with an attack of the cramp, which he relates as follows: "I was taken with a violent cramp in the stomach, which I believe would have caused my death, had it not been for the prompt use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. The first dose did me so much good that I followed it up in 20 minutes with the second dose, and before the Doctor could get to where I was, I did not need him. This remedy shall always be one of the mainstays of my family." For sale by Z. C. M. I. Drug Dept. 5&6

Remarkable Rescue.

Mrs. Michael Curtain, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption, and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for consumption; she bought a bottle, and to her delight found herself benefited from first dose. She continued its use, and after taking ten bottles found herself sound and well, now does her own housework and is as well as she ever was. Free trial bottles of this Great Discovery at A. C. Smith & Co's Drug Store. Large bottles 50c. and $1.00. 3

Happy Hostler.

Wm. Timmons, postmaster of Iowville, Ind., writes: "Electric Bitters has done more for me than all other medicines combined, for that bad feeling arising from Kidney and Liver trouble." John Leslie, farmer and stockman, of same place, says: "Find Electric Bitters to be the best Kidney and Liver medicine, made me feel like a new man." J. W. Gardner, hardware merchant, same town, says Electric Bitters is just the thing for a man who is all run down and don't care whether he lives or dies; he found new strength, good appetite and felt just like he had a new lease on life. Only 50c. a bottle, at A. C. Smith & Co's Drug Store. 3a

THE CRY OF MILLIONS

OH, MY BACK!

STOP IT NOW,
OR IT WILL BE TOO LATE.

I have been troubled many years with disease of the kidneys and have tried many different remedies and been sought out by those different physicians without relief. About the 20th of April I was suffering from a very severe attack that almost prostrated me and I was bed ridden. I was down a way almost impossible for me to get up again, so I got up and went to Mrs. Kate Pendleton's place for breakfast, with the intention of going to Salt Lake City to see Dr. Fuller, the specialist, but I was too weak. When I was going to my hotel, I immediately commenced using the tea. It had an almost miraculous effect, and in the morning I was able to get up and dress myself, in a few days I felt nearly well, that I was a new man, and I will be happy to see my friends in Salt Lake City as I have been.

WHAT IS A GUARANTEE?

Many merchants and salesmen are in the habit of indiscriminately "guaranteeing" their wares with no thought of being called upon to make the "guarantee" good. It is a pernicious and foolish custom more respected in the breach than in the observance.

A guarantee, to have any value, should be made with knowledge of the meaning of the word and a set purpose to carry out the terms of the guarantee. On this hold the makers instinct as to warrant, and we replace any tool found imperfect in use.

We have used our best judgment, acquired by a considerable experience, in selecting the following items for our stock and sell them to our customers with an absolute guarantee that if they do not prove to be all that we represent them, we will refund the purchase money in full.

"Jewel" Steel Ranges. A finished article, perfectly proportioned, made of the best material. Don't fail to see it. It will pay you.

"Quick Meal" No Generator, Kerosene. Light it as you do your gas burner. No smell. No danger. No complication. Every objection to the use of a Gasoline Stove done away with. Think of the discomfort caused in Summer by evolving the heat of a big Kitchen Range.

"Superior" Cooks and Ranges. Superior as taken. Superior in economy of fuel. Superior in design. Superior in construction. Superior in everything that goes to make a perfect cooking apparatus.

The "Fools Delight-ness." An Icewater. A Health promoter. Cellular stone lined. What is that? Investigate it. It will more than repay you.

Our stock of Builders' Hardware, House Furnishings, Garden Hose, Lawn Sprinklers, Lawn Mowers, etc., is complete in every detail.
