CATARRH

Sneezing Catarrh, Chronic Catarrh, Ulcerative Catarrh, permanently cured by

SANFORD'S RADICAL CURE.

SANFORD'S RADICAL CURE FOR CATARRH is a safe, certain, and permanent cure for Catarrh of every form, and is the most speedy remedy yet discovered. It is purely a vegetable distillation, and is applied locally by insufflation, and constitutionally by internal administration. Large bottles, with nasal syringe, complete, $1. It quickly heals, and dispels the disagreeable odor of every stage of Catarrh. Ulcerous ulceration, or deafness. Constitutionally administered it purifies the blood, purifies it of the acid poison with which it is always charged in Catarrh, eliminates the acrid, irritating, and irritants, invigorates the digestion, makes new blood, and permits the formation of sound, healthy tissue, and finally eradicates the disease. Never before in the history of medicine, perhaps, never, when all other remedies failed, did Sanford's Radical Cure fail to afford relief in Catarrh. Deeply grateful, I recommend it to fellow-sufferers. No statement is made regarding it that cannot be substantiated by the most reliable testimony. Catarrh is a great and good medicine, and wonderfully all combined. Each package contains a Trustee on Catarrh, and Dr. Sanford's Improved Inhaling Tube, and full directions for its use in all cases. Price $1.

An Enthusiastic Friend of Sanford's Radical Cure.

ALLEGHENY, OLIVE & BOWER'S FIRE AND MARINE INSURANCE AGENCY, 707 Penn Street, Pittsburgh, Pa., Oct. 1, 1877.

A. A. MELLIER, Washington Av., City.—Dear Mellier: I have for some years been troubled with Catarrh, and for the past two years have suffered seriously with it. Noting your advertisement of SANFORD'S RADICAL CURE, I decided to try it. I have used only two bottles, and as a result I feel so much relieved that I mention it to our personal relations and write this to you that you may also know of it. I shall be happy to have you use this in any way which will be of benefit to others. I may add that I have recommended it to quite a number of my friends, all of whom have expressed to me their high estimate of its value and good effects with them.

I really think it particularly adapted to wants of St. Louis people, and they all ought to know of it, and those who need it should try it. I will risk the assertion that 100 of one vial (as a sample) to be given away will sell at sight a bottle.

Try your plan. Let the people have it; they need it. I believe I could sell 500 bottles myself—of course you know I am largely interested, this season. Why not try it? Yours truly, WM. BOWER.

LAME BACK AND RHEUMATISM

CURED BY

COLLINS' VOLTAIC PLASTERS

Messrs. Weeks & Potter: Gentlemen,—One year ago I was seized with a severe attack of Rheumatism in my right hip, to which I was subject. I tried the various liniments and lotions in use, but without the least benefit, when my son, a druggist, suggested one of your COLLINS' VOLTAIC PLASTERS. The effect was so magical, so entirely my grateful surprise, I was almost immediately well again, and was able to work upon my farm as usual, whereas, before the application of the Plaster, I could do nothing, and every step gave me pain. A few weeks since, one year from the first attack, the disease returned, but I am happy to say the second Plaster proved as efficacious as the first, and I am now well. My wife wishes me to add that one Plaster has cured her of a very lame back. We think there is nothing in the world of remedies that can compare with the COLLINS' VOLTAIC PLASTERS for Rheumatism and Lame Back, and cheerfully recommend them to the suffering. Yours very respectfully,

ORLAND, ME., June 6, 1878. ROBERT COTTON.

NOT A QUACK NOSTRUM.

Gentlemen,—I hereby certify that for several years past I have used the VOLTAIC PLASTERS in my practice, and have never known them to fail in affording speedy relief in those cases for which they are recommended. They are not a quack nostrum, but a remedial agent of great merit. Very truly Yours, W. C. COLLINS, M. D.

BEDFORD, PA., May 27, 1878.

PRICE 25 CENTS.

Be careful to obtain COLLINS' VOLTAIC PLASTER, a combination of Electric and Voltaic Plates, with a highly Medicated Plaster, as per the above cut. Sold by all Wholesale and Retail Druggists throughout the United States and Canadas, and by WEEKS & POTTER, Wholesale Druggists, Boston, Mass.

Births and Deaths.

NEW YORK, 24.—The *Times* says: That last week there were 519 deaths and 586 births. This, however, shows the utter valuelessness of the figures weekly printed, because physicians and nurses do not report in all cases. Vital statistics in other countries, which are pretty nearly perfect, are shown by this return to be untrustworthy here, as the births must exceed the deaths every week except during epidemics.

The Potter Investigating Committee.

Richard B. Edgeworth, captain of the police of New Orleans, and supervisor of election, handed in the following among other letters:

Headquarters Republican Party, Louisiana. New Orleans, September 25th, 1877, R. B. Edgeworth, Esq., Supervisor Registration, Parish Plaquemine, La.:

Dear Sir—It is well known to the committee, from the examination of the census of 1875, that the republican vote of your parish is 3,000 and the republican majority 2,200. You are expected to register and vote the full strength of the republican party in your parish. Your recognition by the next State administration will depend upon your doing your full duty in the premises, and you will not be held to have done your full duty unless the republican registration in your parish reaches 3,000, and the republican vote is at least 3,000. All local candidates and committees are directed to aid you to-day, to the utmost, in obtaining this result, and facility is and will be afforded you, but you must obtain the results called for herein without fail. Once obtained, your recognition will be ample and generous.

Very respectfully,
Your obedient servant,
(Signed) D. J. M. A. JEWET,
Secretary.

James B. Kelley, of New Orleans, testified to seeing Eliza Pinkston taken from her home on Gravier Street, to the republican investigating committee, and she walked down the steps unaided.

Adjourned, subject to the call of the chairman.

The business for the week has been the smallest for a long time, comprising only 117,000 pounds, at 19 @ 26 for spring, 16 @ 20 for fall. Total sales for the week, 1,178,500 pounds.

Strike Ended.

CHICAGO, 24.—The shoemakers' strike is ended. The trouble between the shoemakers and manufactures having been amicably settled, it is said the manufacturers will now put on double force and will soon be able to fill any orders.

Stoppage of Mail Matter.

WASHINGTON, 23.—The following correspondence took place today:

Jackson, Miss., 23.

Hon. D. M. Key, Postmaster General:

Please stop all mails except first class, for all points on the Mississippi from Memphis and New Orleans, and all except first-class matter coming from the following infected points in this State: Grenada, Vicksburg, Canton, Port Gibson and Holly Springs. We regard this as important for our safety.

WIRT JOHNSTON, M. D.,
Secretary of the State
Board of Health.

Washington, August 23.

Wirt Johnston, M. D.:

It is not deemed advisable to direct the exclusion of any class of matter from the mails because of the prevalence of yellow fever. This department will not, however, attempt to disregard any reasonable order of legally constituted boards of health issued to prevent the spread of the disease, but, on the contrary, desires its officers to cooperate in executing them.

J. N. TYNER,
Acting Postmaster General.

National Soldiers' Reunion.

CINCINNATI, 24.—Extensive preparations are making for a national soldiers' reunion at Marietta, Ohio, beginning September 23d, and lasting four days. Government has furnished a large number of army tents, cooking utensils, etc., also about two tons of artillery and musket cartridges. Letters of attendance are received from Secretary Evarts, Generals Pope, Crook, Garfield, Wallace, Leggate, Senator Thurman and others, with General Mosby of the Confederate army. Correspondence is still pending with the President.

Aid for the Sufferers.

NASHVILLE, 24.—The citizens' committee to-day, collected $2,040, besides a large quantity of provisions for the aid of cities afflicted with yellow fever.

Holly Springs, Miss., 24.—There are six cases of yellow fever here. All refugees. The Jackson board of health has designated Holly Springs as one of the infected points and quarantined the mail matter.

St. Louis, 2 .—The fund for the fever sufferers in the south increased to-day, to about $5,000, several societies are at work raising money for the same purpose.

The Illicit Distillers—The Fight.

Ayres and Strain arrived here this evening from nine miles north of Cookeville, in Overton County, where the fight of yesterday occured, between the illicit distillers and 12 revenue men, and they say they were about to put up for the night when they were unexpectedly fired into by 20 or 30 men. A regular skirmish ensued in which Phillips was shot through the left side, and is believed to be mortally wounded, Tippens under the right eye, Smith in the left arm. One illicit distiller was seen to fall. They were sent here by Davis for reinforcements. When they left the firing was still going on, and news of the result is awaited with interest. Eighteen armed men went from here to-night to reinforce special deputy Collector Davis. Two illicit distilleries have just been broken up in Lawrence and in Overton counties.

GREAT BRITAIN.

Death of Lazzaretti.

LONDON, 24.—The Roman correspondent of the *Times* gives an account of the Ghiseto fanatic and circumstances of his death. Lazzaretti declared himself to be Christ come again, and had chosen twelve apostles. On the morning of the 18th inst., the prophet, at the head of about 5,500 followers, started for the village of Arcidosso. His purpose, it is said, was not peaceful. A hundred believers, dressed in white tunics, like the ancient Jewish priests, led the column. At their head walked David, the Saint, attired in half regal and half pontifical costume, with a diadem on his head and an iron studded club in his hand. The procession sang a hymn with the refrain "Long live God and the Christian Republic," "Praise be to Christ, come a second time on earth." The mob was met half way by a delegate of the police, accompanied by nine carbineers who invited them to disperse. Upon this David cried "I am king," and ordered his followers to disarm the soldiers. As he spoke, the police were fired upon and a shower of stones followed. Again, warning the delegate, they gave warning to disperse, which which was followed by the prophet aiming a blow at the police with a club. The police then finding themselves surrounded, opened fire. Among the first to fall was the prophet, shot full in the forehead. His followers, seeing their leader down, gave way.
