the California people do not anticipats any trouble. **OUTPUT IS GROWING.** Returns from Tonapah Shipments for Week Exceed \$31,000. During the past week returns have been received from the Selby Smelt-ing company to the total amount of \$31,977.05, says the Tonapah Bonanza. This is net, after deduction of railroad freight and treatment charges. The three highest returns were as follows, calculations being based on a price of 60 cents per oz. for silver and \$20 per oz. for gold. A small shipment of 1,200 pounds from lease No. 27, commonly known as "the gold streak," gave a return of 142 ozs. in silver and 56.38 ozs. In gold, or a total value of \$1,092.60 per ton. Another small shipment of 2,200 pounds from lease No. 34 gave a re-turn of 649 ozs. in silver and 10.40 ozs. In gold, or a total value of \$599.40 per A shipment of 7.020 pounds from lease No. 95 gave a return of 437 ozs. in tilver and 7.37 or. in gold, or a total value of \$403.20 per ton. The largest ind'y'dual returns were, o lease No. 44, \$3,320.80. To the Tonopah company, for ore taken from the Clark shaft, \$3,431.76. There were several other returns of over \$1,000 individual leasers. The total net returns for the month begioning Sept. 3 and ending Oct. 3 were \$102,493,61. September was the first month in which the net returns received have exceeded \$100,000. There was however more than this amount was, however, more than this amount of shipping ore mined, but which could not be shipped, besides a large amount of second grade milling ore of which no accunt has been taken. The gross production for the month of October, including both shipping and milling ore, will undoubtedly exceed a quarter of a millon dollars. OVERLAND MORTGAGES.

It is expected that a dispute will sure-ly occur some day regarding the abex

Company's Property Turned Over to Mercantile Trust Co. of Boston.

Special Correspondence,

Frovo, Oct. 12.--A mortgage from the Overland Gold Mining company, of Utah, to the Mercantile Trust company, of Boston, has been filed for ecord. The mortgage conveys to the Mercantile Trust company, in trust for the security of the payment of 150 bonds of \$1,000 each, payable on Jan-uary 1, 1905, bearing interest at the rate of 7 per cent per annum, issued by the mortgager, the following mining property situated in Camp Floyd mining district. Utah: The Sundown mine, the Tamar, the Silver Hill, the Phra, the Mary K. No. 2, the Red Jacket, the Fairchild No. 2, and the Pura No. 2, and the David S. mining claims, togeth-er with 75,000 shares of the capital stock of said mining company, the stock to be issued in the name of the trustle, and may be sold by the mining company, the money realized from the sale of the

stock to be paid to the trustee.

RETURNS TO LA SALS.

Dan Ferguson Takes Miners and

Supplies to the International. Superintendent Dan H. Ferguson of the International Mining company in La Sal mountains, has returned to camp with winter supplies. He also took down with him three miners, the intention being to increase the force to 8 men during the winter. The prop-erty will be developed by 2 shafts which will be sunk on the vein. Sometime next week Julge Burton expects to go down to camp to inspect the Tornado and Indiana properties on Mineral mountain, which have been bonded for about \$16,000 Mr. Burton expects to pursue an active campaign of development at these properties during the coming winter.

Busy at Dalton & Lark.

A busy scene is presented at the Dal-A busy scene is presented at the bail-ton & Lark tunnel, where quite the nucleus of a village has spring up, and to which point the rural delivery sys-tem was extended by Postmaster Rob-erts this week. Forty men, having headquarters there, are employed in headquarters there, are employed in driving tunnel and installing compres-cluding a block of First National, Og-\$5-16; centrifugal 26 test, 3%; molasses

The Taylor-Brunton sampler reported 7 cars of ore from Stockton and 3 from Bingham today.

MINING NOTES.

cars of ore at the sampler.

It is reported that Prof. Butter's op-tion on the Mammoth tailings has been relinguished.

Tony Jacobsen reports a force of 20 men developing the Florida, Copper Queen and Columbus properties at Alta. W. G.Filer, W. F. Snyder and Charles Scheu went out to Stockton today to locate the point at which the Honorine shaft will be sunk.

Thomas Cloward et al have filed notice of location of the Eldorado Nos. 1, 2 and 3 mining claims situated in the Eldorado mining district.

A party consisting of Messrs, Daniel and Simon Guggenheim, Barton Sewalt. Anton Ellers, L. P. Feustnam, S. W. Eccles, E. L. Newhouse and Franklin Guiterman were expected to reach the city this afternoon on a tour of inspection of the American Smelting & Refining company's plants.

Boise Statesman: Early yesterday morning the old board of directors of morning the old board of directors of the mirity exchange tendered their resignations. They were accepted, and the following new directors were elected: M. Alexander, E. W. John-son, O. E. Jackson, Joseph Pinkham and A. L. Morris, Two more directors will be named later. The exchange will be opened within 16 days. For the time being A. L. Morris will be the caller.

Baker City Herald: It is learned today from reliable sources that General Manager Arthur Buckbee, of the Virtue Consolidated Mining company, will shortly begin the removal from the company mines at Silver City, Idaho, to the Virtue mine, six miles northeast Baker, of the big holsting plant, now at the former place. The plant is one of the largest and most complete in Idaho, being capable of operating to a depth of 2,500 feet.

BUSINESS NOTES.

The week has been one of decided activity in local stocks, nearly all of the prominent securities having been dealt in at top notch prices. Broker Burton sold one hundred and twenty shares of Home Fire at a figure slightly over \$120 per share. The buyers were parties closely connected with the Silver King, who are placing portions of their earnings from that bonanza in commerial stocks. Descret National and Z. C. M. I. were also dealt in. Utah Sugar. which fell off several points during the week, owing to the talk of trust antag-onism, recovered on the news of an advance in the price of sugar in the East, and the enormous daily production now going on at Lehl. About \$20,000 in val-ues changed hands during the week, the

days; posted rates, \$4.84%@4.85 and \$4.87; commercial bills, \$4.83%@4.83%. Bar silver, 57%. Mexican dollars, 45%. State bonds inactive; railroad bonds irregular. Government bonds easier. DESERET NEWS.
