FOUR ACES DIVIDENDS.

The Property Expected to Pay Them Within Ninety Days.

ARE PLEASED WITH THE SHOWING.

Lower Mammoth Preparing a Big Shipment—New Excitement in the Pit—Another Dividend Declared.

E. H. Allen, president of the Four Aces of Platte, has returned from the east and is highly elated over the showing made and with the assurance from Superintendent Murphy that within 90 days of certain contemplated improvements the property will be in a position to pay a dividend of 1 per cent a week. The plan is to utilize the Platte boom in the shipping of ore from the mine and as the properties are only about 40 miles apart it is believed that the ore can be supplied with very little trouble. Speaking with a local Mr. Murphy stated that he was able to shift in the mine so that the water running in one of the levels, the water running in the neighborhood of 400 a day. The ore in the mine will be taken out and the work will be pushed so that the ore will not be allowed to work progressive in the people.

At 10 o'clock Mr. Allen looks upon the Four Aces as a sure winner, and he will stick to it as long as the Lucky Boy strike has to be the rule.

Preparing a Big Shipment.

Today's mining from Platte were taken down to Lower Mammoth to be weighed in the office of the company. The ore is being taken from the drift and will be shipped in a few days. The ore is reported to be of a very good quality and averaging about 50 per cent lead and 40 ounces of silver
