Cabinet Meeting — The Far North Exploration—Troops for Idaho, etc.

WASHINGTON, 13.—The Cabinet, to-day, considered the New York custom house matter, but did not touch on foreign or Mexican affairs. The Indian war was the principal matter. It is regarded necessary to take every proper method to end forever the hostile demonstrations of the Indian tribes. This latest outbreak is considered as serious as any of late years. Government will use every resource to give the final stroke to Indian troubles.

The Secretary of the Navy has informed Captain Howgate, the originator of the plan for establishing a colony for Arctic exploration in the far north, that he regrets his inability to detail a civil officer or loan instruments for such a purpose.

Nine companies left Atlanta, Ga., this morning, *en route* for Idaho *via* St. Louis, Cheyenne, and Denver City.

The President has commissioned John C. Mallory, Jr., agent for the Colorado Indians.

Shot and Mortally Wounded.

SAN FRANCISCO, 13.—Yesterday, at San Juan south, Justin Arajo shot and mortally wounded Manuel Butron, an inoffensive citizen. Last night a body of masked men overpowered the guard at the lock-up and took the prisoner to the outskirts of town and hung him to a tree. No arrests were made.

More About the Orangemen's Celebration.

HALIFAX, 13.—Last evening, after the Orangemen had dismissed, several of them, who stood in front of the lodge room, were greeted by a shower of stones from roughs on the street. Two Orangemen were severely hurt. Another volley of stones followed, and a pistol shot from the lodge room wounded one of the assailants. Great excitement ensued. Volley after volley of rock were answered by about twenty shots from the lodge room. Two were wounded by bullets, and one severely hurt on the head by a stone. For an hour the city was in the hands of the mob, the police being useless. The stipendary magistrates, to make peace, got the Orangemen to lower their flag and quiet was restored. The Orangemen at a meeting, to-day, condemned the police and magistrate. A hundred special constables were sworn; twenty-eight warrants for ring leaders were issued and several arrests made.

BYCKERSEAL, 13. — The Young Britons returned from Cornwall this morning and marched in full uniform through the streets. A Hackett Orange Lodge will be formed in memory of the man killed.

At the Orangemen's annual meeting, last night, resolutions were adopted, stating that notwithstanding the procession was abandoned at the earnest entreaty of representatives of various national benevolent societies, who pledged their word to take steps so as to prevent insults to women and children attending church, and also to restrain their co-religionists from insulting or riotous conduct, the street was monopolized by a rabble and disorderly ruffians, by whom a cruel murder was committed.

They, as Orangemen, henceforth not only aim, but will exercise the right to parade the streets of Montreal, and further, no threats of enemies or entreaties of false friends will influence their councils in future. The resolutions also condemned the inaction of the Mayor, after a sworn application was made before him and other magistrates for civil and military protection, and holding his worship morally guilty of murder.

An indignation meeting will be held to call on the Mayor to resign for want of precaution, yesterday. The matter will also be taken up in the City Council. The Protestant press condemn him severely.

Stephen J. Meany, in behalf of the Irish Catholic Union, disclaims any sympathy between that society and yesterday's troubles.

Many of the roughs engaged in the affray, yesterday, are supposed to be strangers, some of them from New York State. A witness says a head of the Catholic Union wanted to buy a 100 revolvers on Wednesday from a hardware merchant. The men who were absent without leave from the large establishment, yesterday, had been dismissed.

Arrears of Pay and Bounty.

OFFICERS, SOLDIERS and SAILORS of the late war, or their heirs, are in many cases entitled to money from the Government, of which they have no knowledge. Write full history of service, and state amount of pay and bounty received. Enclose stamp, and a full reply, after examination, will be given you free.

Pensions.

All OFFICERS, SOLDIERS and SAILORS wounded, ruptured, or injured in the late war, however slightly, can obtain a pension; many now receiving pensions are entitled to an Increase. Send stamp and information will be furnished free.

United States General Land Office.

Contested Land Cases, Private Land Claims, Mining, Pre-emption and Homestead Cases, prosecuted before the General Land Office and Department of the Interior.

Old Bounty Land Warrants.

The last Report of the Commissioner of the General Land Office shows 7,197,900 acres of Bounty Land Warrants outstanding. These were issued under act of 1855 and prior acts. We pay cash for them. Send by registered letter. Where assignments are imperfect we give instructions to perfect them.

Each department of our business is conducted in a separate bureau, under the charge of experienced lawyers and clerks.

By reason of error or fraud many attorneys are suspended from practice before the Pension and other offices each year. Claimants whose attorneys have been thus suspended will be gratuitously furnished with full information and proper papers on application to us.

As we charge no fee unless successful, stamps for return postage should be sent us.

Liberal arrangements made with attorneys in all classes of business.
