OGDEN.

OGDEN, UTAH, - OCT. 29, 1895.

Court Items.

In the Fourth district court a suit has been filed by Gertrude Roman against Annie and Joseph Gavitger, to foreclose a mortgage given to secure a promissory note for $650.

Frederick George's case, is still occupying the attention of the court. It may go to the jury today.

Resulted Fatally.

A 16-months-old child of Wm. Stepen, of Huntsville, died from the effects of drinking water in which cyanide had been placed. The entire family was poisoned. The child was the only one of the family that died from the effects. It has not been discovered who put the poison in the water bucket.

Well Patronized.

The bicycle races at the Western Central-mile track were well attended yesterday. A special over the Rio Grande Western brought a large number of people from Salt Lake. The weather was everything that could be desired.

Troubled With Periodical Dysentery.

Henry F. Silvers, of Lucea, Jamaica, West India Islands, says: "Since my recovery from an attack of dysentery, some two years ago, it settles on me suddenly at times and makes me very weak. A teaspoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy taken in a little water gives me immediate relief. I could get a dozen testimonials from people in Lucea who have been cured by this remedy."
