UNION OF SHERIFFS.

It is Proposed to be Held in Salt Lake.

OCTOBER 4 SELECTED AN THE DATE

A Preparation to Form a State Sheriffs' Association to Include Utah Officers.

Harvey Hardy, sheriff of Salt Lake county, is at work on a project to place Utah in line with Iowa, Nebraska, Minnesota, Wisconsin, Illinois, South Dakota, Montana, Texas, North Dakota, Wyoming, Missouri, Kansas and Colorado in the matter of having a Sheriffs' association and becoming a member of the Sheriffs' Inter-state association. It is proposed to hold the first meeting in this city on the evening of Friday, October 4, to effect an organization.

Sheriff Hardy has sent out letters to every sheriff in Utah, detailing his purpose, and has received replies from nearly all, heartily commending his course. The date is selected because of the low railroad rates at that time, and it is expected that all of the twenty-seven counties in the Territory will be represented. As deputy sheriffs also will be admitted, the organization will include upwards of a hundred men now engaged in the enforcement of the criminal law by searching out offenders.

The object of the association is to form a compact by which all sheriffs will operate in harmony to bring criminals to justice. If a criminal is at large in any county, all the officers in the other counties will be notified so as to be on the alert. The following, which is one of the articles of the proposed association constitution further states the design:

"The object and purposes of this association are hereby declared to be to mutually aid and assist each other to enforce the penal laws of this State; to arrest and bring to trial criminals fugitive from justice; to suppress lawlessness and crime, using all lawful and reasonable means within our reach to accomplish this end by prompt and energetic action."

OGDEN, UTAH, SEPT. 16, 1895.

Died From Paralysis.

Mr. James Hornsey died on Saturday at the residence of Joseph Pettgrew from a paralytic stroke. The deceased was 76 years of age. He came from New Jersey several weeks ago, accompanied by his son, to look over the country and examine the pottery clay there. The son, who is 35 years of age, will continue the work and establish a pottery manufactory here. The deceased was buried from the Second ward meeting house Sunday afternoon.

Notes.

Wm. Dackers, a 12-year-old son of Wm. and Mrs. G. B. Dackers, died on Saturday of inflammation of the brain caused by an operation performed on his ear. He was a boy of sterling integrity and was much respected. His funeral was from the Fifth ward meeting house.

The grand jury's report of the Fourth district says that body was in session seven days, during which time they investigated 22 cases and examined 89 witnesses. Six cases were violations of United States laws and sixteen violations of territorial laws. Eighteen indictments were found, six of which were United States cases and twelve territorial. The report of the visit to the Agricultural College is full of praise for that institution.

Notes.

At a meeting of the board of directors of the Territorial insane asylum, in action of Dr. Pike in refusing to admit Jenie Madsen, of Salt Lake county, without papers bearing the seal of the Probate court was approved. The routine business took up the remainder of the meeting.

Sheriff Brown refuses to say anything further about the discovery of counterfeit money, found by him in two places near the city and feels very much chagrined to think the information has become public property as this reminiscence his chances for discovering the owners of the spurious coin.

Mr. O'Dell, operator at the Western Union has received instructions to close the office that the Provo system will be closed on the 25th of this month.

LOGAN, UTAH, SEPT. 16, 1895.

Court News.

The Fourth district court convened here on Saturday with Judge King on the bench. He strongly came down on the Pocott et and dismiss the jurors jury, but there were so many urgent matters to attend to that court was not dismissed until midnight. The report of the grand jury was received; they had examined and reported on ten U. S. and twelve territorial cases, had visited the A. C. of U., of whom they said: "We visited the Agricultural College and found it to be an institution of which the Territory may justly be proud," etc.

Patrick Coughlin and Frederick George, two charges, murder, plea in each case to 1 guilty. Mary O'Brien, swearing, plead guilty, and after a severe lecture by the judge was sentenced to six months' imprisonment in the penitentiary. Mira O. Geary, assault, plead guilty and was sentenced to one month's imprisonment in the penitentiary. The sentence was made light because the husband, when before the grand jury, had intimated that he was willing to take her back; and it was in view of the proposed reconciliation that the sentence was light. It was a surprise to all when the husband's legal adviser applied for a divorce in the afternoon, but in view of her plea he was entitled to and obtained it. Her paramour and brother-in-law, Samuel K. Geary, also pleaded guilty, and after receiving a severe sorting, was sentenced to the penitentiary for two years. Charles Howard, in jail for forfeiture with Bertha Hoth, pleaded guilty and was sentenced to four months' imprisonment. Bertha Hoth, for participation in the same crime, received a lecture, but in view of her 7 mills, sentence was suspended until the December term. C. K. Westover, Israel Higgins and Joseph Sims, were indicted for burglary in Weber county. Westover and Sims pleaded not guilty and were remanded. Higgins pleaded guilty and was sentenced to eighteen months in the penitentiary. Henry Allen, indicted for murder in the first degree, for killing a man with a brick, at Ogden, pleaded not guilty, and was remanded. Charles Mead and Charles Randolph, two negroes, indicted for counterfeiting, and caught with smooth on the manufacture of spurious 25 cent pieces in their possession, pleaded not guilty and were remanded. Judson Brown, burglary, pleaded guilty and was sentenced to ten months. William Campbell, housebreaking, pleaded not guilty to two charges, and was remanded. Thomas M. Bowen, forgery, pleaded guilty and received eighteen months. C. A. Hutchinson, grand larceny, pleaded not guilty and was released on bail. Hutchinson, same offense, will plead at Ogden. Annie L. Jeppesen, was awarded the custody of her child pending suit for divorce. The sentence of Mary Fletcher as U. S. commissioner were spitted; C. J. Dennison, grand larceny, pleaded not guilty, and his bond was fixed at $2,500. Rosebaker vs. Rosenbach, suit filed by Mrs. Rosenbach for divorce on statutory grounds. Mrs. Rosenbach alleges that her husband has been guilty of adultery with Mrs. Ida Rosenbach, and that he has been in the habit of using cruel and opprobrious language to her. The defendant is a resident of Ogden, and the plaintiff of Salt Lake. The case will be tried in the latter city.

A Great Blessing

My wife and I have found in Hood's Sarsaparilla the best distribution very severely, with ankles and legs swollen. She hardly able to get up and down stairs without help. Many other remedies failed, but Hood's Sarsaparilla soon set her entirely right. It was only shortly after that I was taken with the same complaint, attended by burning of the kidneys, so I just tried the same medicine with the same result. My wife and children take Hood's Sarsaparilla whenever they feel the need of a medicine and it invariably makes them feel better.

MUNYON THEIR LEADER

Splendid Work Accomplished by the Eminent Professor.

this country is now about the center line of Indiana and Illinois. Three-fourths of the area of the United States lies west of the Mississippi river and the half way mark between the eastern and western points of Uncle Sam's domain is San Francisco. Those of us who have been so farther west than Colorado, have not yet traveled more than one-third of the way across the possessions of the United States, even if we claim from Pendleton of Oregon. About one-fourth of the people of our entire country, now reside west of the Mississippi river, and while it is all that a great city seeker eastern states can do to hold their population, and more than they can do to hold their assessable wealth, the western states are rapidly increasing their population and much more rapidly developing their wealth. The alone which was rejected by the builders, Webster, Hamilton and Colfax that become the keystone of the arch and one generation more will demonstrate the territory west of the Mississippi, the greatest in population, the greatest in wealth and the greatest in political power.—Glenwood, Colorado, Avalanche.
