MARGARET LESLIE WAS MURDERED

Herbert E. Nicholas, a Theatrical Manager, Confesses to Complicity in Crime.

GEO. LEOPOLD, ACCOMPLICE.

Robbery Was the Motive—Woman's Own Clothes Used to Strangle Her.

Chicago, Oct. 23.—Mrs. Margaret Leslie, the actres found dead in her room in the Palace hotel last Thursday afternoon, did not commit suicide as was supposed, but was murdered. Herbert E. Nicholas, a theatrical manager, arrested on suspicion, confessed today that he aided in the murder and that George Leopold, a drug clerk for whom the police are now searching, was his accomplice. The woman's diamonds and her money were the motive for the crime.

Before Nicholas confessed, he was subjected to a long inquisition by the police, who had gathered a good deal of evidence against him. He first offered to tell his story if granted clemency, but on this being refused, he made a complete confession implicating Leopold. He said that he and Leopold went to the woman's room Wednesday night, and after a few minutes' conversation, he suggested that they have a drink, producing a bottle of whisky.

Mrs. Leslie was taking care of her jewels at this time and her back was turned towards them. While in this position, Leopold, according to Nicholas, seized the woman by the throat and choked her into insensibility. Throwing her on the bed they placed a towel saturated with chloroform over her head. The man then took some of the woman's garments and tied them tightly around her neck. Seizing her jewels, which were valued at $2,000, the men turned on the gas jets, hurried out of the room and left the hotel. The next morning they met by appointment and divided the jewelry. Those which Nicholas took have already been recovered. It was the anxiety of Nicholas to realize money on the jewels which led to his arrest. Detectives working on the case, found some of the diamonds in a pawn shop, and they traced them to Nicholas. He was then arrested, and he declared that Mrs. Leslie, who had been an old friend of his, had given them to him. He told conflicting stories, however, and finally admitted the theft and under pressure, the confession of the murder followed.

COMMITTEE OF AM. JEWS.

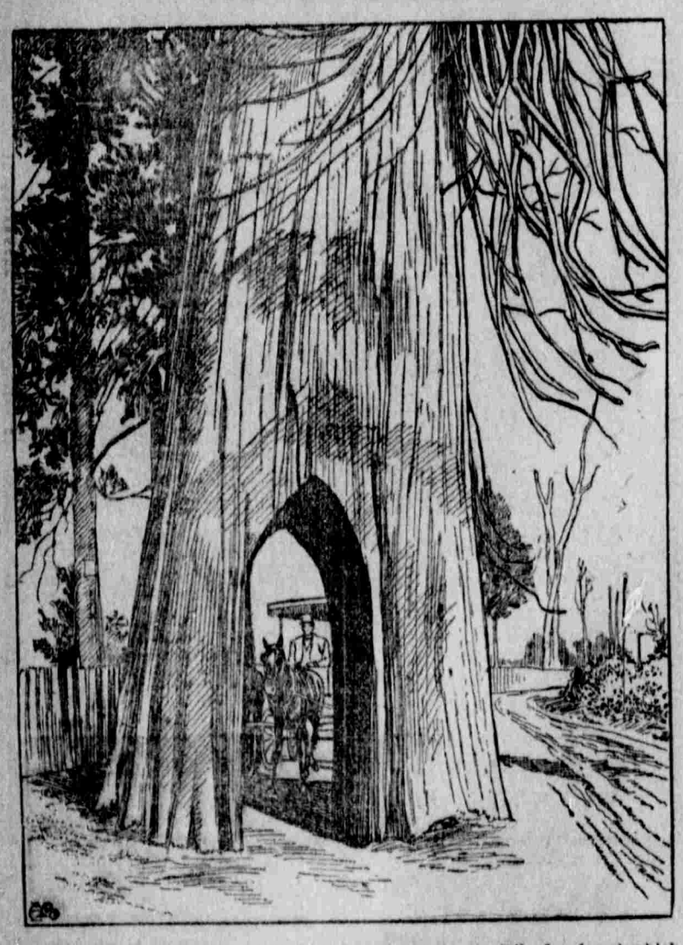
New York, Oct. 24.—The committee of 15 appointed by Judge Mayer Sulzberger of Philadelphia to select 35 other members so as to form with them a committee of American Jews, it was announced yesterday, have divided the country in 12 districts, and elected representative Israelites in numbers corresponding roughly with the Jewish population. It is expected that the committee will find it necessary to increase its membership or adopt some means by which an advisory council may co-operate with them. A meeting of the committee will be held Sunday, Nov. 23. Among the members are: M. Ansaenger, Denver; Sigmund Sichel, Portland, Or., and H. C. Sloss and Rev. J. Votraenger, San Francisco.

The purpose of the committee is to render aid to the Jews in Russia and to be prepared at all times to enlist the sympathy of other powers on behalf of the Jews in Russia on occasions of persecutions and distress.

GREATER NEW YORK BUDGET $125,000,000.

New York, Oct. 24.—The board of estimates has agreed upon a tentative budget. It will cost about $125,00,000 to run the city government of Greater New York next year.

A GIANT OF THE FOREST.



The big tree herewith pictured is all that remains to tell of a forest which once stood in its immediate vicinity. When the lumbermen devastated the region this solitary specimen was left standing and since that time a Gothic archway has been hewn through its massive trunk. The United States government has come to the rescue of the huge sequoias and other coniferous trees of California, but the scarcely less remarkable vegetable growths of the Pacific northwest are still the prey of the merciless lumberman.

Married Women

Every woman covets a shapely, pretty figure, and many of them deplore the loss of their girlish forms after marriage. The bearing of children is often destructive to the mother's shapeliness. All of this can be avoided, however, by the use of Mother's Friend before baby comes, as this great liniment always prepares the body for the strain upon it, and preserves the symmetry of her form. Mother's Friend overcomes all the danger of child-birth, and carries the expectant mother safely through this critical period without pain. It is woman's greatest blessing. Thousands gratefully tell of the benefit and relief derived from the use of this wonderful remedy. Sold by all druggists at $1.00 per bottle. Our little book, telling all about this liniment, will be sent free.

STOMACH PAINS

And Splitting Headaches Day And Night.

Nothing Helped Until Patient Tried Dr. Williams' Pink Pills.

They Brought Relief and Cure When Ordinary Medicines Seemed Only to Make Her Worse.

Dr. Williams' Pink Pills, a remedy which has been before the American people for a generation, is still accomplishing wonderful results as is evidenced by the following interview with Mrs. Rachael Gardner, of Wilsey, Kan.

"It was very strange," she says, "I never could tell what caused it and neither could anybody else. For a long time I had bad spells with my stomach. The pain would commence about my heart and was so deadly agonizing that I would have to scream aloud. Sometimes it would last several hours and I would have to take laudanum to stop it. Besides this I had a headache almost constantly, day and night, that nearly crazed me, so you see I suffered a great deal. And when I think of the agony I endured it still makes me shudder.

"'Doctors,' did you say? Their medicine made me sicker. I couldn't take it and I kept growing worse until a friend advised me to take Dr. Williams' Pink Pills, and I did. I began to feel better and was soon wholly converted to this wonderful medicine. It did me more good than I had ever hoped for. I kept on with the pills and now I recommend them to all who suffer."

More information regarding the treatment of stomach troubles will be found in the diet book, "What to Eat and How to Eat," sent free on request.

Dr. Williams' Pink Pills have cured severe cases of indigestion, bloodlessness, influenza, headaches, backaches, lumbago, sciatica, neuralgia, nervousness and spinal weakness. The genuine Dr Williams' Pink Pills are guaranteed to be free from opiates or any harmful drugs and cannot injure the most delicate system. At all druggists, or from the Dr. Williams Medicine Co., Schenectady, N. Y., postpaid on receipt of price, 50 cents per box, six boxes for $2.50.

MURPHY CHARGES FALL THROUGH

Official Announcement Declares That They Were Merely Campaign Gossip.

GRAND JURY IGNORED THEM.

Nothing Wrong in Congressman Goulden Offering to Pay Certain Expenses Incurred.

New York, Oct. 23.—At the conclusion of an investigation by the grand jury of charges made by Charles F. Murphy, the Tammany leader, that Tammany Hall candidates had been "held up for cash considerations" by the managers of the Independence league, it was announced today that the charges had fallen through completely. The official announcement to this effect declared that the charges were "merely campaign gossip, and the grand jury would not dignify the proceedings by making a presentment as a result of its inquiry."

The grand jury announced that, in its opinion, there was nothing wrong in an offer made by Congressman Goulden to pay the expenses incurred in getting signatures to the Independence league petition in his behalf. William Astor Chanler, who had been subpoenaed to appear before the grand jury was not called upon to testify.

On leaving the grand jury room, Alderman Doull said that he, as manager for Mr. Fornes, had never been approached with an offer of money, nor had Mr. Fornes.

John H. Allen said that he did not know anyone acting in behalf of the Independence league had proposed to Charles V. Fornes that Allen would withdraw as a candidate for Congress against Fornes in consideration of a cash payment reported to be from $20,000 to $25,000. Mr. Allen said he did not believe any such offer had ever been made and that, if so, it was without his authority.

Mr. Allen declared that he had never been nominated for Congress, that some petitions for his nomination were circulated, but he ordered them stopped. He offered a reward of $1,000 for the arrest and conviction of the person who made a proposition to withdraw his name for money.

ILLINOIS FARMER MURDERED BY WHITECAPS.

Chicago, Oct. 24.—A dispatch to the Tribune from Red Bud, Ill. says:

Anton Millibach, a German farmer residing at Renault, Monroe county, Ill, was whitecapped last Tuesday night and died last night. Millbach went to town on Tuesday and became slightly intoxicated. A gang surrounded him in a saloon and threatened to hang him. He resisted, but was everpowered. Then the lights were put out and he was beaten and thrown out.

Millibach then got into his wagon and started home. Part of the gang was waiting for him at the outskirts of the village. They showered him with stones. He fell in his wagon and was taken home by a bartender.

The whitecappers were composed of idle young men who hang around the saloons of the village and persecute strangers, simple minded persons and inebriates.

A coroner's jury yesterday brought in a verdict that Millibash came to his death from injuries received from unknown persons. Millibach left a wife and five children.

Woke up Napoleon.

A number of British tourists had an exciting experience while inspecting the rooms of Napoleon I at Versailles today.

The party was in the emperor's bedroom, and the guide was pointing out the beauties of Napoleon's bed, when one of the ladies exclaimed: "There's somebody in it now!"

At this moment a man, looking wonderfully like Napoleon, and dressed in the gray coat and cocked hat of the familiar shape, sat bolt upright in the bed.

"I am Napoleon the Fourth," he said, "the direct descendant of Napoleon the Great. I fought at the battle of Sedan, and after the battle I retreated to Paris, came here, and fell asleep. You woke me up. Go away."

The guide understood that the man must be mad, and had the good sense not to contradict him. He replied: "If it please your majesty to follow us, we will conduct you to your palace." The man followed with dignity, and was eventually taken to the hospital at Versailles, where he is to be looked after.

He is an Italian named Benvenuto Buononore. It is thought that it may be his extraordinary resemblance to Napoleon the Great which has turned his head.—Paris Correspondence London Express.

UTAH TEAM IS BEST ON RECORD

The New Style of Game Puts a Premium on the Shifty Back Field.

BEEF GOING DOWN AND OUT.

Experience With Pony Back Field Has Broken the Aristocracy of Brawn In the Line.

Utah's football team this year compares more favorably with the ideal standards being called for by the big eastern coaches than any team the institution has ever had. While the Utah fans have been unfortunate in not getting a line on their favorites this season, as they have in past years, those few who have seen the team at work in other localities are enthusiastic for the season's future—what there is of it.

Boulder should be trimmed this year. The cry in the east is not "more beef" but "more speed" in the back field, and it is doubtful if there is a speedier back field in the game than that possessed by Utah. The 170 pound man with the speed of a 120 pound sprinter is the rarest creation in football, and of such come the great heroes of the All-American selections. Such a man is Sheavin of Yale, Caley of Boulder, and Bennion of Utah, as well as Russell. Brown only lacks a few pounds of beef from being that kind himself, and makes up for these in determination.

SPEED NOT BEEF.

An expert opinion on the Chicago situation, written to show the new demands of football, shows how the Utah team fits in to the new type of game. It follows:

"More beef," the time-honored slogan of the football coaches, is to take a back seat this season before the demand for "more speed." This mooted point has been cleared up from the mass of exepriment and uncertainty attending the inauguration of the new regime in the western colleges. The gridiron teachers are putting a premium upon cleverness and sniftiness regardless of weight.

During the past week the coaches have taken an opportunity to test the new rules further in scrimmages, and the general opinion is that the 200 pounder without requisite steam and action will be down and out. With the partial elimination of line plugging in favor of the so-called "basket-ball" style of play, football followers see great chances for the "pony backs." Practise with the forward pass has shown the value of such accomplishments as sprinting and agility.

PONY BACK FIELD.

A point noticed by the football followers is that both of the football reformers and the radicals are satisfied with this state of affairs—the former because a larger per cent of the students participate in the sport with a consequent leveling of the dangerous "football aristocracy," and the latter because the small players are showing their worth to teh game.

In the maroon camp Coach Stagg is getting satisfactory results with a back field of broilers. Eckersall, Steffen, Oddings and Finger, who have held the rear positions in the scrimmages, are regarded as a stellar quartet, and are expected to equal the performances of former heavyweight backs.

Stagg is greatly pleased with the performance of some of the fast weights who have newly come out for the team. Templeton, 140 pounds and a sprinter; Merriam, 158 pounds and conference champion quarter-miler; Quigley, 139 pounds and a maroon relay man; Rohde, 163 pounds, and Schemmer, 168 pounds, are among the record-makers.

JOCKEY PENSIONED.

Grove Cleveland Fuller, Who Was Injured in a Race is Remembered.

New York, Oct. 24.—Grover Cleveland Fuller, until one or two years ago one of the prominent jockeys of the country, has been granted $100 a month for a year by the stewards of the jockey club. The money will be drawn from the jockey fund for disabled riders. Fuller is now a cripple, the result of injuries received in a race in the spring of 1905. For three years previous to that time Fuller's work in the saddle earned for him $25,000 a year. Fuller, it is understood, spent this money as fast as he earned it.

LOWELL SCHOOL A WINNER.

The Lowell school team took a football game yesterday by trimming the Sumners. The score was 30 to 0, and the game was enjoyed by a number of school fans. It was played at the Twelfth East and Fourth South street grounds. The stars of the Lowell team were Leland Smith and Frank Parker.

A specific for pain—Dr. Thomas' Eclectric Oil, strongest ,cheapest liniment ever devised. A household remedy in America for 25 years.

THE VALUE IS APPARENT.

The skeptic no longer doubts that to have one's name omitted from the Bell Telephone Directory from a social view shows a lack of discernment. From a business standpoint it discloses a total absence of commercial sagacity.
