MINES AND MINING.

A Fair Day With the Bulls and Bears in the Pit.

ANCHOR BRINGS OUT A TRANSFER.

Four Jacks, Dallas and Buckeye Are Also Dealt In—News From Outlying Camps.

The boys on 'change played a better game today than for some time past, and at the close of the call the record showed that they had 3,300 shares of stock to their credit. While the aggregate is not a good one ordinarily, it is a fair showing under existing conditions and reflects a certain amount of credit on the speculative spirit shown by the brokers in such unsettled times.

The first move during the call was a transfer of Anchor, the initial listed stock, when 100 shares changed hands at $1.15. Four Aces was the next stock to show in the day's trading and 1,200 shares went in three transfers at figures ranging from 10 to 11 cents. This completed the trading in listed stocks, while Mercur stiffened to the asking at $0.30, receiving bids of $0.29. Mammoth's asking and bidding quotations stood at $2.15 and $1.95 respectively.

The Swansea, as usual, were the first unlisted stocks called for, but neither succeeded in moving the broker to a transfer, although the quotations placed opposite each stock, gave evidence of the high estate in which they are held by the bulls and bears. The call of Dalton was Buckeye was wrestled with one member of each, the former selling at 12 cents and the latter at 14 cents.

The following figures were as follows:
