Superintendent Kirby Reports Encouraging Developments in this Property.

GOOD VALUES IN COPPER AND GOLD.

Grand Central's Ore Bodies Permanent—On the Exchange—The Buckeye Settlement—Gold Mountain Mines.

John A. Kirby, whose lot for several years past has been cast with the Bullion-Beck mine at Tintic, came in from the camp this morning breathing a story of successful development in the mine, a property from which shipments are now at a standstill, owing to the excessive rates exacted by the smelters.

When interrogated by a "News" reporter and questioned concerning the status of affairs out there, Mr. Kirby readily upheld the "News" in its statement a few days ago concerning the cessation of shipments. [illegible]
