Dalton-Thompson Mill Stopped When Italian Went to Floor Twice

FANS ARE DISAPPOINTED

Boys Must Meet Again But Not in Utah for Bars Are Up Here.

Suddenly and decisively the ban was put on prize-fighting in Boxelder county last night. So sudenly was this done that several hundred fight fans left the arena wondering what had happened. This is what did happen: In the fifth round "Cyclone" Johnny Thompson had knocked "Kid" Dalton down twice and just as the Italian boy was rising to go on fighting the second time Sheriff Josephson of Boxelder county stood up and waved to Referee Tom. Painter to stop the fight. The mill was stopped and Painter gave the decision to Thompson. The pavilion was immediately filled with the hissing and hooting of hundreds of disappointed fans. The crowd felt Dalton had been robbed, for the boy was on his feet and ready to fight; he was not out and when the sheriff stopped the mill that officially took the affair out of the referee's hands. The fans could not understand why a decision had been given. Painter stood his ground, gave Thompson the decision and it was announced bets would stand.

AGREEMENT BEFORE.

After the mill the tip was obtained from inside sources that an agreement had been reached among county officials that the fight was to be stopped when it became brutal. When Sheriff Josephson saw Dalton lying on his back with glazed eyes wide open and staring at the lights he decided the affair was brutal, and had it stopped. The little Italian was far from out; he was stalling to get a rest. At the count of nine he was up and ready but the sheriff had given the signal and the hall was in an uproar. Stopping the fight was booted by the fans, anxious to see Dalton get a square deal, but the roar was nothing to the confusion created when it became known Painter had given Thompson the decision. For, while Thompson had hammered the lighter man hard and looked like a certain winner, the Italian boy was still up and fighting.

It looked criminal to put little Dalton, weighing 129, according to his manager, Al Hannon, in the ring against Thompson, who looked 15 pounds heavier. But the boy of forefathers from sunny Italy, made a splendid showing in the first round. The fans saw it was a lightweight against a welterweight and a boxer against a fighter. Dalton appeared a little timid and in doubt at first, but as the rounds wore on, he became noticeably confident and ended strong. In the second, third and fourth Thompson had things his own way. Both boys had agreed to break clean, but Thompson showed little inclination to stand by his agreement and Referee Painter showed little inclination to enforce the agreement. Whenever the boys got in a clinch, Dalton suffered for Thompson's speciality is infighting and with his greater weight bore down upon the lighter man mercilessly. In the fifth Thompson swung to the jaw and Dalton went down. He was up again but a few seconds later went down before another swing to the jaw. It was at this point the fight was stopped, and the decision given to Thompson. The whole affair left a bad taste in the fans' mouths and when Dalton climbed up the ropes an told the crowd he had been robbed an would fight Thompson anywhere, under any conditions, the youngster was cheered wildly.

ISSUES CHALLENGE.

Thompson showed himself a fighter of the bulldog type. At long range; in clinches, at all times, he was fighting, pounding away like a machine. Thompson says he is ready to meet any lightweight, Nelson included. Dalton and Thompson will have to come together again. If the Italian insists he wants another meet with "Cyclone" he will get it for last night's fiasco will do no one any good. But they will not meet at Hot Springs, for the authorities showed last evening that prizefighting will not be tolerated. With the bars up at Saltair, in this city, at Hot Springs, and in Ogden, pugilism and its followers in Utah are glum. The average citizen who is too busy with bigger, better and higher things is wearing a smile. "Kid" Herrick knocked out "Kid" Culver in a preliminary. It happened in the second round.

The fight special reached this city at 1:30 o'clock, having had to wait at the pavilion for a long time to let other trains pass. Street cars were waiting at the depot to bring the fans up to Main street.

HUSLER'S FLOUR

"NEWS" WINS ONCE MORE.

Defeat Twenty-Ninth Ward by 2-1 in Five Inning Game.

The "News" "phenoms" added another victory to their long string yesterday afternoon by defeating the Twenty-ninth ward wizards. In a five-inning game the "News" put two men over the home plate while the warders just did manage to get one. Fletcher pitched for the 'News" and demonstrated that he is a comer of the most coming type. Harrow plays the receiving end of the "News" battery like a veteran. The "News" lineup is: Harrow, catcher; Fletcher, pitcher; Gardiner, first base; Poll, second base; Morrison, third base; De Gray, shortstop; Blunt left field; Buckle, right field; Wilson, center field.

BIKE RACES TONIGHT.

Professionals will compete in two-mile and four-mile lap races out at Saltair this evening. These distances bring out good races every time. The four-mile will be an innovation and sounds like a winner. Amateurs will try to do things in a half-mile open. Parley Giles, a swift unpaced amateur, will go out after the record for the unpaced mile.

PLAY FOR CUP AUG. 5.

The Willard team and Y. M. C. A. teams will play for the Z. C. M. I. amateur baseball championship cup at Wandamere Aug. 5. The former nine has held the cup for some time and intends retaining it. While the Y. M. C. A. boys are just as sure they are going to draw the trophy.

RACES POSTPONED.

Owing to last evening's rain the Salt Palace bike program was postponed until some future date, not yet announced. The card will hold good in all probability and be run without changes.

JOHNSON-BURNS MILL IS NOW WANTED BY ELY

Ely, Nev., July 28.—It was announced today that $30,000 was pledged at a meeting held here last night between Tex Rickard and a number of prominent men who have interested themselves in seeing that Rickard has all the backing necessary to secure a fight between Jack Johnson and Tommy Burns, the heavyweight pugilists, to be held in Ely on Thanksgiving day. The Gans-Nelson fight was given up, as it was thought a meeting between the two heavyweights will draw a larger crowd.

MINOR HEIR WINS GREAT DETROIT PACING STAKE

Detroit, July 28.—Minor Heir won the Chamber of Commerce pacing stake in the presence of 10,000 people at the grand circuit meeting today after a notable struggle.

The Chicago contingent backed Minor Heir, while hundreds of Canadians supported The Eel, and Minor Heir was a favorite at 100 to 70 before the first heat. When they got away Twis B. G. made the pace to the quarter, attended by The Eel, and on the back stretch Minor Heir advanced to second, a neck behind The Eel at the aff-mile. The pair raced the third turn at a two-minute gait, and just as they reached the home stretch Minor Heir broke. The Eel won easily in 2:06, the fastest heat ever paced in the race. Minor Heir barely escaped the distance flag.

Next time Minor Heir was on the outside and several lengths back when the word was given, but with a sensational rush he took the pole at the turn and paraded the rest of it, 10 lengths ahead. The Eel broke before he had gone an eight of a mile. In the third heat The Eel stuck to Minor Heir for a quarter of a mile, but the pace killed him, and again Minor Heir finished jogging. Minor Heir won the fourth and final heat very handily. The Eel tried, but failed in the stretch. The race is the record for the stake. Summary:

2:24 pace, purse $1,000, three in five heats—Prince Arundle won the second, third and fourth heats in 2:03¾, 2:10¼, 2:11. Alcella won the first heat in 2:10¼. Woodis and Jerry Patchen also started.

2:13 pace, Chamber of Comerce stake, $5,000, three in five heats—Minor Heir won the second, third and fourth heats in 2:04¼, 2:05, 2:04¼. The Eel won the first heat in 2:03. Jerry B., Hairaven, Bob Manager, Miss Abdell, Twis B. G., Dr. Bonney and Phoenix also started.

2:16 trot, purse $1,000, three in five heats (unfinished)—Axtellay won the third and fourth heats in 2:10¼, 2:11. Aquin won the second and fifth heats in 2:10¼, 2:13. Black Silk won the first heat in 2:09¼. Queen of Woodcliffe, Composer, Marveletta, Olive F. and Sid Axworthy also started.

ARRANGEMENTS MADE FOR GANS-NELSON MEET

San Francisco, July 29.—Fight Promoter James Coffroth last night arranged for a 5-round bout between Joe Gans and Battling Nelson, to take place on the afternoon of Sept. 9, at the Mission street pavilion, the scene of Gans' defeat July Fourth. Forfeits of $25,000 a side are to be posted. Articles were signed by Ben Selig for Gans, Willus Britt for Nelson, and by Coffroth. According to the articles 70 per cent of the gate receipts will go to the fighters, 60 per cent of that to the winner, 40 per cent to the loser. Nelson, it is stated, will get two-thirds interest in the moving pictures.

The weight will be 133 pounds stripped ringside.

MURPHY-UNHOLZ GRIND WAS VOTED RATHER TAME

Boston, July 28.—Tommy Murphy and Boer Unholz met last evening and put up a rather tame contest. Murphy got the decision. Both boys were strong at the end of the twelfth. Murphy was the aggressor throughout, the Boer appearing sluggish. Once, in the fourth, Unholz came up and shot a right to the jaw that nearly put the man with the potato name out for the count. Murphy hung to the Boer and by persistent stalling prevented Unholz from getting free so he could do any more damage. Murphy was in a bad way at the end of this round. After the fourth Murphy was the aggressor again and pounded the Boer on the jaw unmercifully. But the crowd seemed to feel the boys had soldiered some.

WANT ENGLISHMAN AND AMERICAN TO RUN RACE

New York, July 28.—Efforts are being made by the executive committee of the Knights of Columbus Athletic association of Jersey City, N. J., to arrange a special race for a handsome and valuable trophy between Lieut. Winsham Hallswelle, the English sprinter, and J. C. Carpenter, the American, the central figures in the controversy last week over the 400-meter run at the Olympic games in London. In furtherance of the plan, this cable message was sent to Hallswelle:

"Will you run against J. C. Carpenter in 400-meter race at Knights of Columbus games in Newark, N. J., Saturday, Aug. 22. We will pay all expenses here and return. Cable answer at our expense."

AUGUST 19, THE DATE.

New York, July 29.—According to present plans, New York will officially welcome America's Olympic athletes on Aug. 19.

LIPTON'S YACHT WINS.

Havre, July 29.—At the international regatta here yesterday Sir Thomas Lipton's Shamrock won the race for 70-footers.

ENGLISHMAN PRAISES ENGLISH MEET MANAGERS

London, July 28.—Writing in behalf of himself and his colleagues on the international Olympic committee, Baron Pierre de Couperlin has sent a letter to Lord Desborough, chairman of the British Olympic association, in which he says:

"It is not necessary to await the closing of the present Olympiad to proclaim its success. This success is plain to all eyes, and the unfairness of certain reports cannot tarnish its brilliancy. It is natural that mistakes should have been made here and there, and that there should have been some nervous tension. This feeling is perhaps excusable when incidents occur which are inevitable in assemblage of 2,000 young people claiming 22 different nationalities—figures which never have been approached until this day.

"The British Olympic council has accomplished a magnificent work; and I beg you to convey to its members the expression of our lively gratitude."

AUTOMOBILE OWNERS.

Not Liable Where Chauffeur is Not on Master's Business.

New York, July 28.—Automobile owners are not liable for damages in cases of accidents occurring when the chaffeur takes out the car not on the business of the master, according to a decision of the appellate division of the supreme court made public today. Its opinion declared that it made no difference whether the owner gave the consent to the use of the car for the chauffeur's pleasure trip.

Sleep

Sleep is nature's rebuilding period, when the energy used by the brain, muscles and organs is renewed. If you lose sleep, your system is robbed of the strength sleep should give. Continued loss of sleep multiplies this loss until you become a physical wreck. Dr. Miles' Nervine quiets the irritated nerves and brings refreshing, invigorating sleep. Nervine contains no opiates, and therefor leaves no bad after-effects.

"For over two years I suffered untold agonies; my friends thought I was going crazy. I could not sleep nor rest at all. I tried different doctors, but failed to find relief. My head would ache all the time; I was like one drunk; could not concentrate my mind, and was so restless and worried that sleep was out of the question. After taking one bottle of Dr. Miles' Nervine I felt wonderfully changed. I am now on my third bottle and am gaining all the time. I can lie down and sleep like a child, and am able to do my work."

HARRIMAN COMING WEST.

New York, July 28.—E. H. Harriman will leave this week on a trip through the west, it is stated tonight. He will take a vacation in the wilds of Oregon, camping and roughing it for a part of the time and upon his return to New York within next month he will have inspected several departments of the Union Pacific properties.

For a mild, easy action of the bowels, a single dose of Doan's Regulets is enough. Treatment cures habitual constipation. 25 cents a box. Ask your druggist for them.

THE DESERET NEWS

NOTICE.

To the Qualified Voters of Salt Lake City:

Certain large improvements in the water system and the sewer system of this city were begun in 1905. To complete and extend these systems to meet our fast increasing population will require more money than can be secured from current revenue; hence, the voters are called upon to authorize a bond issue in the sum of $800,000.00; $475,000.00 of which shall be applied to the completion and extension of our water system, and $325,000.00 of which shall be applied to the completion and extension of our sewer system.

The particular uses for which this money is needed, are as follows:

(1) For building an aqueduct on North Temple street from Fourth West to Ninth West Streets, to care for the surplus waters from City Creek, thus protecting property owners on the west side from damage to their property, and protecting the city from expensive damage suits	$ 65,000.00
(2) For extension of water-mains on the west side, in the Second and Third Wards	60,000.00
(3) For replacing the 3-inch and 4-inch watermains in the Fourth Ward, by mains adequate to supply that rapidly growing section of the city	100,000.00
(4) For extension of the water-mains in the First Ward	50,000.00
(5) For enlarging and increasing the mains of the general water system of the city, securing additional water rights and enlarging and extending the East Jordan canal	200,000.00
(6) Sewer—For completing and extending the sewer system, including the intercepting sewer, pumping plant and outlet for same, which will drain a large area in the southern and western parts of the city, thus increasing the value of all property in those sections	125,000.00

It appears clear to the City Council that, without the expenditures of the above amounts, our citizens will be denied the benefits to which they are entitled from the large sums of money already expended in our water and sewer systems.

The City Council assures the people that, if this bond issue be approved, there will be no need to raise the tax levy for the current year, nor will there be any necessity for increasing the present water rates. The receipts in the water department have shown great gains and will provide for the interest and sinking fund for this department.

It does not seem advisable that permanent improvements of the nature above referred to, should be paid for from current revenues, as it imposes too heavy a burden upon the taxpayers. The issuance of bonds and the creation of a sinking fund for their ultimate redemption, distributes and equalizes this burden over a series of years.

The estimates for the above purposes have been made after a careful investigation of the present and future needs of our city by the engineering department.

The Mayor and the City Council of Salt Lake City do hereby pledge themselves to carrying out the above described improvements at the least possible expense consistent with good results, and do hereby further pledge themselves to expend the money only in the manner set forth in the foregoing statement.
