Salt Lake City, Jan. 25, 1890.

Notice is hereby given that contributions to the monument to be erected in Salt Lake City in memory of Brigham Young and his pioneers will therefor, and until further notice, be acknowledged through the columns of the DESERET NEWS. It is expected that spaces for the collection of funds for this worthy purpose will be established in each ward in all the stakes, and that said funds, with the list of moneys the contributors, will be forwarded as frequently as convenient to Heber M. Wells, secretary of the Brigham Young Memorial Association, Salt Lake City, who will see that sums are properly acknowledged in the manner stated. We earnestly hope that the people will respond promptly and promptly to this call so that if possible the monument may be completed, dedicated and invested to the public by the 6th day of next October.
