DEMOCRATIC DELEGATIONS

To the State Convention Elected at the Primaries Last Night.

A Silver and Gold Battle of Tickets to Be in Demanded—Instructions for National Delegates.

The Democrats of Salt Lake county held primaries last night at which delegations to the State convention were elected. Hons. Moses Thatcher, O. W. Powers and Joseph L. Rawlins were declared to be delegates to the national convention and silver was found to have enthusiastic friends in an overwhelming majority of the voters.

FOR SILVER.

Morris Sommer introduced the following resolutions which were adopted:

Whereas, It is of paramount importance to the masses of our citizens and of the citizens of every state in the Union that the cause of silver be advanced; and

Whereas, It is manifest that the will of the masses of the great Democratic party is for the furtherance of the cause of silver, so elegant that a law shall be enacted giving every dollar of silver bullion the right to be coined at our mint in the United States, without charge, at the ratio of 16 to 1.

And, Whereas, the enemies of silver are using every means in their power to defeat the will of the voice and force of the party therefore, be it

Resolved, By the Democrats of Third precinct of the city of Salt Lake, assembled for the purpose of sending delegates to attend the State Democratic convention, that it is our desire that our delegates to the national Democratic convention, that is to be held in the city of this election, declare whether or not he is for or against the free and unlimited coinage of silver at the ratio of 16 to 1, and also declare his or her purpose not to vote for any person as delegate to the national convention who is not fully in accord with the cause of silver; and be it further

Resolved, That we send greeting to all our Democratic silver workers and extend an invitation to the silver sympathizers of all parties to join us early and at the same time reminding them that the triumph of our cause depends on the vigilance, activity and unity of its advocates.

The primary also named the following precinct committee: Ralph Van Gilder, Mrs. John Haigh, Alexander Buchanan Jr., Mr. Reeves, Mrs. Alice Butterworth, Thomas Green, Henry Walmsley, Mrs. E. R. Thomas, M. D. Folsom, Dr. Mattie Hughes Cannon, Benjamin Golver, Mrs. J. J. Van Streater, Van H. Brown.

Third Precinct.

In the Third precinct the following delegates were elected:

E. R. Hoyt, R. T. Lloyd, O. W. Moyle, Alexander Howard, Joseph Pugsley, Mrs. Nina Reid, H. J. Hayward, J. T. Raleigh, Mrs. John Bennett, J. A. Halverson, H. A. Smith, J. W. Snell, George C. Riser, Mrs. A. W. McCune, R. F. Motts and Richard Catell.

Alternates—Mrs. Arthur Frewin, J. Ball Jr., Mrs. Elizabeth Jones, Thomas Morris, John Each, Mrs. Caldwell and Mrs. George Horn.

Following is the precinct committee selected: E. R. Hoyt, J. Ball Jr., J. Halverson, John N. Pike, J. F. Raleigh, John Bean, H. J. Hayward and R. T. Lloyd.

WANT SIXTEEN TO ONE.

There wasn't a single voice raised against the adoption of the following resolution:

Whereas, We, the Democrats of the Third precinct, Salt Lake City, do hereby realize that the first step toward the renewed prosperity of these United States is the remonetization of silver at a ratio with gold of 16 to 1, without awaiting the action of any other nation; and,

Whereas, This would bring back the original bimetallic constitutional currency of this nation, so much needed by the people for the exchanging of the products of their labor; therefore, be it

Resolved, By this meeting that our delegates are hereby instructed to contain no one who does not frankly promise to give their undivided support to this silver measure of benefit to all the people.

Fourth Precinct.

A large number of voters of both sexes met in the Burlington school house last night and elected the following delegation to represent the Fourth precinct:

Alternates—G. E. Blair, Mrs. N. W. Clayton, W. H. Beemel, W. C. Dauber, R. W. Young, H. T. Ball, C. Dingelfeld, F. V. Houghton and F. J. Moran.
