OGDEN.

OGDEN, UTAH, - APRIL 21, 1896.

Boy Burglars.

Four boys between the ages of 13 and 14 were brought to the police station charged with burglary. They took some sacks from the Advance Home Mills, they had also sold fifteen cases beer bottles to the St. Louis saloon. Judge Hollaup will investigate the case with the Reform school in view.

Notes.

The helts of the men killed in the power dam explosion and those injured will not, it is thought by interested legal lights, be able to obtain any cash indemnity by way of insurance. It is claimed a mistake was made in making out the policy paid for by sub-contractor Harkins to Hindoe Brothers, and that through this mistake the insurance company refuses to pay any insurance to Harkins for whom the men killed and injured were working.

The jury list drawn from the 200 selected names are as follows: N. Montgomery, S. J. Delacour, Adam Peterson, S. S. Sorenson, J. H. Hogan, J. W. Grow, S. T. Whitney, C. N. Caine, Charles Weber, W. F. Collister, J. D. Gill, J. J. Gunn, Daniel Fernhoff, Alma Chamberlin, Andrew Green, Julian M. Ferrin, Will Vaughn, William Fowler and Joseph Parry.

T. Y. Stanford has resigned the office of superintendent of the Third ward Sunday school, which he has held for three years. Carl E. Peterson has been selected to fill the place. The old officers are Marcus Farr and H. H. Godderd, secretary, Miss Ella Gray, treasurer, David Evans, librarian, Robert Crosby, assistant, Annie Stringham.

PROVO.

PROVO, UTAH, - APRIL 21, 1896.

As to Fish.

Last Saturday an association for the destruction of fish devouring birds was organized in this city with thirty members. Wednesday, April 29th, was declared upon as the first day on which a war of extermination on minnows, crawfish, fish hawks, etc., will be waged. The fishermen claim that fish eating birds destroy more fish every year than are caught for human consumption. A committee was also appointed to wait on the county commissioners and engineer to obtain sufficient financial aid to pay for the ammunition needed.

The result of the visit of Mr. E. G. Tillson of the government fish hatchery at Leadville, Hon. A. M. Musser and County Fish and Game Commissioner Newell to Spring creek, last Saturday, is that they decided Spring creek to be one of the best possible places to locate a fish hatchery for the State, and it will be recommended as such to the next Legislature.
